

If You Fail to Attend YOUR COUNTY FAIR in Siler City on October 25, 26, 27 and 28, You Will Not Respond to an Important Duty

THE RECORD is read every week by almost everybody that's anybody.

THE CHATHAM RECORD

THE RECORD is the paper that's in every home, and the only paper in many homes.

ESTABLISHED SEPT. 19, 1878.

PITTSBORO, N. C., CHATHAM CO., THURSDAY, OCTOBER 18, 1921

VOL. XLIV NO. 11

MR. CLARK

Marriage of Popular Young Couple at Wakefield.

Miss Mabel Elizabeth Clark of this place, and Mr. H. J. Ihrie, Jr., of Wendell, were quietly married today at the home of the bride. The ceremony was performed by Rev. Mr. Fisher, of the Methodist church, the ring ceremony being used. Only relatives and intimate friends were present.

Immediately after the ceremony the bride and groom left by motor for Lenoir. They were accompanied by Misses Mildred Clark, Bessie Clark and Kate Hill Ihrie and Messrs. Hubert Clark, Ross Ihrie, Vance Nowell and Claude Baker.

Mr. and Mrs. Will Murphy, of Lenoir, served a wedding supper to the bridal party and a few invited guests.

Mrs. Ihrie is the elder daughter of Mr. and Mrs. J. A. Clark, of Wakefield, and is a most attractive young lady.

Mr. Ihrie is the elder son of Dr. J. H. Ihrie, formerly of this place, and is a prosperous farmer of Wendell.

They have a wide circle of friends throughout the state who will wish for them much happiness.

Miss Kate Hill Ihrie entertained informally on Oct. 1st at her home in Wendell, at a "kitchen shower" in honor of the bride-elect.

Wakefield, N. C., Oct. 5.

Be Sure You Go.

Next Wednesday night at the Raleigh auditorium Titto Ruffo will be the center of attraction and on Thursday night Frances Alda will be on the stage. If you want to have a real treat hear them both.

Send Him Your Address.

Mr. Fred W. Bynum who is now living at Rockingham, N. C., requests the Record to state that he has been paying a fourth dividend of 12 1/2 per cent to the depositors of the Bank of Merry Oaks whose address he has been sure of. There are several who have died or changed their address since he paid a third dividend and if all persons entitled to the fourth dividend will write to him at Rockingham, N. C., he will be glad to send them what is due them.

Up to The Standard.

The picture program was good at the school house last Thursday night and the building was filled with folks. This agency is one of the greatest ever devised by the State to get the people of a community together, therefore will result in much good in many ways.

We would urge upon the people everywhere to take advantage of this opportunity of coming together and at the same time witnessing pictures of an elevating kind.

The program will be given at Bynum tomorrow night, Ore Hill Monday night, McManus Tuesday night and at Eastern Academy Wednesday night. Go and see Mutt & Jeff, The Cricket on the Heath, New England Coast Scenes and, Marts of Commerce.

Our Own Fair.

Now, folks, we are to have a Fair in Chatham county. The Record has told you about it for several weeks and we want you to go. It is not a one man affair. It is a big event for Chatham county. It is to be held in Siler City, beginning on Monday, October 25 and ending Friday, the 28th. If you do not participate in that Fair you will lose an opportunity to assist in a beneficial enterprise. Take your exhibits there and then attend the Fair yourself and look over the things your neighbors have on display.

MT. ZION.

Paul Thomas returned home Monday after a few days visit at Norfolk.

Carey Griffin spent the week-end at Raleigh.

Lee Harmon, Ola Harmon and Mrs. W. W. Stedman spent Saturday in Raleigh.

The crowd at church Sunday was very good. Mr. Boone preached a most helpful sermon. We are always anxious for the time for him to preach for us.

Lee Harmon and Carey Griffin went opossum hunting Friday night and caught eight nice ones. Who can beat that?

The farmers are having beautiful moonshiny nights for corn shuckings which are being held most every night. This is a glad time of year. The men enjoy shucking their neighbors' corn and also eating the best suppers that are prepared during the year.

A. L. O.

Eclipse of Moon.

Blum's Almanac says that on next Sunday, October 16th, beginning at 4:14 in the afternoon, there will be a partial eclipse of the moon, visible in the United States, standard eastern time. The middle or greatest of the eclipse will be at 5:54, ending at 7:34 in the afternoon.

SURPRISE SHOWER.

New Home of Dr. Farrell Invaded by Friends Friday Night.

The new and attractive home of Dr. and Mrs. Roscoe Farrell was visited by their many friends on last Friday night and they were flooded with gifts of desirable quality.

The affair was planned several days in advance and they were taken by surprise when so many people began to gather, when finally practically the whole town was represented.

This popular young couple had just moved into their new home in the eastern part of town and of course feel the effects of the manifestation of friendship shown them.

The new home recently build by Dr. Farrell is a splendid one and when finally completed will add materially not only to the comfort of the owners but to the beauty of that section of town in which it is located.

The Record joins the many folks who wish this young couple success and happiness through life.

Mrs. John H. Anderson, acting as hostess for the N. C. Division at the general session of the Royal Arch Masons, was presented a necklace by the ladies, principally from Missouri. The gift was made from North Carolina stones.

CORINTH

Cotton picking is about completed this time with no frost and no rain. The dry weather cut down the yield but there will be very little yellow cotton. This with the continued good market will make the net returns very acceptable to our people.

