

TOWN AND COUNTY BRIEFS

Mr. Robt. S. Campbell, who moved to Graham a few years ago, was a Pittsboro visitor Friday. His friends were glad to see him.

Mr. W. M. Eubanks had to leave the store last week and go home because of what appeared to be a slight paralytic stroke affecting one side of his face and his voice. His friends hope that the slight affection will be of short duration.

Mr. Leon Buchanan of Broadway has filled the vacancy in the Oldham barbershop made by the departure of Mr. Allen White for Carboro, where he has employment in a shop.

Mr. J. D. White has been on the sick list for the past two weeks.

Mr. V. R. Johnson was on the sick list two or three days.

Mr. Kluge, owner of the Pittsboro silk mill, came in from the North Monday. It has been several months since he was here before, we believe. In this connection, it has been thought that Mr. Kluge is planning an addition to the plant. This enterprise is one of the most successful in the county.

Dr. Edwards passed through Pittsboro Monday evening returning to Raleigh to resume his work in the legislature after a visit home during the week-end.

Mr. and Mrs. Harvey Gunter and children are off to Florida for several weeks, along with Herbert Hoover and Al Smith. A Mr. Pullen is substituting as S. A. L. Agent in Mr. Gunter's absence.

Several of the Pittsboro ladies attended the grand opera in Greensboro Saturday evening.

Mrs. D. B. Nooe is visiting friends in Raleigh.

NEWS OF THE WEEK ON CHATHAM COUNTY FARMS

Such widespread interest is being shown by the farmers of this county in lespedeza, that the Agent induced several farmers to save seed by harvesting this past fall. Mr. Cicero Johnson of the Big Meadow community constructed a seed pan for saving lespedeza seed, and it is reported that he harvested around 300 bu. Mrs. G. S. Norwood of the Meronie Church section also saved lespedeza seed last fall, as did Mr. W. Z. Crows near Pittsboro.

The initial order of lespedeza for 1929 was sent off this week. A total of 1050 lbs. of lespedeza seed was ordered for eight farmers. Included in this order were two orders for lespedeza No. 76, an improved hay strain of lespedeza. Mr. W. Luttrell of the Gum Springs community ordered 40 lbs. of this seed, and Mr. A. M. Woody of the Silk Hope community ordered 50 lbs.

Purebred seed of a variety recommended for this section always pays best. Last year, the Agent ordered purebred Mexican cotton seed for Mr. M. H. Woody who reported that on three acres, he made a yield of one bale to the acre. He also reported that the staple length on this cotton averaged considerably longer than other varieties of cotton.

Farmers in the Mt. Gilead and New Hope sections will be interested in visiting Mr. Moses Clark's forestry project. Mr. Clark has been thinning and protecting his timber for a number of years, and in cutting out weak, and diseased trees, he is greatly enhancing the value of his farm timber.

Older farmers of this county must look to their laurels. Gordon Marshall of Pittsboro R. F. D. No. 2, who had an acre of corn as a Junior Club Project in cooperation with the Agent during the past year, made a total yield of 73 bu. of corn on this acre. Gordon applied 400 lbs. of 10-14 fertilizer in one application. 3 loads of stable manure, and sidedressed with 100 lbs. Nitrate of Soda. His total fertilizer and labor cost was around \$22, and his profit, figuring corn at \$1.50 per bu. was \$87.50. We do not know of any higher yields made by any Junior Club Members in the central district of North Carolina, and we believe that Gordon will win the first prize, or one of the prizes offered by the Chilean Nitrate of Soda Educational Bureau.

Last year, four demonstrations in different varieties of soy beans were conducted by four farmers in cooperation with the County Agent. Mr. W. O. White of the Hanks Chapel community, who conducted one of these demonstrations, reports that the Tar Heel Black variety of soy bean showed more promise than any other variety. The Mammoth Yellow, Laredo, Tokio and other varieties were grown in this test. Mr. White reports that he saved one half bushel of seed from three small rows of the Tar Heel Black variety.

