Just One Mouthful
In the stomach of a shark recently captured off Australia were found a mustard tin and the lemonade bottle and a woman's bathing suit. The mustard tin and the lemonade bottle might be a little difficult to get down, but surely it wouldn't call for the gulping ability of a shark to swallow a woman's bathing suit nowadays.

The True Friend.
Jud Tunkins says a friend indeed is a man who can not only give good advice, but lend a hand in helping it to work out.

Arctic Travel Note.

Preserve Scottish Phrases.
The Scotch origin of many north of Ireland families is skown by the common words in use. Both speak of a burn, but in both Scotland and Ulster the phrase wee stream is much more likely to be heard.

Taste is a matter of tobacco quality

We state it as our honest belief that the tobaccos used in Chesterfield are of finer quality (and hence of better taste) than in any other cigarette at the price.
