Old County Home Sold.

The old county home property, containing 560 acres, was sold at auction on the 21st of this month, by Allen A trustin' and a clingin, Bros., of Raleigh, and brought \$4,
87.95, Messrs. W. S. Murchison, of Raleigh, and J. A. Woody, of Hickory down, Mountain, being the purchasers. The timber on the big tract of land was also sold. This brought \$4,050.

The price paid for this land and timber is said to be the highest price paid for any land sold at auction in Chatham, considering the location.

A GOOD SHOWING.

In the reports of the presiding elders of the Methodist Conference, held at Elizabeth City last week, presiding Elder R. H. Willis, of the Fayette-ville district, reported that his district led in the Advocate campaign and that there had been 924 accessions on profession of faith and a net increase of 950. There are secen building enterprises and others to begin early in the year.

The boys were arrested by officers who found them strapping on an extra tire to the car. Conflicting statements relative to the possession of the car finally resulted in an admission to the Danville police, that they had taken the car from its parked place in Durham.

The Record was in error in saying that Mr. Beard had just finished paying for the car, last week. He bought it in January and paid cash for it.

GOOD CHRISTMAS GIFT.

A young man was in our office a few days ago and said that he wanted to make a gift to a young lady and he had decided that she would appreciate The Record more than anything else as she was away at school, and Last week we left out a good letter he wanted it sent to her address. Every year we send The Record to a number of people as a Christmas gift from their friends and relatives. Now is the time to begin to think about moved away or who lives in the county, for that matter, that you want to give a present that will continue throughout the year, think of The Record. It is the best that you can give as a constant reminder; the recipient will think of you every week on its arrival.

thanks and express their heartfelt gratitude for the many blessings our Saviour has bestowed upon us during the year. We have a great deal more to be thankful for than the Pilgrims had when they celebrated the first Thanksgiving in America; yet they had the spirit of thanksgiving. The first

day set apart for everybody to give

thanksgiving, however, was not merely a feast—there were prayers and sermons and songs and praise. Next Sunday afternoon is our regular preaching day. Services will be

conducted by the pastor, Rev. J. J. Boone. Rev. A. S. Barnes, superintendent of the Methodist Orphanage at Raleigh, has asked each Sunday school to make a Thanksgiving offering. That is, for each member to give the amount of money he or she makes in one day. The Mt. Zion Sunday school will take the collection next Sunday

for this purpose. We hope all the members will contribute willingly and liberally to this worthy cause.
