Endorses Dark.

During the past week The Record has received letters from Mr. Mann Mr. Durham, and several other leading men endorsing Zeb. L. Dark for Commissioner, but owing to the de-mand on us for space it is impossible to publish them all. We have "set" the paper for the past two or three weeks in "solid" 8 point (to use the printers' expressions) and then we have not been able to get all in that we would like, owing to the fact that so many people want advertisements

each week. Every letter that we have received states that Mr. Dark is a most excellent young man and that he is economical and possesses ability to qualify as a Commissioner.

It occurs to most of these writers that his selection would be opportune inasmuch as Hadley township has never had a representation, and we concur in their opinion. It's one of the reasons that we brought Dark out and we were apprised of his ability as well.

THIS IS ENCOURAGING.

Short Time Ago There Was Much Idleness From Necessity.

A week or two ago work started around the court house preparatory to laying cement walks. As Mr. Harmon could not get enough hands the work had to be stopped. Since then he has tried to get help and every man he has asked to help him was employed.

This is a very encouraging sign and times are fast improving.

to 110 pounds. It is not only in Pittsboro that the scales are wrong, but it is so in every town. They should certainly be tested and made to weigh right.

MARRIAGE LICENSES.

Marriage licenses were issued to the following couples during the month of April, 1922:

C. B. Atwater and Berta Andrews Mahlon H. Woody and Gertrude Fiske, C. C. Wright and Alma Andrew, Phil Kidd and Hattie Smith, Thomas Poe and Cornelia Cole, W. A. Andrew and Lizzie Stout, Claude W. Jordan and Blanche Jones, H. T. Churchill and Betsie Churchill. Colored.

A Matthews and Lila Brooks, Joe Headen and Eula Siler, John Fearrington and Martha Scurlock, W. M. Crump and Vara Rains, Frank Thomas and Lenora Wilson, George Crum and Dora Williams.

The colored people did better in April, not one was married in March.

In an editorial in the Carolina Banner, of April 26th, we find the following:

"If Lee county is entitled to this honor this time, and we think it is, then Mr. Williams is the logical candidate. An able lawyer and forceful speaker, he would make a vigorous prosecutor and would be a credit to Lee county and the District."

The above expresses pretty well the sentiment in the entire district, and particularly so in Chatham county, so far as we have been able to learn, and we have consulted leaders in almost every township in Chatham.

Get busy folks. Let's elect Williams and go after the law violaters with a vengeance. We need him, want him and must him as our next solicitor.