And now that cotton picking is over, we are ready to begin schools. The lower end of Cape Fear township will conduct 4 schools this term, Brickhaven, Corinth, Truth and Cross. All will be two teacher schools except Cross which is only one teacher. Seven teachers in all, enough to enable Mr. Thompson to establish a teachers reading circle here within the community. Three years ago this same community supported only 3 teachers and only one teacher schools at that. A jump from 3 teachers to 7 teachers in a rural community in 3 years. We look upon this march of progress with pride but we think that there is a much greater opportunity just ahead that should naturally follow. How about consolidating these schools. Here is something that merits the serious consideration of every one of us.

The Corinth Betterment Association conducted a successful pie social at the school house last Saturday night. With Mrs. Hillary Marks at the piano we enjoyed another of our many good "song feasts" and incidentally after all had had a good time and Joe Lawrence had cornered and eaten all, or most all, of the good pies, the Betterment banked \$15.

F. M. Nash and family returned last week from a camping trip in (and out) a Ford across the Blue Ridge the Great Smoky and the Cumberland mountains to the Mammoth Cave, Ky. It was some trip full of thrills (and bills) all the way, but more about that another time. The following Ford record though is of interest: 1903 miles traveled, 99 gallons of gasoline and 81 quarts of oil used, one blow out and one broken front spring. Try it yourself. It is a great trip.

Mrs. W. A. Allen and little son of Ellerbe, are visiting at the home of her parents, Mr. and Mrs. D. A. Clark.

Miss Attie Keith, of Apex, is visiting at the home of Mr. T. N. Gunter.

Ahead of Record.

According to Special Agent N. A. Perry, there has been ginned in Chatham, of the 1921 crop of cotton prior to Sept. 25, this year 915 bales. For the same date last year only 5 bales had been ginned.

Wise-Otherwise

Stolen Paragraphs Localized by the Editor to Tease His Friends

There are two kinds of men—wise and otherwise.

It is great wisdom to proportion our esteem to the nature of the thing. If we suffer little things to have great hold on us, we shall be as much transported for them as if they deserved it.

Most women are guided by instinct, but a few refuse to be guided at all.

The day of the soap box orator is passed. Boxes are too expensive.

The high cost of everything prevents the advent of the low cost of anything.

That fellow feeling causes a few people to quickly recognize the grunt of a hog.

If this country keeps on turning out millionaires a fellow will soon have to be stone broke in order to be aristocratic.

Stingy people will even give you a piece of their minds.

Some of those eggs they call "strictly fresh" are more than that—they're actually impudent.

Remember the steam kettle—though up to its neck in hot water, it continues to sing.

Misery ceases to love its company when they stay for dinner.

A doctor should not charge for advice if one refuses to take it.

If a lot of folks in Pittsboro were as bad as you think, they would be worse than they are.

A Friend Indeed.

S. P. Teague, of Siler City, R. F. D., has again remembered us in a substantial way, bringing to our home a quantity of pears and Fall vegetables for us to eat.

Pay The Fare.

We are highly pleased to note that so many counties over the state are furnishing fare for the old Confederate Veterans to attend the reunion in Chattanooga, Tenn. We understand that the Commissioners of Chatham contemplate doing the same thing. It should be done and we commend them for the intention.

S. S. Picnic.

The Sunday School class of Mrs. H. T. Chaplin greatly enjoyed a picnic Saturday afternoon at the pool. The girls gathered small sticks and trash, building a fire and while gathered around it they told stories, toasted sausage and served sandwiches. En route home they gathered nuts, and each one also brought home a twig of cedar as a souvenir of the picnic.

Yes It's Half P's.

There is nothing like going away from home for the news. From far away North Carolina via Pittsboro Record, editor Shaw sends out the following information: "Red pepper is so called because it is pepper and it is red." Wonder if that kind of pepper is half p's! Oh, Shaw!—Worth County (Iowa) Index.

It is also like the old home pepper too! Stickle, it is first white; then black and then read all over.

Nonchalant.

As opossum law is out, quite a number of the Corinth "associates" went out for big game Thursday night of last week, but as some of the boys that were in the company were so much interested in their love affairs they lost their trail.

CHAMBER COMMERCE

To Meet Next Friday Night in Court House—Important Business.

Owing to the fact that the surprise shower was held last Friday night at the home of Dr. Farrell, the Chamber of Commerce failed to garner a quorum, therefore the meeting was abandoned to be called together tomorrow night (Friday) for the transaction of much important business.

The railroad venture from Bonlee to Pittsboro is up for consideration, the electric light proposition needs further attention and there are many things that should be discussed and acted upon.

Therefore it is very urgent that everyone that can possibly do so be present at this meeting. Lay aside personal affairs for a little while and come out and let's discuss these matters.

Everybody invited. It is an open meeting for the public, ladies especially requested to be present.

Meet December 6th.

Governor Morrison announced last Thursday that he would issue the formal call for the special session of the Legislature within the next few days. He expressed regret at the necessity of the session, but said he saw no escape. It is scheduled to convene December 6th.

Get The Farmer Now.

The Record still has an arrangement whereby we can have the Progressive Farmer sent to your address for 50c. a year. Better take advantage of the offer while it holds good. Just \$1.50 pays for both The Record and the Progressive Farmer.

To Meet Saturday.

The Laymen's Missionary Movement of the Fayetteville Presbytery; will meet for permanent organization with the First Presbyterian church of Fayetteville, Saturday, Oct. 15th, at 11 o'clock, a. m. F. L. Slaymaker, Secretary of the Laymen's Missionary Movement, of Athens, Ga., will deliver the principal address.

A. C. Ray, appointed by Presbytery as chairman of this committee on organization, will attend in person, and it is desired that a large delegation of laymen from each of the 113 churches in this presbytery attend.
