

DEATH OF MRS. LEE

Estimable Woman Passes —Died Thursday

Bettie Lyon Lee died at home of Mr. W. Harlowe here last Thursday afternoon at 5 o'clock after several days illness, aged about 65 years. Mrs. Lee was formerly Bettie Lyon, of Durham, and had made her home here for past 16 years and has been a boarding house for Mr. Taylor. She was like a mother to her granddaughters, Misses Pauline and Emily Lee. She is survived by one sister, Lula Jones, of Durham, and two nieces, Misses Pauline and Emily Taylor and a host of friends who will regret to learn of her death. She was truly a good woman and will be greatly missed.

The funeral was conducted from the house by Rev. W. B. Waff, pastor of the Baptist church, assisted by Rev. W. E. Allen, rector of the Episcopal church. The interment was in the Episcopal cemetery.

Two Sudden Deaths

Wednesday afternoon of last week, while at work in his field near his home at Brickhaven, Mr. Rufus Marks was stricken with heart trouble and died in a few minutes. He had been in declining health for two or three years, though able to attend to his affairs. He was one of Chatham's best citizens and a prosperous farmer.

Last Thursday morning Mr. John A. Knight died suddenly at his home in Gulf township. He was a well known citizen of that section and had many friends who will be pained to learn of his sudden death.

High School Teachers

At a recent meeting of the committee of the Pittsboro high school, Prof. E. R. Franklin was elected principal and the following were elected teachers for the various grades:

Miss Louise Stalvey, 1st grade.
Miss Nellie Pilkington, 4th and 5th grades.
Miss Olivia Harmon, 6th and 7th grades.

A teacher for the second and third grades is to be chosen, Mrs. Mary A. Barber having declined re-election, and two assistants in the high school are also to be chosen, one for a new position and the other to succeed Mrs. W. P. Horton who declined re-election.

A Ground Hog

Many people who read The Record, and others who don't read anything, do not believe there is such a thing as a ground hog, or woodchuck. But there is. The boys on their return from Toledo, Ohio, where they went last week after Overland cars, caught one of the pesky things as they passed through Virginia and brought Mr. Hog back with them to Pittsboro. He can be seen at "Pete's" Gunter's home on West Broadway, but we would advise little boys and girls not to get too close to the little animal. He weighs about nine or ten pounds.

Mr. W. W. Langley and Miss Annie B. Johnson, both of Chatham, were united in marriage Saturday at the residence of Mrs. R. M. Burns, the squire tying the knot which made two as one. Success to the young people. Another cool "spell" in May.

ON TO FAYETTEVILLE

Annual Meeting of the Confederate Veterans

The Confederate veterans of North Carolina will hold their annual reunion at Fayetteville June 1, 2 and 3. The Cape Fear city is making great preparations for the reception and entertainment of the gallant old vets and those who are not able to pay for board and lodging will be taken care of free of charge.

As stated heretofore in The Record, the county commissioners will pay the railroad fare of every Confederate veteran in Chatham county who desires to attend this reunion. It is to be hoped a large number will take advantage of this. Those desiring to go must see or write to W. A. Ellington, Pittsboro, for an order for their ticket.

Federal Jurors

The following Chathamites were drawn as jurors for federal court which convened at Raleigh last Tuesday:

W. J. Hackney, Moody Burns, Frank T. Andrew, James Knight, J. E. Womble, A. F. Harrington, G. G. Ward and C. N. Justice.

The following will attend as jurors next Monday:

John W. Goldston, George W. Perry, J. H. Siler, A. J. Clark, D. J. Williams, H. R. Harward and C. B. Atwater.

Grand Jury Report

Before being discharged by Judge Bond, the grand jury made their report, which we print in part, as follows:

They visited the different offices in the courthouse and found everything in a most satisfactory condition. The increased activities in land sales, transfers, etc., have caused a considerable increase in the work of the register of deeds and that the clerical force furnished that office is altogether inadequate to the prompt transaction of the business of the office, and that the public interest will be promoted by the installation of a more modern index system for the offices of both the clerk of the superior court and the register of deeds was recommended.

