

THE CHATHAM RECORD

ESTABLISHED SEPTEMBER 19, 1878.

PITTSBORO, N. C., CHATHAM COUNTY, THURSDAY, AUGUST 7, 1924.

NUMBER 9.

WHY DECEIVE ANYONE?

Cape Fear School Proposition Smacks of Wire Pulling by Someone.

For sometime the patrons of the Cross, Truth, Corinth and Brickhaven schools have made an effort to decipher some means whereby they could consolidate a district and secure a standard high school, or in some way better their facilities to meet the requirements of that particular forward and advanced section of Chatham county. Devoted and sundry suggestions have been made and methods undertaken.

Within recent weeks it was generally agreed by practically everyone in that section to unite on the establishment of a junior high school. The superintendent of public instruction agreed to give them an election and everything was running pretty to that end until county attorney Wade Barber and superintendent of public instruction, Reid Thompson made a trip to the section in question and informed the people in general that this could not be done as it would be illegal.

Naturally those folks were overwhelmingly disappointed. However they saw the attorney general and others supposed to know and opinions were expressed that it would be perfectly legitimate for the people to vote on the question. Again their plea was presented but they had little encouragement.

Now an election has been called. J. D. Melver has been appointed as registrar and T. F. Ragland and A. M. Marks as poll holders, with the election to be held on Monday, September 8, 1924. The notice of the election is being printed in a paper in the western part of Chatham that has a negligible circulation, recently established and has no readers whatever in the territory involved.

Now, then, why should this apparent secrecy prevail? Is it an effort to call the election, let the day pass and declare the result unsatisfactory and yet hold to the fact that the duty of those in authority was performed? We hope not. There is absolutely little sense in autocracy in any matter in which the general welfare of the people are concerned.

It has been suggested that perhaps the advertisement was sent to the paper in the western part of the county, as far removed as possible from the district involved, as the paper is on the edge of Randolph county line, and the place of election is on the Wake and Harnett county line, because of the ill feeling toward the Chatham Record by little office-holders. Surely this could not be the case as it involves a very small amount from a monetary standpoint and the Record does not cater to small accounts.

If this should be true then it is time to put somebody out and change our form of procedure, because those good people in lower Cape Fear township certainly deserve more consideration than has been given them. It appears that those in the 2x4 class are determined to force these good people into Lee county whether they want to go or not. Patience cannot always be a virtue.

NEWS ITEMS FROM FROSTY.

Frosty, August 4.—Little Lovett and Ola Mann spent last week with their aunt, Mrs. J. F. Thompson in Chapel Hill.

RUSTIC.

DOGS IN PITTSBORO.

There are too many loose dogs in Pittsboro. Mad dogs have been seen in several places in the county recently, and one or two have been shot. When a dog runs amuck here the town authorities generally put a fine on the owners of the dogs unless the dogs are muzzled when they are with the owners. Consequently when this is done dogs get scarce.

THE GRAND JURY REPORT.

Find County Home, County Offices, Jail and Prison Camps Alright.

The grand jury for the criminal term of July court made their report on Thursday of last week and were discharged for the term. The report is as follows:

To His Honor, M. V. Barnhill:

We, the grand jury, beg leave to make the following report:

We have examined and passed upon all the bills presented to us and returned the same.

We visited in a body all the county offices and found them well and neatly kept. The books are well kept and everything about the offices seem to be in good shape. So far as we are able to find the tax money seems to be wisely and judiciously spent.

A committee of nine visited the county home and found eighteen inmates, nine white and nine colored. They are being well cared for and seem to be satisfied and enjoying their new home and appreciate for what is being done for them. We also find two mules, seven cattle, sixteen hogs, eleven acres of good corn, five acres of soy beans, garden and truck patches, all in excellent condition. We find the grounds well kept and the trees within reach of the building has been removed as recommended by the May grand jury. We wish to commend superintendent and Mrs. Johnson for their excellent care for these unfortunate people.

