

THE CHATHAM RECORD

ESTABLISHED SEPT. 18, 1878.

PITTSBORO, CHATHAM CO., THURSDAY, JUNE 3, 1920.

VOL. XLII NO. 44

S. Buys D. & S. C.

Durham and South Carolina Railroad (generally called the latter road direct access to Norfolk Southern. The S. C. is 97 miles in length runs from Durham via Bon-Duncan in the northern end of the county where it connects with the Charlotte branch of the Norfolk Southern. The line which traverses the east part of Chatham, was built by the Chatham Lumber Company, but later sold to the Wilmington interests at Lynchburg. It was bought by several of the stockholders of the American Tobacco Company, and is the products of the company are shipped from Durham. The line is capitalized at \$500,000, and has a bonded indebtedness of \$300,000 in addition to paid in capital.

High Cost of Paper

From the number of pages the daily papers contain it would seem that there was no shortage of paper, yet on the open market the price of paper is 16 cents, before the war it sold for three cents a pound. The small papers will have to suspend publication if the price of news paper continues to soar. On account of the high price and scarcity of paper The Record will have to discontinue sending all the copies and to any who are in arrears and have made no effort to pay up. Watch your label and your subscription is due, renew once. If you fail to get The Record after next week it will be your fault.

New Highway

Bids have been called for by our county commissioners, to be opened 14 for clearing and grading 9.2 miles of highway from Moore's bridge (5 miles east of Pittsboro) to the Wake county line at Cotton's Cross Roads. Plans are on file at the office of the register of deeds here. When completed, this road will give access to a large section of New Hope township, besides making direct road from Pittsboro to Raleigh, shortening the distance about five or six miles.

Bids will also be received at same for a 60-foot steel bridge to be constructed across Bear Creek, about three miles north of Goldston towards Siler City.

Married

At the home of the bride at Siler City, last Saturday, Mr. E. Boone, of Center town, was united in marriage to Miss Oneida Sauls, of McColl's. Boone is one of Uncle Sam's soldiers in France and was dangerously wounded three times. He is a young man of exemplary character, quiet and unobtrusive and many friends wish for him his bride a life full of happiness. Mr. and Mrs. Boone will at the present make their home at Raleigh. They have been on visit to his mother near town Sunday but returned to Raleigh today.

The Record is requested to state to the health officer will visit the residences in town next week so you had better look after your back yards, closets, etc.

Mr. and Mrs. Vander Johnson moved to Aberdeen to reside. The year ends June 30. Look after your license.

Morrison for Governor.

Wife Shot

Last Saturday Deputy Sheriff Ralph Hobby went to Durham and brought back Henry Faison, a negro, and lodged him in jail here charged with shooting his wife at her home in Williams township. A preliminary trial was held Saturday and Faison was put under a bond for his appearance at the next term of the criminal court, and he will likely appear as he failed to give the bond and was locked in jail.

It seems that on the afternoon of the 19th of May he told his wife that he was going to Fayetteville. After leaving home it is said he borrowed a gun from a neighbor. That night (Saturday) some one shot his wife through a window and when Faison heard of the shooting he went back home and took his wife to Durham for treatment, and while there he was arrested.

The woman was not seriously hurt, her back being peppered with bird shot. The cause of the shooting is not known.

Compared to the Weather

A Pittsboro working man, who generally turns over his pay envelope to his wife, compares his wife to weather conditions, when he fails to turn over all his money. He says it works this way: Sunday—Threatening. Monday—Almost freezing. Tuesday—Still stormy. Wednesday—Moderating. Thursday—Clearing off. Friday—Warm and clear. Saturday—Gets pay envelope—Lovely. If not Sunday—Fearful storm.

Died From Burns

John W. Pendergrass, a son of Mrs. Mary Pendergrass, aged 27 years, was so severely burned by the explosion of a can of gasoline while working on an automobile in Raleigh last Thursday that he died in Rex hospital last Sunday. His funeral was held at New Elam church, Chatham county, Monday.

