ARCHIE RAY ELSER.
When the president of a Presbyterian mission school in Brazil came to the States looking for a teacher for his school he visited Davidson College, and scanning the records of the recent graduating class, decided to offer the position to Mr. Archie Ray, who graduated with distinction at the recent commencement. Mr. Ray has not decided as yet, we believe, as to his acceptance or non-acceptance of the position, one which would give a splendid opportunity for usefulness.

Major McLendon to Speak
It should be a great pleasure to the people of Chatham to have the opportunity to hear a report of July address by Major L. C. McLendon. The major has proved his patriotism. He went abroad and served on the battle line so effectively and gallantly that he was promoted to the rank of major and to a majority.
