Skin Sufferers Do Not Want Mere Temporary Relief

Of course, if you are content to have only temporary relief from the terrifying itching and burning of fiery, flaming skin diseases, then you are satisfied to remain a slave to ointments, lotions and other local remedies applied to the surface of the skin.

There is no remedy that gives more satisfactory results than S.S.S., the fine old blood remedy that goes down to the source of every blood disorder and routs out the germs which cause the trouble.

Real genuine relief from eczema, tetter, scaly eruptions or any other form of skin irritations cannot be expected until you free your blood of the germs which cause these disorders. And for this purpose

S.S.S. is sold by all druggists. Begin taking it today, and if you will write a complete history of your case, our medical director will give you expert advice without charge. Address Chief Medical Adviser, 155 Swift Laboratory, Atlanta, Ga.

TAKE ACTION TO BREAK WILL

Document is Defended by One Hundred and Nine of Principal Beneficiaries Under its Provisions.

Monroe.—One of the most interesting actions ever filed in Union county civil court will be called for trial, the 23rd day of February, when the action known locally as the "Ross will case" will come up. More than a hundred relatives of the late Maggie and Sallie Ross, maiden ladies of Sandy Ridge township, are attempting to break the will of these ladies by which a thousand acres of fine farming lands and several thousand dollars in money were bequeathed to three negroes. The action has created wide interest because of the amount involved, the number of caveators scattered throughout five or six counties and in South Carolina, and because of the unusual circumstances of maiden white women bequeathing practically all of their large estate to negroes.

The will is being defended by the principal beneficiaries under it and by R. B. Redwine and R. A. Hudson, executors. One hundred and nine persons have so far made themselves parties to the other side of the action and it is understood some 25 others will become parties before the action is disposed of.

Shelby.—Mr. Miner, representing the American Export and Import corporation has been in the county for a week or more soliciting subscriptions in low grade cotton in this new corporation and he has been quite successful, having received fully 150 bales from the farmers. The cotton is being shipped to a South Carolina port where it will be exported. Farmers in this section are holding fully 15,000 bales of cotton from the market.

Asheville.—Operating on the North Carolina-Tennessee border, within 35 miles of this city, and in the heart of the Blue Ridge mountains, a party of 20 federal prohibition agents, led by local agents and men from the two states, during the week past, have succeeded in capturing 16 stills, 20,000 gallons of beer, 200 gallons of whiskey and three alleged operators.

Hickory.—Catawba county farmers most of them subscribers of the Hickory Telephone company, met here and protested against the proposed increase of 50 cents a month on phones which the individuals purchased and keep in repair as well as the lines which they bought to connect with the larger system. Nearly 300 farmers were on hand.

Greensboro.—Approximately 75 automobiles, estimated to be worth about \$100,000 were destroyed by fire when the garage of Coble & Starr was destroyed. There was no insurance on the garage or automobiles except the machines owned and stored there by individuals. Three firemen were painfully burned by the explosion of a gasoline tank while fighting the flames.

Davidson.—Welcomed visitors, men met with glad smile and greeted cordially as they have moved from the southern end of town on northward through Davidson to the county line have been the squad of civil engineers and road surveyors completing the survey of the highway from Charlotte to the Iredell line, as ordered by the state highway commission.

Winston-Salem.—The chamber of commerce proposes to loan the city \$20,000 at six per cent interest, the money to be used in providing the business district with modern white way. The merchants' association will underwrite one-fourth the amount. The aldermen have the proposition under consideration and will likely accept it.

Lincolnton.—Passing through Lincoln county in an automobile said to be carrying 45 gallons of liquor, Dave Small of Charlotte, fell into the hands of the sheriff. Local police said Small was understood to have been enroute to Charlotte. He was placed in the Lincolnton jail awaiting trial.

\$50,000 Worth of Heart Balm. Fayetteville.—Fifty thousand dollars damages were awarded by a superior court jury here to Mrs. Daisy Watson Smith, for the alienation of her husband's affections by Mrs. Theresa Werner, of Atlanta, Ga., Mrs. Werner's husband J. L. Werner, residing in a northern state, was made a defendant in the suit. They gave Mrs. Smith \$30,000 as compensation for her suffering and for the alienation of the affections of her husband and \$20,000 punitive damages.

Store and Post Office Robbed. Lexington.—Removing a window sash, robbers entered the store of J. L. Fitzgerald, at Linwood, six miles south of here, lighted a lamp, robbed the store and postoffice and got away without detection, although an occupied residence is situated within about 30 feet of the building. The robbers took several dollars in pennies and some goods.

The fourth class postoffice, of which Mr. Fitzgerald is postmaster, is located in the rear of the store and entrance was made through this.

Unused Water Power. Fifty million horse power comprises the total, both steam-and water generated, now in use in the United States. It is conservatively estimated that as much more can be developed by utilization of the water power resources. The Department of the Interior has placed the potential water power at 60,000,000 horse power, of which only 10,000,000 is now developed. This saves the country more than 80,000,000 tons of coal annually.

CALOMEL DANGER TOLD BY DODSON

Says You Cannot Gripe, Sicken, or Salivate Yourself if You Take "Dodson's Liver Tone" Instead

Calomel loses you a day! You know what calomel is. It's mercury; quick-silver. Calomel is dangerous. It crashes into sour bile like dynamite, cramping and sickening you. Calomel attacks the bones and should never be put into your system.

When you feel bilious, sluggish, constipated and all knocked out and believe you need a dose of dangerous calomel just remember that your druggist sells for a few cents a large bottle of Dodson's Liver Tone, which is

entirely vegetable and pleasant to take and is a perfect substitute for calomel. It is guaranteed to start your liver without stirring you up inside, and can not salivate.

Don't take calomel! It can not be trusted any more than a leopard or a wild cat. Take Dodson's Liver Tone, which straightens you right up and makes you feel fine. Give it to the children because it is perfectly harmless and doesn't gripe.—Adv.

Appropriate. "Why do you call flying machines 'nobos of the air'?" "Because they have no visible means of support."