They visited the county jail and found everything satisfactory, but that the jailer was allowed a totally inadequate allowance for his services; that the jail roof needed repair; that the water system was temporarily out of order and recommended that both be immediately repaired. They also recommended that an iron rail be placed around the Confederate monument.

At the county home was found 12 white and 11 colored inmates and all appeared to be contented and well cared for. The farm and live stock were in good condition. The supply of provisions, forage, etc., was very satisfactory. Some of the buildings needed repairing. As none of the inmates are physically able to work on the farm it is absolutely necessary that adequate help be given the superintendent.

Rev. Mr. Hartley, of Southern Pines, who is holding mission services at the Episcopal church here this week, has a wonderful way of drawing large crowds to hear him. Go hear him tonight and you will be apt to go again. The services are real interesting and will continue through the week, preaching his last sermon Sunday night.

Kill Big Hawk

Mr. Ivy Gilmore, of Center township, tells The Record of the killing of a monster hawk on his place. The old fellow had been stealing chickens, Mr. Gilmore thinks, for twenty years, and he had tried several times to get him but failed. However, he had the good fortune to bring the old fellow down this week. He was 50 yards from the foot of the tree in which his hawkship sat. When measured the big bird was found to reach four feet from tip to tip. He was so old he was nearly white.

Judge Adams

In presenting the name of Judge Adams as a candidate for the office of associate justice of the supreme court, Moore county offers a man who needs little introduction and no apology. He is a man of integrity and ability as befits anyone who would aspire to a place on the highest tribunal of the state, but he is more than that. Judge Adams is a student of social questions, and with it he is a philosopher and humanitarian. His temperament is judicial. His observation makes him a conservative man.

Judge Adams knows the law, which is one thing, but he knows human character, which is more. He has the faculty of weighing actions and motives and of giving proper rating to surroundings. He is the type of judge men would have confidence in if there were no law, for law is merely the effort of men to modify the relations of man to man.

But Judge Adams knows the law, and he knows the lawyers. He knows the customs of law, and their applications. If he should be chosen to the supreme bench the state will be well served. If not it is to be presumed that the man who is successful will be of the highest character also, for it is impossible that any but a man of that type can be a winner as against the Moore county jurist. Moore county has a friendly faith in Judge Adams, and a sincere hope that he will win in this campaign because he is a man in every way suited for the place.—Moore County News.

The freight jam is said to be slowly yielding to the efforts concentrated on the mass of cars which clog the country's railroad yards.

A fine tobacco season all of last week has enabled many farmers to make a big start in planting the tobacco crop.

"OH, LET'S DON'T"

People With Thin, Pale Blood Are Listless and Want to Do Little

MORE RED BLOOD CELLS NEEDED

Take Pepto-Mangan, Famous Tonic, and Say "Let's Go," Instead of "Let's Don't."

When normally healthy, ambitious people begin to lack energy and tire easily—when they are quickly discouraged and low in vitality, it usually means their blood has grown weak.

Such people are called anemic, or "run-down." Build up the blood and you build up the health and spirits. Pepto-Mangan is a pleasant-tasting red blood builder and it contains exactly the elements which poor, pale blood needs to become rich, red blood.

Red blood means rosy cheeks, bright eyes, a clear brain, a firm step. Pepto-Mangan has placed thousands of people who needed building up in the full-blooded, energetic, vigorous class. It changes the "let's don't" attitude to a "let's go" attitude. Recommended by physicians for thirty years and sold all over the world.

Pepto-Mangan is sold in both liquid and tablet form. Both contain the same medicinal ingredients.

Buy Pepto-Mangan at your druggist. Be sure the name "Gude's" is on the package. Without "Gude's" it is not Pepto-Mangan. adv
