

Hallowe'en Festival At High School Building

(Contributed)

The annual Hallowe'en Carnival of the Parent-Teachers' Association was held in the Pittsboro High School building Friday night, October 30th. At six beautifully decorated booths in keeping with the Hallowe'en season a delicious supper was served, cafeteria style.

Those serving at the different booths were Mesdames W. P. Horton, J. M. Gregory, G. W. Blair, Ernest E. Williams, William Lee Farrell, Walters, E. R. Hinton, C. C. Hamlet, George Brewer, Misses Margaret Womble, Lela Justice, Evelyn Alston, Anne Tucker Moore, Williams and Edwards.

Following the serving of supper the awarding of prizes for the best costumes was held in the school auditorium. The judges were Mesdames W. P. Horton, E. R. Hinton and Miss Margie Large of Aberdeen.

First prize was given by Mr. A. H. London for the best costumed girl was awarded to Miss Margaret Horne Brooks, who wore a most artistic costume of Oriental style. Second prize given by Mr. James L. Griffin for the best girls' costume was won by Miss Catherine Overacre who was dressed as a typical colored street waif of strictly southern variety.

First prize, given by Brooks and Eubanks for the best boy's costume was given to Master Billie Chapin, who with his dog portrayed "Buster and his dog 'Tige'."

Second prize given by Mr. W. H. Griffin went to Master Fletcher C. Mann, who wore a cunning clown suit. Prize for best group costume given by Messrs Harry Norwood, E. E. Williams, W. R. Thompson and Sheriff G. W. Blair was awarded to Misses Etta Crook, Ethel Howell, Lela Justice and Olive Berry Perry, who wore costumes depicting the four seasons. (These young ladies are members of Miss Berry's Teachers' Training Class.)

All the costumes were splendid but we feel that special mention should be made of the following:
Misses Bessie Chapin and Louise

Brooks who were especially good in their portrayal of Jack and Jill, as they made a hurried entrance for the grand march, with bucket tumble and all.

Miss Emily Taylor as a Hiwawian girl with ukelele was most effective and perfect in every detail and showed a great deal of originality and thought and was a typical Hawaiian girl.

Next came the potato race! At the last minute the girls who were to compete suffered a severe case of stage fright. Their places were taken by three Carolina boys who were on the program put on by the Athletic Association. C. C. Hamlet, Jr. broke the world's record in the potato race and was presented with prize given by Connell and Johnson.

One of the boys from the University won the prize offered by Judge Walter D. Siler, a box of candy. Judging from the grin that spread over his countenance upon its presentation, it was a most acceptable prize!

All prizes were awarded by Superintendent Thompson in his usual happy manner.

Following the awarding of prizes the program put on by the Athletic Association was given. We will not attempt to describe this as we are woefully ignorant of the vernacular of the boxing and wrestling contingency.

Mrs. Shannonhouse, president of the P. T. A., wishes to thank everyone individually and collectively, who contributed in any way or manner, aided, supported or assisted in helping to make the carnival the splendid success it was. Especially the men who gave the prizes, Mr. Perry who loaned his weenie roaster, Miss Azile Hill who prepared the perfectly delicious creamed chicken and coffee and Henry K. Blair, who voluntarily tendered his services to our president on Saturday morning in helping to obliterate the effects of the "night before." Henry is a chip off the old block.

During the week of November 2nd, the agent expects to hold terracing demonstrations at the homes of the following: Mr. Harris on the Siler City road on Thursday, November 6th; Mr. W. A. One other will also be held at a location to be determined in the next few days.

Mr. A. T. Holman, specialist in agricultural engineering, will spend Monday November 9, and Tuesday, November 10 in Chatham county for the purpose of conducting demonstrations in the use of Pyrotol and also to assist in getting up a carload for Chatham county. Healthy Hair
Gleamy, Thick, Wavy
—Full of Life

The constant curling and waving demanded by modern style in hair dress, slowly burns the color, lustre, and very life from the hair, leaving it dry, faded, brittle, streaked with gray; then hair roots shrink and the hair falls out fast.
Try this for one week! While combing and dressing your hair, moisten your hair brush with a little "Danderine" and brush it through your hair—the effect is startling! Your hair immediately takes on new life and that healthy, youthful lustre, becomes incomparably soft, wavy and appears twice as thick and abundant. "Danderine" costs only 35 cents at any drug store.
