

War Against Bankruptcy

The attorney-general of the United States has laid down a platform for stopping, if not bringing down to earth, the high cost of living. It consisted of five planks.

First, there should be a fair price committee in every town and county, backed by official authority; second, an organization of women to refuse buying anything but actual necessities until prices are brought down; third, conservation and economy meetings everywhere, under auspices of civil bodies; fourth, the influence of prosecuting authority to prevent industrial dis-

turbances and bring about peace in industry; and fifth, the remobilization of four-minute men to preach the work, and save doctrine throughout the country.—Literary Digest.

**PEPTO-MANGAN
MAKES RICH
RED BLOOD**

Helps Restore Thin, Run-Down Men and Women to Vigorous, Full Blooded Health

RECOMMENDED BY PHYSICIANS

Sold in Liquid or Tablet Form—The Name "Gude's" the Guide to the Genuine

It is a true saying that your health is only as good as your blood. Good, rich blood manifests itself in a healthy, natural complexion; clear, keen eyes; tireless energy and enthusiasm; and an abundant supply of reserve strength.

And just as positively does poor, thin blood directly influence the entire system. Pale, sallow complexions; dull eyes; a listless step; languidness; tiredness; worn-out feeling; general dejectedness and unhappiness—all are positive signs that the body is not receiving its proper nourishment through the blood.

Pepto-Mangan helps restore vigorous health, because it contains the very elements so much needed by the blood to enable it to perform its functions and supply the body with nourishment, energy and strength.

For your convenience, Pepto-Mangan is prepared in tablet as well as liquid form. Both possess exactly the same medicinal value.

There is but one genuine Pepto-Mangan, and that is "Gude's." If the name "Gude's" is not on the package it is not Pepto-Mangan.