We visited the jail in a body and find the prisoners well fed and cared for. We found the jail clean and in a sanitary condition.

A committee of six visited the county convict camp and find there are eighteen prisoners, fifteen colored and three white. They have a good location and comfortable quarters. There are seventeen head of stock all of which is in good shape. The prisoners were examined privately and made no complaint of being abused or mistreated in any way by the superintendent. We would like to commend Mr. Harmon for his program of road building in the county.

We wish to commend all the county officers for their faithful performance of duty and especially do we commend sheriff Blair and his deputies for their untiring energy and fearless performance of duty in ridding the county of the illicit liquor traffic and we most earnestly ask the cooperation of all law abiding citizens in aiding the officers in the performance of their duty.

A HEAVY RAIN STORM SUNDAY.

Much Damage to Crops and to Highways Bridges in Chatham.

Saturday night there was considerable rain in the proximity of Pittsboro, spreading on Sunday morning to section north and west of the county seat.

For several hours Sunday morning there was a constant, heavy down pour of rain, and the creeks and rivers suddenly became a roaring mass of flood waters.

The road to Siler City, route No. 75, was damaged some two thousand dollars worth between Pittsboro and Kimbolton. The top soil was washed away and the approach to bridges left badly damaged, while the crops in this section were damaged fearfully. There was much wind, although not of great velocity, yet it damaged the corn crop badly.

The scope of the cloud tended north of Pittsboro and the section between Chatham and Orange counties suffered the greatest of any report we have received.

Haw river at Bynum rose to within four feet of the high water mark made in the freshet of 1908. Pokeberry creek, two miles north of Bynum, rose over the concrete highway bridge and the approaches were badly washed away, taking the guard rails with the water and leaving the road sides filled with debris and destroying the low land crops adjacent thereto.

At Obeyes creek, three miles south of Chapel Hill (Pittsboro road) the fill on each side of the bridge was washed out.

The greater damage was done to the bridge, however, at Morgan's creek, two miles of Chapel Hill. Here the big fill was washed away for a distance of 30 feet on each side of the concrete bridge, and this will block traffic for several days, pending repairs.

Water flowed to a depth of four feet over this bridge and washed completely away the famous old Purefoy's grist mill that had withstood the freshets and storms for the past 75 years. Two hundred yards below the concrete bridge stood the county steel bridge in use before the new highway was built, and this steel bridge was washed away.

This is the worst storm of rain that has visited this section since 1908, and the damage in money value is far in excess of the former freshet.

No serious damage to stock or crops has been reported to this office at the time of going to press on Tuesday.

A BIG MEETING AT BONLEE.

Dr. F. D. King, of Sanford, Florida, Will Assist The Pastor.

Beginning next Sunday, August 10, a series of meetings will begin at the Bonlee Baptist church, at Bonlee, N. C., and will be continued for several days. Services will be held each day at 3 o'clock p. m., and at 8 o'clock p. m.

The Evangelistic Club of Sanford will hold the meeting on Sunday, the 10th, an all day service being conducted and dinner will be served on the ground.

Rev. F. D. King, of Sanford, Florida, will assist the pastor, Rev. J. H. Broom, during the meeting. He has conducted meetings in some of the largest cities in the south with great success. Everyone will be delighted with Rev. King, and the pastor and members of the Bonlee Baptist church have asked The Chatham Record to publish an invitation to the people of Chatham county to be present.

Remember the time—beginning on next Sunday, August 10th.

CARS TURN TURTLE SUNDAY.

Sunday afternoon Mr. J. M. Andrews came very near having a serious wreck near the home of Mr. Rufus Johnson, when he made too quick a turn to leave the road and ran off the bridge, the car turning over. His sister, Miss Irena and two other ladies were in the car at the time. Miss Andrews was hurt quite seriously, it was thought. She was taken to the residence of Mr. Johnson and friends tried to get a physician but were unable to do so. We learn that the lady was later taken to her home near Riggsbee and that while she is suffering some, she is not in immediate danger. None of the rest of the passengers in the car were hurt aside from the shock.