The last Monday, the Agent met with the Siler City Rotary Club. Mr. Dewey Dorsett, Secretary, appointed a permanent Agricultural Committee to assist the Agent, and cooperate with him in carrying out his various farm projects during the coming year. This committee is composed of Mr. J. Q. Seawell, C. L. Fore and L. Polk Dixon.

Tobacco farmers are showing much interest in having their seed cleaned, and in sowing plant beds

Mrs. George Herman Ruth with her Home Run slugging husband and their daughter Dorothy. Mrs. Edward H. Kinder was burned to death in a mysterious fire at Watertown, Mass., and it has been established that "Mrs. Kinder" is Mrs. Babe Ruth. Mr. and Mrs. Ruth had been estranged for three years.

in recommended varieties of seed. This week, tobacco seed was cleaned for L. A. Copeland and R. L. Goodwin. Mr. J. A. Perry, Taylor Mann, L. A. Copeland and Frank Baldwin also asked the Agent to order cleaned and treated tobacco of the Cash variety for them.

Mr. L. F. Thrailkill, Apex R. F. D. 3, reports that tobacco grown from Cash seed ordered for him by the Agent last year averaged 44 cents per pound as compared with 33 cents per pound for his other tobacco.

As pointed out in previous articles, sheep growing can be made profitable in this county. Mr. W. J. Durham, who has been growing sheep for a number of years reports that he made a clear profit in lambs and wool of well over \$200 from ewes this year. Durham states that he would much prefer "renting or leasing his land to sheep, than any other kind of renter."

MONCURE NEWS

The Moncure boys' basketball team played and won the opening game of the Wake County High School Basketball League, which is sponsored by the Raleigh Y. M. C. A. at Raleigh, Friday night, Jan. 11th. The score was 48 for Moncure and 16 for Knightdale. Moncure team will play other teams of the league in Raleigh, on each of the next four Friday nights. A trophy will be awarded to the winner of the contest.

The second game played by the Boys' team with Millbrook at Raleigh last Friday night, Jan. 18th,

was also a victory for Moncure with Goodwin leading the Moncure boys. The score was 22 for Moncure and 15 for Millbrook.

Moncure team will play Cary next Friday night.

Moncure girls' basketball team played Jonesboro Girls last Friday afternoon at 4 o'clock at Jonesboro, with a score of 42-15 in favor of Moncure. Margaret Strickland winning with a score of 27 marks.

Moncure Boys and girls' teams are to play Jonesboro again next Friday week.

Moncure boys team and Moncure Girls' team will play Fuquay Springs Wednesday afternoon of this week. Mrs. Alice Howard who lives near Memphis church in Lee County and Henry Harward, Jr., was in town today, Monday on business.

We are very sorry to state that Mr. H. G. Self, principal of Moncure School is very sick with "flu" at this writing. We hope he will soon be able to return to his work.

It seems that "flu" is breaking out anew in Moncure, Messrs. C. D. Wilkie and T. S. Drutchfield are also sick. We hope they will soon be out again.

Mr. E. F. Benfield, a contractor, who is in the hospital at Durham, had a serious operation on his head one day last week. We are glad to state that he is getting on very nicely at this writing and hope he will soon be able to come home.

We are very glad to state that Mrs. Henry Harward on Route 2, who had a stroke of paralysis, is improving some. We hope that she will soon recover.

Mrs. N. W. Addickes and little daughter of Miami, Fla., have been on a visit to her mother Mrs. Phoebe

Womble. Mr. Addickes, who has been visiting his people at York, S. C., will join his wife here, where they will leave for Rio de Janeiro, Brazil, tomorrow, Tuesday. He is in the employ of Phoenix Utility Company.

Mr. Claud Duren of Raleigh, representing the Federal Land Bank called to see W. W. Stedman one day last week.

The Epworth League met last Sunday evening at seven o'clock. The president, Miss Lois Ray, presided, then the secretary, Miss Dorothy Lambeth read the minutes of the last meeting.