He was a son of our former countyman, Wesley Pendergrass. Besides his mother he leaves a wife, a daughter of Mr. A. M. Puryear, of New Hope township.

Church Services

There will be preaching at Mt. Zion M. E. church next Sunday afternoon at 3:30 by the pastor.

Services will be held in the Methodist church here next Sunday at morning and evening hours, conducted by the pastor. Morning subject: "Money and Religion." Evening subject: "The Needs of God and Man in Reference to the Great Crisis That We Are Facing." Good music at both services.

Hoke and Adams

It is conceded that Judge W. A. Hoke will be renominated to succeed himself as supreme court judge. For the place now held by Judge Brown, who has declined re-election, the friends in Chatham of Judge W. J. Adams, of Carthage, are urging his nomination, which, by all means, should be made.

Tuesday afternoon, while young C. C. Hamlet was mowing grass in the yard of his father, Mr. C. C. Hamlet, little Jasper (Billie) got in the way of the blade and was struck on the head near the temple, the point of the blade making a small flesh wound. He was not seriously hurt.

One of the agonies is about over.

Morrison for Governor.

Hill-Copeland Wedding

Friends here and elsewhere have received handsomely engraved invitations reading as follows:

"Mr. and Mrs. Arthur Sanford Copeland invite you to be present at the marriage of their daughter Hattie Wooten to

Mr. Nathaniel Maurice Hill, Jr., on Saturday evening, the twelfth of June at half after seven o'clock Queen Street Methodist Church, Kinston, North Carolina."

At home after twenty-fifth of June, Smithfield, North Carolina. The prospective groom is a son of Mr. and Mrs. N. M. Hill, of this place, at present being in business at Smithfield. He is to be congratulated on winning so lovely a bride.

Among the old soldiers from this section who attended the veterans reunion at Fayetteville this week were Messrs. W. B. Harper, J. J. Hackney, R. L. Sutphin, James Norwood, J. H. J. B. and J. W. Thomas, H. T. Clegg, C. C. Smith and W. A. Ellington.

The 14-year locusts have made their appearance here. One was shown The Record yesterday. With the scarcity of sugar, the high price of provisions and profiteers, it looks like we have enough to contend with.

Gaston Chevrolet, of Indianapolis, in a 500-mile automobile race Tuesday, won about \$25,000, making the 500 miles in 5 hours, 40 minutes and 15 seconds. His average speed was 86.15 miles an hour. More than 125,000 people witnessed the race which took place at Indianapolis.

Clad in prison denim, Eugene V. Debs accepted the socialist nomination for president of the United States, formally tendered to him by a committee from the Socialist party. He is in prison in Atlanta serving a sentence of ten years.

Two young ladies, Misses Helen Brown and Jessie Howard, walked from Durham to Chapel Hill, a distance of 12 miles, the other day, to witness a game of baseball. They made the trip in three hours without resting.

While en route to the Confederate veterans reunion at Fayetteville with the Granville county delegation, Howard Dorsey, a well known citizen of Oxford, died suddenly in the union station at Raleigh Tuesday.

Children found two kegs of liquor Sunday in New Bern, one of which contained ten gallons and the other less. The police seized it.

The three-weeks-old baby girl left in the local union station at Durham last Sunday was taken to the Watts hospital.

Cam Morrison for Governor.

A Wrecked Car

On last Saturday morning an automobile was brought to a garage with its top and windshield broken off, one of the lights smashed and other damages, caused from being turned over on the old stage road, in Hickory Mountain township, Friday afternoon. One of the occupants, Mr. Lacy Clark, a son of Mr. James Clark, of Hickory Mountain township, had three ribs broken and other painful injuries sustained. He was taken to Rex hospital, Raleigh, for treatment, where he is getting on very well.

