FAMILY MEDICINE \$

In Her Mother's Home, Says This Georgia Lady, Regarding Black-Draught, Relief From Headache, Malaria, Chills, Etc.

Ringgold, Ga: Mrs. Chas. Gaston, of this place, writes: "I am a user of Thedford's Black-Draught; in fact, it was one of our family medicines. Also in my mother's home, when I was a child. When any of us children complained of headache, usually caused by constipation, she gave us a dose of Black-Draught, which would rectify the trouble. Often in the Spring, we would have malaria and chills, or troubles of this kind, we would take Black-Draught pretty regular until the liver acted well, and we would soon be up and around again. We would not be without it, for it certainly has saved us lots of doctor bills. Just a dose of Black-

Draught when not so well saves a lot of days in bed."

Thedfords Black-Draught has been in use for many years in the treatment of stomach, liver and bowel troubles, and the popularity which it grand jurors:

J. J. Hackney, Jr., foreman; A. B.
Clark, T. Y. Mims, T. B. Wilkerson,

L. Hatcher, Geo. T. Yates, J. P. Sharp,
E. W. Durham, R. V. Poe, C. L. Lastre, John Burke, G. T. Lindley, A. P.
Terry

The following were drawn as troubles, and the popularity which it now enjoys is proof of its merit.

If your liver is not doing its duty, you will suffer, from such disagreeable symptoms as cheadache, billoustrees, constitution, indigestion, etc., and unless something is done, serious trouble may usualty.
