CORINTH

How is this for sporting news? Henry and Phil Harrington went bird hunting Wednesday and came in with 24 birds, a duck, 3 rabbits and some squirrels thrown in for good measure.

Jarvis Cross got out one day with his shot gun and turkey yelper and came in with two real wild turkeys, one of them a 20 pound gobbler. And last but by far not least, Lonnie Mims and old Bob (a one-eyed, bob-tailed antediluvian pup) stepped out in the woods from Mr. Lonnie's back door and in a short time came in with 4 big fat smiling 'possums. As Bob is 12 years old and Mr. Lonnie 250 pounds big this was some possum hunt.

Messrs. J. A. Jones, Carlos Morrquin, Willard and Rosemond, all from Raleigh, are located at Buckhorn for a few weeks on some special repair work.

On last Thursday night J. A. Jones rigged up in our office a radio-telephone receiving outfit and in a few minutes we tuned in with the sending station at Pittsburg, Pa., and could hear very distinctly the market reports, weather forecasts, and best of all a concert that was then being given at some hall in Pittsburg. A little later on we going to have a receiving set permanently installed at Buckhorn so all ye Chathamites that want the news hot right off the bat as we snatch it from the skies, call us up and get it.

Don't forget the F. A. D. S. special music program in connection with the regular moving pictures at Corinth Dec 20.

Layton Genter from Miss Bland's room represented the Corinth school in the spelling contest at Pittsboro last Friday.

The Corinth-Brickhaven Community Club was re-organized Nov. 15th at Corinth school house. Officers elected were F. M. Nash chairman, Mrs. T. J. Harrington vice-chairman, O. C. Kennedy Sec. and Treas. Meetings will be held every two weeks on Tuesday night, alternating between Corinth and Brickhaven.

Dr. Fuquay will be at Corinth school house Saturday, Nov. 26, to conduct the Dental Clinic for this school district. Good teeth are a very essential part of any child's good health and all parents or patrons are urged to have all children between ages 6 and 12 there and let Dr. Fuquay look over their teeth and do any work on them that may be needed.

Mrs. R. L. Wilson and children are spending this week with Mr. and Mrs. W. A. Allen at Ellerbe.

Amos Rollins says that it is an ill wind that blows no one any good, for Mr. and Mrs. S. W. Harrington prepared a big 'possum-turkey and cranberry sauce dinner for some distinguished visitors last Sunday and the visitors failed to appear. So Mr. and Mrs. Rollins were called in to fill the vacant chairs. Mr. Harrington says that the next time he calls Amos in to dine that he is going to have more than one 'possum and two or three turkeys and get him filled up for once.

Mrs. Nat Avent has just returned from a week's visit with relatives at Raeford and Aberdeen.

Wilber Clark is spending the week with his uncle Roy Cole, at Chapel Hill.

Coley Clark has gone to Ellerbe to live with his sister, Mrs. W. A. Allen, and attend school there.

Mr. P. LaDuke, Farmer, Says, "You Bet Rats Can Bite Through Metal." "I had feed bins lined with zinc last year, rats got through pretty soon. Was out \$18. A \$1.25 pkg. of RAT-SNAP killed so many rats that I've never been without it since. Our collie dog never touched RAT-SNAP." You try it. Three sizes, 35c, 65c, \$1.25. Sold and guaranteed by W. L. London & Son and Pilkington Pharmacy.

NEW HILL.

There was a game of ball between Merry Oaks and Gardner's Academy Friday, Nov. 18, on Gardner's ground. The score was 7 to 2 in Gardner's favor. Although the baseball season is over it was very much enjoyed.

Mr. and Mrs. C. J. Beckwith and Miss Hilda Lasater motored to Raleigh last week where they spent several days.

Miss Mozell Poe is in Watts hospital, Durham, where she underwent an operation last week for appendicitis. She is getting along nicely. We hope in a few days she will be home.

Messrs. W. T. Mann and Millard Goodwin spent several days last week visiting T. Mann and family at Hillsboro.

Mrs. Maggie Thomas has returned to her home after spending a while with her son in Lee county.

One day last week Newt Thomas went hunting and killed a fine turkey weighing 16 pounds. He said the turkey looked like a top buggy.

Mr. and Mrs. Johnson Geagrove and children, Ruby and Ethel Geagrove, of Raleigh, are expected here to spend Thanksgiving with Mrs. Geagrove's mother, Mrs. Bettie Goodwin.

Miss Gertrude Ray spent the week-end with relatives near Sanford.

Miss Clara Moore spent the week-end at home.

The road Mr. Johnson and Co. have been working from J. L. Goodwin's to Ebernezer church, is now completed and we have a nice road.

COUNTY HOME SECTION.

Clyde Griffin and Thomas Hamlet were in this section Sunday night.

A. B. Roberson, wife and son, Eugene, and Mrs. F. L. May, spent the week-end at Buie's Creek visiting relatives.

A few nights ago Jack Burns, Roscoe Johnston, and Oren and John Knox Roberson went hunting, treed three times and caught four opossums. They caught two up one tree, one weighed eight pounds and the other two pounds. Who can beat that?

Lonnie Brooks, who has been sick for several days is getting better.

We had a nice rain Sunday. It was a great help toward wheat sowing.

Daily Thought.

You were made for enjoyment, and the world was filled with things which you will enjoy, unless you are too proud to be pleased with them, or too grasping to care for what you cannot turn to other account than mere delight.—Ruskin.

But Why the Hurry? A young English girl of socially prominent parents, being asked by her teacher what R. S. V. F. meant, replied, "Rush in, Shake and Vanish Pleasantly."

To Kill Moths.

A few drops of your favorite perfume dropped on small pieces of pumice stone and laid among clothes will drive moths away and give a delicate odor to your garments.—Thrift Magazine.

Americans Find Armenians Victims of Circumstances, not Beggars

The Armenian government would soon be able to work out its own salvation if it could enjoy a brief period of peace, in the opinion of an American Commission which has just returned to the United States after an exhaustive survey of the situation in the Levant. This Commission, which was sent out by the Near East Relief, made a personal inspection of conditions from Syria to the Caucasus Mountains. In addition, the reports of relief workers who have been long on the field and of government officials, carefully examined.

A Victim of Scabies, Nearly as Prevalent as Starvation.

Homeless Waifs at Erivan Railroad Station.

"Time after time since the outbreak of the world war, the Armenians have made a brave attempt to cultivate their land. And time after time some new disorder has prevented them from gathering their crops or laid waste their fields before the grain has ripened and been gathered in.

"After two years of American relief activity it seemed last fall as if we would be able to reduce our program in Russian Armenia to the care of the children we had gathered into our orphanages. But then came the new invasion, crops were trampled down in the fields, live stock was carried off, and the peasant population were driven from their homes.

We may not be able to save all of the helpless refugees who are now crowded in this territory, but we certainly cannot desert the hundred thousand orphan children who are now in our orphanages or under our protection in the Caucasus, Anatolia, Cilicia and other devastated areas of the Near East. Last spring when our supplies ran low, 3,000 of these children died out of a total of 20,000 in one of our orphanages. These children are absolutely dependent upon aid from America and will perish if our aid is withheld.

Next year, if further chaos can be avoided, possibly we will be able to reduce our program, but prompt action is necessary now or for thousands there will be no next year."