Killed in Auto Wreck

Mrs. Ruby Dudley, of Raleigh, and Lizzie Hinesley, a child of 10 years, of Merry Oaks, were killed late Sunday afternoon when S. O. Dudley's motorcycle and side car collided with a car at Walnut creek, near Raleigh.

The child was killed outright but Mrs. Dudley, who is a Durham woman, lived a short while. Both drivers say they came together at a speed of about 20 miles.

Doping the Fishes

The fishes in South Buffalo creek must have had a grand and glorious time Saturday for during the morning hours no less than 170 gallons of confiscated moonshine liquor, the same kind that made the rabbit put the bull dog to rout, was poured into the city sewer line, which leads to the creek. —Greensboro News.

A Great Record

North Carolina measured up splendidly in the number of distinguished service crosses awarded in the late war. New York furnished 368,000 troops to the armies in France and won 613 D. S. C's. North Carolina furnished 73,000 men and won 173 D. S. C's.

North Carolina stood twenty-first among the states in the number of men furnished but seventh in the number of D. S. C. winners.

The 20th division, composed of troops from North and South Carolina, Tennessee and the District of Columbia, is credited with an even dozen medals of honor, the highest award in the gift of the nation, which is three more than any other division received; and the 30th also won 307 D. S. C's. The next divisions in order of honors were the 2d, 1st and 3d. —Rockingham Post-Dispatch.

Hanging in the Balance

Western civilization hangs today in the balance. Every gain that the race has made is threatened with destruction. Only a thin line separates France and England and Italy from the menace of barbarism. Upon our nation may devolve the responsibility of keeping the torch aflame. Upon the trained intelligence, the clarified insight and the disciplined will of our people in all likelihood will depend the fate of the world in the decades that are to come. First, last and all the time it is an educational problem. It is your problem and my problem; your duty and my duty. At no time in the history of our profession has the need for devoted, consecrated and united action been so imperative as it is today. Let us stand shoulder to shoulder with unbroken ranks and see the battle through to glorious victory. —Exchange.

Despite recent reductions in prices, little relief from the general reign of high prices is seen by the federal reserve board.

Does North Carolina Reward Her Servants?

Cameron Morrison Fought a Glorious Fight for the Cause of White Supremacy in North Carolina in 1898-1900 in Company With a Number of the State's Greatest Leaders and Statesmen

The state has shown its gratitude by giving to a number of these conspicuous leaders the highest offices in the gift of the people

Aycock, Governor.
Simmons, U. S. Senate.
Overman, U. S. Senate.
Glenn, Governor.
Kitchin, U. S. Congressman and Governor.
Craig, Governor.
Page, U. S. Congressman, 14 years.
MORRISON, the Thanks of the People.

As a clear thinker on public questions, he is without a superior in North Carolina.

As an orator he probably has no equal since Aycock.

As a bold champion of what he believes to be right, regardless of consequences to himself, he is unsurpassed.

He has been one of the guiding hands in framing the policies of the Democratic party in North Carolina, which have brought us such marvelous prosperity.

You can always tell where Morrison stands on every public question.

For more than twenty years he has devoted himself to public affairs and to upbuilding North Carolina, without asking for political office.

Morrison has given more time and thought to public questions than any other man of his age in the state.

Morrison is a candidate for governor in response to the demand of thousands of the solid and clear-headed farmers and business men, who realize that the times demand a strong man.

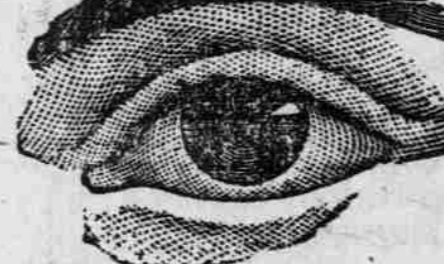

He was originally opposed to woman suffrage, and his record in the white supremacy campaign is sufficient to guarantee that he will safeguard the state against negro women voters.

He has declared himself in favor of keeping down taxes and
