Quite a number of the high school and grade books have arrived and are placed in the library. The grades as well as the high school folks are making use of their time and doing a great deal of reading. What we want to do is to create a love for good wholesome reading, which is an education within itself.

Association The Parent-Teacher will meet next Monday evening at seven-thirty o'clock. We hope that it will be so all members can be present and all other people, young and old will come out and meet with us. An effort is being made to get an interesting speaker. Come and help with your presence.
