CONSULTATION HELD BETWEEN RISE IN PRICE OF SUGAR BEFORE PHYSICIANS WHO AGREE ON JANUARY NEXT IS A CON-LINE OF TREATMENT. FIDANT PREDICTION.

The Necessity of the Continuation of Sugar Equalization Board Pointed Out As Possible Remedy.

Washington.-Told by George A Zabriskle, president of the sugar equalization board, it was practically certain that unless some legislation action was taken immediately sugar prices would increase after January 1, the senate committee investigating the sugar shortage requested W. A. had since he was taken ill, the Pres-Glasgow, counsel for the food administration, to formulate legislation designed to alleviate the situation and

to make possible negotiations for purchasing the 1920 Cuban sugar crop. The committee made its request after Mr. Zabriskie had testified that despite urging by the sugar equalization board President Wilson had failed to authorize purchase of the Cuban crop, and after he at Chairman Mc-Nary's insistence had presented his correspondence with the President. The Cuban government withdrew its offer of the sugar crop September 23, Zabriskie said. He added, however, that means might yet be found to obtain Cuban sugar if legislative action could be had immediately. It would be necessary also, he said, to ENDS THROUGH COMPROMICE. mak) provision for continuation of the sugar equalization board, which
