

### NEW ELAM NEWS

Relatives and friends in this community were greatly grieved at the news of the death of Mrs. Ernest Boone. Tributes paid at her funeral services by her pastor, Rev. C. H. Norris, and Rev. C. M. Lance and Mr. J. L. Griffin, also the many beautiful floral designs attested the esteem in which she was held. The burial was at Pleasant Hill Baptist church, of which she had been a faithful member since early girlhood.

Messrs. Tallie Goodwin and Edgar Beckwith returned last week after spending a week in Atlanta, Ga. Their attention was mostly attracted by the great Stone Mountain which is sixteen miles east of Atlanta.

Mr. and Mrs. Roy Garret and Roy, Jr., left Tuesday for New York City. They have been with her parents, Mr. and Mrs. J. A. Ellis, for a few weeks.

Mr. and Mrs. Walter Gilmore, of Lee county, were Sunday visitors in this section. It will be remembered Mr. Gilmore was with the officers last Sunday when they had a battle in Lee county. At Christian Endeavor Sunday night special prayer was offered by several members for the men who were wounded.

A crowd of people from this community attended the funeral of Dr. Lasater Wednesday afternoon at Gum Springs Baptist church.

### GOT STILL AND MUCH BEER

Deputy J. G. Pike, accompanied by A. W. Lineberg, J. P. Hobson, Vet. Clerk, and Willie Shaw, raided a still two miles southeast of Staley Tuesday evening. There were two men seen, but not caught. The still was in operation. About 18 gallons of liquor was poured out and more than a thousand gallons of beer. The still was brought to Pittsboro Wednesday morning by Messrs. Pike, Lineberg, and Clerk.

Mrs. Henry A. London, who was in Raleigh last week to make a plea for the Confederate veterans, went from that city to visit her daughter, Mrs. John H. Anderson, in Fayetteville.

The county agent's announcement of the unloading of a car of soy beans here Friday is about the most important news in the paper. The farmer who fails to plant soy beans is doing his farm and himself a grave injustice.

## If Your Supper Lays Like Lead

And you Spend the Night Fighting Hobgoblins

Try a little diapspsin. Supper dances, fancy drinks, too much tobacco, coffee and highly seasoned dishes play havoc with the stomach. Diapspsin takes the worst sort of combination of foods, settles them, absorbs the gassy, sour heartburn and you go peacefully to sleep without a struggle.

It is embarrassing to have to refuse eating in company. But if you are a dyspeptic you may safely take a chance with any mixture and avoid suffering by the rule of one or two diapspsins after eating. You'll get more out of life, more pleasure, more health, more strength and endurance.

Steady digestion and freedom from acid-dyspepsia is guaranteed any stomach by the use of diapspsin after eating. Get a 60 cent package of Pape's Diapspsin at any drug store. You'll recommend it.

### A CHATHAM COUNTY DAIRY

It would surprise many folk in the county to learn that Cole Bros. (Albert and Hugh Cole) are milking 40 cows at their dairy farm on the Chapel Hill highway, and are finding sale for all the product in Chapel Hill. They took another fine cow to the dairy Monday. Their most serious setback was the serious illness of Hugh, who spent three months at Johns Hopkins hospital, and who still is enfeebled from the malady that came so near taking his life—an abscess on the spinal cord.

### CHATHAM MASONS AT SCHOOL THIS WEEK

Dr. W. C. Wicker, educational secretary of the Grand Lodge, has been in Chatham this week holding schools of instruction in Masonry. He spent Monday and Tuesday at Bonlee, Wednesday and Thursday at Pittsboro. Tomorrow, Friday, in the lodge at Sanford he will hold an all-district educational rally, at which all the lodges in the 13th district are expected to have representatives, and to which all Masons are invited.

### CELEBRATES 75TH BIRTHDAY

Mr. D. J. Carson, of Williams township, was 75 years old last Saturday, but probably had not thought much about it till his children, relatives, and friends in considerable numbers began to roll up to the home of his son, W. A. Carson, with whom the father resides. It took four big tables to hold the good things brought and to seat the crowd. Mr. Carson was as spry as a cricket, proving it by dancing a jig.

Tom Tarheel says the neighbors laughed at him when he started to give his hogs all they could eat by using the self-feeder but now the neighbors are building feeders also.

## Our County and Our Town

This institution believes in the future of Chatham county and the town of Goldston. With a vast area embracing almost every type of soil in the state, Chatham's agricultural possibilities have been merely scratched. Embracing a portion of the one commercial coal field of the state, with promise of early development on a larger scale, and with three hydro-electric plants in operation and other available water powers undeveloped, and one of the largest steam electric plants in the whole country, Chatham county is bound sooner or later to be recognized as the natural home of the industries.

With forests that reproduce themselves with startling rapidity, producing materials adaptable for any use from the finest cabinet work to the humble crosstie, the county is assured of a perpetual supply of timber.

With shales and clays galore, it will become one of the great centers of the tile and brick industries, two great plants 20 miles apart now attesting the possibilities.

And in one of the very best sections of this great land of promise is

THE TOWN OF GOLDSTON, and in this good town THE BANK OF GOLDSTON,

An institution safe and sound, devoted to the upbuilding of the town and county. We invite your patronage and your cooperation. Save your money and deposit it in our Savings Department, and thus help furnish yourself and the community the capital necessary to develop the potential resources of our great county and thrifty town.

## Crop Time, Buying Passing

The old and wasteful crop-time buying system is passing, and nobody will say when it is utterly dead. But some form of dependable credit will always be necessary, and the bank is the logical credit agency.

Strong banks almost universally signify a prosperous community. The community and the bank mutually strengthen each other. The bank becomes the reservoir for the community's capital, which saves it from wasteful dispersion in speculation and makes it avoidable for the progressive development of the community.

## THE KEY TO PROSPERITY

The key to the situation is the citizens spending less than he makes and placing the savings on deposit in his bank, thus building up the available capital of his community as well as his own individual fortune.

This Bank not only welcomes deposits however small, but pays

4 Per Cent Compounded Quarterly on Savings Deposits.
