E. M. LONDON, Editor. April 22, 1920 Thursday SOLDIER'S POLL TAX

ATTORNEY General James S. Manning has ruled that soldiers or sailors still in the service of their country until after the time of listing poll tax in 1919 are exempt from payment and may vote in the coming primary without payment of tax. This is a very wise and righteous ruling. The opinion reads in part as follows:

"These soldiers, either by their sense of obligation to their native country, or by the compulsion of the Federal Government, were, in their service to that country, placed in such a position that they could neither list nor pay these taxes. It would, it seems to us, be manifestly inequitable and unjust to deprive them of their right to vote under such circumstances, because they had not paid their poll tax.'

Draught. Relief From Headache, Malaria, Chills, Etc.

Ringgold, Ga .- Mrs. Chas. Gaston, of this place, writes: "I am a user of Thedford's Black-Draught; in fact, it was one of our family medicines. Also in my mother's home, when I was a child. When any of us children complained of headache, usually caused by constipation, she gave us a dose of Black-Draught, which would rectify, the trouble. Often in the Spring, we would have malaria and chills, or troubles of this kind, we would take Black-Draught pretty regular until the liver acted well, and we would goon be up and around again. We would not be without it, for it certainly has saved us lots of doctor bills. Just a doce of Black-Draught when not so well saves a lot of days in bed."

Theaford's Black-Draught has been in use for many years in the treatment of stomach, liver and bowel troubles, and the popularity which it now enjoys is proof of its merit.

If your liver is not doing its duty, you will suffer from such disagreeable symptoms as headache, biliousness, constipation, indigestion, etc., and unless something is done, serious trouble may result.

Thedford's Black-Draught has been found a valuable remedy for these troubles. It is purely vegetable, and acts in a prempt and natural way, regulating the liver to its proper functions and cleansing the bowels of impurities. Try it. Insist on Thedford's, the original and genuine. E 79