A life without a friend is like a life without a sun.

Childrens Day at Buckhorn Quite a Success—Mr. Skipper Injured.

Corinth, August 4.—Mr. M. I. Ellis and family, of Bonlee, spent Sunday with their parents, Mr. and Mrs. S. W. Harrington.

Two year old Edwin Cross, son of W. H. Cross at Buckhorn, has left the hospital at Raleigh, but is still under the care of his doctor. We are indeed glad to say that he will soon be able to come back home. Edwin and Hubert, Jr., will now make their home with their grand mother Harrington.

Hays Harrington in his stoical way, usually accepts matters as they present themselves and does not worry about any of them. He is 13 years old. Last week he got mixed up in two Ford shakeups—one time he ran through a fence and climbed part way up a big tree before he "came to." Then he climbed out of what was once a Ford, shook himself, smiled his usual smile and walked on home as unconcerned and undisturbed as the he had only ran over a corn stalk.

H. S. Skipper had a serious mishap near Vass on his way home to South Carolina last Saturday night. He was brought back with a broken hand and a badly bruised leg but will not be permanently injured. Harvey says he was not driving fast and that a big, new truck, with a drunken driver, was passing him (not meeting him) and struck his Ford square in the center.

Why are these liquor crazed, human devils, allowed to try to drive cars, and then let off with a small fine, when they strike terror, destruction and death to a peaceful, unsuspecting people on our public highways?

In the first place, the wretch cannot obtain his liquor at all when one-half or even less of the people of our land see fit to do ALL THEY CAN to uphold our national and state laws, and stamp out the liquor traffic.

In the second place, the wretch will think twice before he tanks up and starts out on his death dealing tirade if he knew that to be caught under the influence of liquor meant a term on the chain gang. Our present laws provide this penalty but our present officers and courts do not often enforce it.

Children's Day at Buckhorn church turned out to be quite a success in spite of the rain and the absence of the superintendent, Mr. Mallie Rollins.

The promised speakers did not all show up, so some "local second choices" had to be worked into the program. We were looking for V. R. Johnson and Daniel L. Bell from Pittsboro, but they did not show up. We can assure these distinguished gentlemen that they sure missed a sumptuous and delightful dinner that was spread in the church yard.

Mr. J. E. Gunter, of Durham, whose people all came from this section, was the principal speaker and his talk was splendid. The children came up with their parts in great shape, as they always do, for it was "Childrens Day." The surprise to us was the music class, conducted by Mr. Gardner, a music teacher who is now teaching in our community. The singing under his leadership was an inspiration.

FARRELL REUNION POSTPONED.

On account of the heavy rain which fell Sunday it drowned out the Farrell reunion, which was to have taken place at Hanks Chapel Christian church Sunday. Some 200 or more braved the weather and came to enjoy the day, but the reunion was postponed until the second Sunday in September.

BRICKHAVEN TEAM WINS GAME.

Endeavorers Will Hold Consecration Meet Sunday—Local and Personal

Brickhaven, August 4.—Miss Mary Bland, of Pittsboro, was the guest last week of friends here and at Corinth.

Mr. and Mrs. Kennedy, Miss Ruth Kennedy, Master Walter Curtis, Jr., and Miss Annie Utley, spent Saturday afternoon and evening at Carthage and Lakeview.

Misses Mah, Thomas and Cordie Harmon, of Pittsboro, spent the week end here with Miss Mary Lee Utley.

Mr. and Mrs. A. H. Marks and children, of Acme, arrived here Friday in order to be present at the Avenet reunion which was held at Buckhorn church Saturday. They will be the guests of relatives here for the next few days.

