'In a door of a little hut 80 miles from Point Barrow, in the Arctic wastes, stands the grizzled and grag explorer, Capt. Amundsen, awaiting what seems an opportune hour during the Long Polar night for the first air-plane hight over the Top of the World-to the North Pole.

These exclusive photographs are the first brought back of the hearty Norwegian explorer since he ship "Maud" anchored off Point Hope. Lower picture show Capt. Amundsen helping his crew unload the motors for his airplane. To the right, Capt. Amundsen in the door of his but at Wainright. Amundsen will fly an American all-metal plane.

## **REPORT OF ROAD COMMISSION.** SOME GOOD NEWS. October Meeting Held on The Ninth Shoo in Pittsbore. Fly to be Restored November First—Raleigh - Hamlet. The board of road commissioners met on October 9th and paid the fol-lowing accounts: Trains Nos. 41 and 44, S. A. L., be-tween Raleigh and Hamlet, (the shoo fly), are to be put back on their regular run November 1st. This will be good news to the traveling public, es-pecially many of our people who do a B. M.
