A Real Feast of **BARGAINS** No Fake About This

We have sold our business to Mr. Jones of Asheboro but with the privilege of reducing the stock before inventory. As we have sold the stock in lump at a below-cost price for all kinds of goods in the store, it is clear that we can sell you at or below actual cost while this sale lasts and still make money. What we don't sell to you, we have to turn over to Mr. Jones at the lump-sale price. So you can see that this is no Fake Sale, but a genuine opportunity to secure choice goods at hard-time prices.

We have the goods and a visit to our store in Siler City will convince you not of that fact but of the truth of our claim to be offering goods at prices that appeal to anybody who wants to make a dollar go as far as possible.