Mr. and Mrs. John Morris and two children, and Mr. and Mrs. R. C. Marks, of Acme, spent sometime here last week with relatives and friends. Mr. Morris is a very intelligent and industrious farmer—one of the "Progressive" type of farmer—and spends his vacation by taking a motor trip through the rural sections of the state. Both Mr. and Mrs. Morris are natives of Germany and are refined, interesting people.

Mr. and Mrs. A. G. Thomas, Mr. James Thomas and Miss Elizabeth Thomas, of Rt. 2, Moncure, were among the visitors attending the exercises at Buckhorn church Sunday.

Mrs. Kennedy was leader for the Christian Endeavorers Sunday evening and under her efficient leadership we had a very interesting hour of service. Next Sunday night will come consecration meeting—and every member is asked to respond at roll call with a Bible verse. Miss Eunice Thompson conducts the meeting next time.

The ball season is in full blast now, so to speak. Our boys played Farrington team last Saturday, winning with the score of 2 to 11. However, the Brickhaven team lost the game which was played on the home diamond the Saturday before. The score then was 8 to 11 in favor of the Farrington boys. The team from Bells will meet our team here next Saturday.

This seems to be an unfortunate summer for the dogs in this section. Nearly everyone has been sick, and several have died. A valuable bird pup belonging to Mr. C. S. Harrington; Mr. Dickens also lost a splendid buff collie; Oshkosh, the pretty white collie, belonging to Miss Annie Utley, has been almost helpless for more than a week. It doesn't seem as if the little fellow can stand it much longer, but he is being carefully tended, and we sincerely hope that he may recover. Oshkosh is an unusually beautiful collie and a much loved one.

AN OLD LADY SEES A TRAIN.

Much Business Prosperity and Social Enjoyment Around Bennett.

Bennett, Aug. 4.—Wheat threshing is about over in this section and the report is that the yield has been good. Mr. S. W. Maness probably made the largest crop, he having threshed 618 bushels from 33 acres. Others also made good crops.

Tobacco and cotton reports are good so far. Corn crops on an average are not so good on account of the rains. Generally speaking farmers are in better shape than they thought they would be earlier in the year.

Business among the merchants and the industrial plants is picking up. Mr. Ward has started his sash and door plant and is already making sash, door frames. In fact, Mr. Ward has installed machinery with which he can finish any material for a house.

A baseball league was recently formed here with Bennett, Coleridge, High Falls and Putnam teams. They will play a game each Saturday until September 29th. Bennett will play with Coleridge today at Coleridge; Putnam with High Falls. High Falls will play Bennett here next Saturday.

The Christian church Sunday school motored to Jackson Springs Friday on a Sunday school picnic and made the trip through the peach belt. A nice time is reported.

Mr. and Mrs. M. C. Yow and Mr. and Mrs. Monroe Gardner, each have a fine boy at their homes.

Mr. Dock Moffitt, who suffered a stroke of paralysis several years ago, had another stroke this week which resulted in his death. He was buried Friday at Pleasant Grove cemetery.

Mr. J. T. Brooks, of Brush Creek, accompanied by his wife and mother, visited Mrs. E. S. Phillips Tuesday.

Mrs. Brooks is the widow of the late Haywood Brooks. She is at the age of 86 and has been confined to her room for several months, until recently. This was her first trip out for a long time.

The twenty months old son of Mr. Johnnie Caviness, died at meningitis on Sunday and was buried at Mt. Zion Methodist church on Monday, July 28.

Mrs. Neill Kidd, an aged lady, living one and a half miles of Bennett, never saw the little town or a railroad train (probably saw a freight at Bear Creek several years ago when the old C. F. & Y. V. first came into that section.) She is able to be up and traveling around.

Revival meetings are in progress throughout this vicinity, commencing at Tysors Creek and Brush Creek on Sunday. Meetings will begin at Fall Creek on the second Sunday; at Beulah on the third Sunday and at Bennett on the fourth Sunday. Rev. W. A. Elam, pastor of the Baptist church at Ramseur, will assist Rev. J. C. Kidd in a ten days meeting at the Baptist church.