The president, Miss Ray, was leader for the evening, the subject was, "Can a Business Man Be a Christian?" After a reading by the president, the following helped to present the lesson, Misses Ruth and Camelia Stedman, Emma Lee Maur and W. W. Stedman. The meeting closed with a song, "I would Be Like Jesus."

We are very sorry to state that Mr. Hasting Gilmore R. 1 who is 83 years of age, has developed pneumonia. He is an aged and respected citizen. We hope that he will soon be better. His grandson Paul Gilmore, is very low with pneumonia at this writing, also. His many friends wish him a speedy recovery.

DISSOLUTION OF PARTNERSHIP

The public is hereby notified that the partnership heretofore existing between T. S. Perry and E. E. Williams, trading as The West End Supply Co., Pittsboro, N. C., is dissolved by mutual consent. T. S. Perry assumes the business and is alone responsible for any debts of the West End Supply Company contracted after this date. Persons owing the firm will pay Mr. Perry.

This the 12th day of January, 1929.

T. S. PERRY,
E. E. WILLIAMS.

NOTICE OF SALE OF REAL ESTATE

Under and by virtue of the power of sale contained in a certain decree made and entered in that special proceeding entitled "C. C. Brewer, administrator of C. V. Tally, deceased vs. Essie Tally, et als," now pending in the Superior Court of Chatham County, North Carolina, the undersigned Commissioner will, on Saturday the 23rd day of February, 1929, at twelve o'clock noon, in front of the Courthouse door in Pittsboro, Chatham County, North Carolina, offer for sale, to the highest bidder for cash, those two cer-

tain tracts or parcels of land lying and being in Chatham County, North Carolina, and being more fully described and defined as follows, viz.: FIRST TRACT:

Lying and being in Bear Creek Township, adjoining the lands of John Cheek, J. H. Gilbert, J. D. Stone, et als, and BEGINNING on John Cheek's line, in the center of the Bonlee & Western Railroad, and running with Cheek's line north 4 degrees east 99 1-2 poles to Gilbert's line; thence with his line north 87 degrees west 194 poles to J. D. Stone's line thence south 4 1-2 degrees west 34 2-3 poles to the old Sandy Creek road; thence with said road southeasterly to the center of said Bonlee & Western Railroad at Blue Rock flag station; thence with said railroad north 72 1-2 degrees east (from end of curve) to the BEGINNING, containing 106 acres, more or less, and being designated by the map and survey as No. 72.

SECOND TRACT: Adjoining the lands of J. D. Stone, W. M. Brewer, I. H. Dunlap, J. W. Cheek, et als, and BEGINNING at a knot in J. H. Cheek's line, I. H. Dunlap's corner; thence north with Dunlap line 79 poles to a knot and pointers, W. M. Brewer's line; thence west with Brewer's line 202 poles to a knot W. M. Brewer's west corner, in J. D. Stone's line; thence south with Stone's line 79 poles to a knot C. V.

Tally home tract of land; thence east with Tally land 202 poles to the BEGINNING, containing 100 acres, more or less, this being a part of the tract of land that was conveyed by J. P. Gilbert to W. N. Brewer and C. V. Tally, and known as the Harper Land.

This 17th day of January, 1929.
WADE BARBER,
Commissioner.

SILER & BARBER,
Attorneys.

ASK MOTHER!

There are many, very many, mothers who through the years have proved the power of

Scott's Emulsion

of pure vitamine-bearing cod-liver oil to help nourish and strengthen the poorly-developed child. It is abundant in the vitamins that are so essential to the welfare of children and adults.

Scott & Bowman, Manufacturers, N. J.

ASPIRIN

The whole world knows Aspirin as an effective antidote for pain. But it's just as important to know that there is only one genuine Bayer Aspirin. The name Bayer is on every tablet, and on the box. If it says Bayer, it's genuine; and if it doesn't, it is not! Headaches are dispelled by Bayer Aspirin. So are colds, and the pain that goes with them; even neuralgia, neuritis, and rheumatism promptly relieved. Get Bayer—at any drugstore—with proven directions.

