More Workers Needed There is plenty of room for more

workers, as the more there ard in the race the easier it will be to win-the work will be more 'evenly' divided among all, and consequently, if will take fewer subscriptions or votes in order for one to "gain" a majority. Every town, hamlet, village should be represented in the Circulation Drive and several "soft spots"-we men towns where the Chatham Record is greatly in demand, have been everlooked thus far and have no repretime. It is an easy matter for one to good luck killing since Nov. 15. munity in a competitive . . . such as the Circulation Drive, provided of course, they get off right and impress said community with their de-

termination to finish high in the list. The start is the necessary thing, and it cannot be impressed too forcibly upon the minds of those who expect to enter the race that on early report an enjoyable mip. start means victory. People like to vote for the winners, and these who enter now and show a determination to succeed will merit support of their friends.
