**MILLIONS Suffer from Acid-Stomach**  
 Millions of people suffer year after year from ailments affecting practically every part of the body, never dreaming that their ill health can be traced to acid stomach. Here is the reason: poor digestion makes poor nourishment, which in turn makes poor organs and tissues of the body. The blood is impoverished—becomes thin and watery. Ailments of many kinds spring from such conditions. Biliousness, indigestion, headache, neuralgia, general weakness, loss of power and energy, headache, insomnia, nervousness, mental depression—these are serious ailments such as catarrh and cancer of the stomach, intestinal cancer, cirrhosis of the liver, heart trouble—all of these can often be traced directly to acid stomach.

Keep a sharp lookout for the first symptoms of acid-stomach, indigestion, heartburn, belching, food repeating, that awful painful bloated after eating, and sour, heavy stomach. EATONIC, the wonderful modern remedy for acid-stomach, is guaranteed to bring quick relief from these stomach troubles. Thousands say they never dreamed that anything could bring such speedy relief—and make them feel so much better in every way. Try EATONIC and you, too, will be just as enthusiastic in its praise. Make your life worth living—no aches or pains—no blues or melancholy—no more of that tired, listless feeling. Be strong and strong. Get back your physical and mental punch; your vim, vigor and vitality. You will always be weak and ailing as long as you have acid stomach. So get rid of it. Take EATONIC Tablets—they taste good, they are pleasant, and they are safe. Your druggist has EATONIC in cents for you. If you are not satisfied he will refund your money.

**HOME TOWN HELPS**  
 ERROR HOME BUILDERS MAKE

Too Many Seem to Forget That Individuality is a Requisite for Attractiveness.

The house which is the real home, beautiful and yet intimate, whether its possessor be rich or poor, is hard to find.

Go among the dwellings of the rich, and you will find thousands of handsome places, architecturally correct, supplied with every convenience, and yet lacking something. Something which you are puzzled to put your finger on—the home note withal.

Cities of the country have numbers of handsome residences of the more expensive type. Some of them are admired academically for their correctness and their magnificence; they appeal to one's sense of the beautiful and to one's civic pride, but of the thousands of these houses there are only a few that bear the aspect of real homes. Houses and grounds so much alike that a man might go into any one of a dozen of them for his own, in a fit of absent-mindedness.

Yet the owner could be no more possessed of money than he is and still own a much more attractive place. His initial mistake was in picking a house of the same pattern as all the others in the street. He could have picked one, not more expensive but less common, if he had tried harder. One, too, that had an inviting coat of paint on it. Then he should have proceeded to improve his house and grounds so much alike that a man might go into any one of a dozen of them for his own, in a fit of absent-mindedness.

Where Poor Sermons Come From.  
 The little group on the steps of Saymouth's general store and post office were discussing the ministers' convention, then in session at the state capital, and Squire Lane, who had been "assessed" for his share of Rev. Mr. Lamb's expenses, said that in his opinion there were a good many better ways of spending five days.

"Cheaper, too," he added feelingly.

After a sigh of sympathy had completed a circle of the little group, Joe Rollins, who in village estimate, "wain't all there," asked "what they held them conventions for, anyway."  
 "They meet once a year to swap sermons," replied the squire.

"Now I know why we get such poor ones!" said Joe, momentarily enlightened. "Mr. Lamb never did amount to anything in a trade."—Youth's Companion.

**Mr. Reuter Was Almost Helpless From Kidney Trouble, But Doan's Made Him Well.**

"I was in terrible shape from kidney trouble," says J. J. Reuter, North St., West Chicago, Ill. "I couldn't stoop because of the awful pains in my back and the steady, dull misery almost drove me frantic. I had to be helped out on both mornings, the pains across my kidneys were so bad nobody knew the agony I went through. I couldn't do anything and was almost helpless. It seemed I would never get well. At times everything in front of me grew dark and I couldn't see for several minutes. I perspired profusely and was dizzy all the time. The urine passed far too often and burned like scalding water. The passages were scanty and I had no control over them."  
 "For two years I suffered, trying medicine after medicine without relief. I was just about discouraged and didn't think I would ever be able to work again. Hearing about Doan's Kidney Pills I used them and four boxes cured me. My kidneys became normal, my back got well and strong and all the other troubles disappeared."

**Thousands Have Kidney Trouble and Never Suspect It**  
 Applicants for Insurance Often Rejected.

Judging from reports from druggists who are constantly in direct touch with the public, there is one preparation that has been very successful in overcoming these conditions. The mild and healing influence of Dr. Kilmor's Swamp-Root is soon realized. It stands the highest for its remarkable record of success.

An examining physician for one of the prominent Life Insurance Companies, in an interview of the subject, made the astonishing statement that one reason why so many applicants for insurance are rejected is because kidney trouble is so common to the American people, and the large majority of those whose applications are declined do not even suspect that they have the disease. It is on sale at all drug stores in bottles of two sizes, medium and large.

However, if you wish first to test this great preparation send ten cents to Dr. Kilmor & Co., Binghamton, N. Y., for a sample bottle. When writing be sure and mention this paper.—Adv.

Very well, if you want a change you shall have one. I'll have the whole lot of you transferred to the demonstrated areas!" — Manchester Guardian.
