

**SYSTEMIZE ROAD WORK.**

**Road Commissioners Appoint a Purchasing Agent and Appoint Mr. Harmon General Superintendent.**

The Chatham county road commissioners were in regular monthly session on Monday, April 18th and in addition to regular routine business, transacted some important business.

Among the business transacted was an order tending to systematize the business and management of the highway road work in Chatham county, and maintaining the department on a business basis.

It was ordered that one or more of the best No. 30 tractors and one of a standard road machine be purchased to maintain the roads that have already been built, as well as construct new roads.

Another order of merit was that J. W. Harmon be made general superintendent, without interfering with other duties, and without advance in salary. It was also ordered that C. C. Hamlet, the secretary, be made purchasing agent for the highway department of the county.

It was also decided that Alfred Johnson, who is building roads by contract with hired labor, employ his help at so much per diem, maintaining a boarding house for his help, separate from the highway accounts, and the force will be paid individually from the board of highway commissioners.

Heretofore there has been much complaint as to this pay roll. In this new order of things it will be clearly visible to the general public and the tax payers in general just what the money is spent for and leave no room for suspicion or complaint.

The same rule applies to the purchasing department. In the new method all purchases for the highway will be over orders from the purchasing agent.

The following orders were allowed and ordered paid:

- Jack Mann, lumber, etc., \$13.40.

**"JOE SNYDER GONE."**

Mr. Charles A. Brown, who has been contributing editor of The Record, writing under the pseudonym

"Joe Snyder," is no longer with this paper. Mr. Brown has been with The Record for the larger part of fourteen years and has written much "copy" for its columns, besides doing at times much, or all, of the mechanical work. But with the present business arrangement of The Record it was not practicable to retain his services, and as he had work offered at another place, the long connection with The Record has been broken.

May he prosper and his shadow never grow less.

**GET YOUR DRESS.**

Stein Brothers Make Special Bid For Chatham Trade.

The Record calls particular attention to Stein Brothers advertisement of dresses. That good firm is making a particularly attractive offer to Record readers. Mr. Lazarus says he wishes to sell at least ten of them to Chatham ladies as an advertisement—that their friends and neighbors may see the quality and learn of the cheapness of the Stein goods. Friday and Saturday are the days—tell them you are from Chatham and read their ad in the Record.

**PLANT A DOGWOOD.**

Progressive Farmer.

What is more beautiful at this season of year than boughs of blossoming dogwood outlined as white traceries against bare brown hillsides or the tender green of new leaves? And dogwood is little less attractive in the fall, with its flaming leaves and berries. It is a flowering shrub that should be in every Southern dooryard, and now when we have been newly reminded of its beauty, is an excellent time to select and mark a small tree to transplant next fall. Select a seedling, not a sprout from an old stump, and prune it now to the shape you desire. If you wish to be more sure of success in transplanting next winter, dig a small circular trench about 24 inches in diameter around the trunk, cutting the roots. These severed roots will put out a large number of branches, and the young tree may be taken up next fall with all its roots and with an excellent prospect for success in transplanting.

**ELON CLUB AT MONCURE.**

Drug Store About Completed—Local and Personal Notes.

Moncure, April 20.—The nice shower of rain Sunday night was needed and will be helpful to the gardens, as well as the crops.

Prof. and Mrs. H. G. Self motored to Asbury church Sunday afternoon, where they attended the Interdenominational Sunday School meeting, the purpose of which was to organize the Sunday schools in Oakland township as a unit for the County Organization. The county meeting will be held at Hanks Chapel sometime in August.

Mr. and Mrs. Self entertained the Senior class of Moncure school at their home Saturday evening. Several visitors were invited, all of which enjoyed the occasion very much.

The Boosters Club of Elon College under the auspices of the high school, will present a wholesome entertainment at the school auditorium on April 21, for both young and old. It is free and everyone is invited.

There will be an entertainment at the school auditorium next Saturday evening at 8 o'clock. It will be a play from Truth school. Everybody is invited. Admission 25 and 35 cents.

The new drug store is now nearly completed, the wood work has been painted; it has a beautiful front and is up-to-date, both from an architectural and furnishing viewpoint. Mr. I. D. Wilkie and Dr. J. E. Cathell will move in this week.

**Let us oil your FORD once**

Lubrication of the Ford calls for a free-flowing oil that reaches all bearing surfaces. We have an oil that fits the Ford car exactly.

"Standard" Polarine Motor Oil for Fords is refined for Ford cars and none other. It is made with the same care that has placed other consistencies of "Standard" Polarine Motor Oils in the front rank of motor oils. We have been using it experimentally on private cars and on our own fleets of Ford cars, until we are sure it is better than other oils for Fords.

You will notice the difference immediately when you change to the new oil, for it does a thorough job of lubricating every Ford it gets a chance at.