Physicians prescribe Bayer Aspirin; it does NOT affect the heart

Aspirin is the trade mark of Bayer, Manufacture of Monoaceticacidester of Salicylicacid.

A DEPENDABLE MOWER that's built to LAST

Experience of many years in building long-lasting, dependable mowers makes possible this highly perfected Case-Osborne Mower. For simplicity of construction and long continued service without adjustment, this mower can't be beat.

All non-essential parts are eliminated—working parts are oversized to insure long life. The fastest moving parts have oversized bearings—pitman bearings are of the toughest, hardest bronze.

Perfect alignment of the cutter bar is secured—and kept—on the Case-Osborne Mower by a quick, positive, aligning device. The bar has a wide range of flexible up-and-down movement to allow smooth, easy work on the roughest ground—remarkable strength to slash right through its toughest job. Reduced friction, dependable, trouble-free operation.

J. I. CASE T. M. CO., Inc.
GREENSBORO, (N. C.) BRANCH
213 WALKER AVE.—PHONE 3256

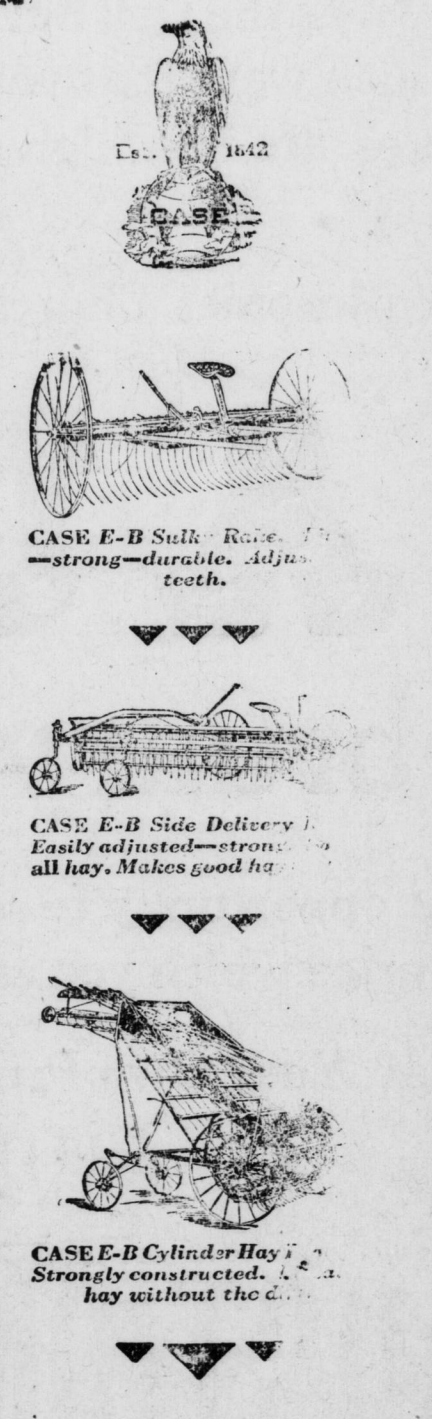

CASE

Full line now includes
E-B ~ OSBORNE ~ GRAND DETOUR

Internal bevel gears and bevel pinion held firmly in mesh, furnish steady, positive power. To give this drive all possible advantages, mower frame is cast in one piece and holes for all shafts bored in one operation to assure perfect alignment. The secret of long mowing life.

Underslung construction reduces friction on cutting parts. This has much to do with the lasting quality and light draft of the Osborne Mower. All working parts are easily replaceable at small cost when worn out. "Case-Osborne Mowers are built around the oil holes"—of utmost importance in securing economical, dependable performance.

The Case-Osborne is and always has been a very popular mower. Make it your standby for the years to come. We will gladly tell you more about it. Come in when you're in town.

QUALITY MACHINES FOR PROFITABLE FARMING
