Hatch Announces - Blair Is Probable Candidate -Dark's Name Added to List of Candidates for Commissioner - Garner Announces for the Senate.

Mr. E. B. Hatch announces himself a candidate to succeed himself as clerk of the court. No opposition has been suggested. Mr. Hatch has held the position only one term, except the part of the term of Dewey Dorsett which he was appointed to fill on Mr. Dorsett's resignation. He has made * a good officer, and no one seems * inclined to contest his nomination. Sheriff Blair has practically decided to offer himself as a candidate to succeed himself. However, as he has served ten years already, Womble. he has hesitated because of fear lest he might be a drawback to the ticket. But as he has always been a drawing card for the ticket, his Emory University, Georgia. friends feel that he need not hesitate for that reason. If he is a Dr. J. J. Dick Ramsey Loses Home by Burning

Dick Ramsey, the best known of Pittsboro's colored citizens, having been all-round handy-man for many years at the Exline Hotel, had the misfortune to lose his home by fire last Thursday night.

The flames had got such hold when the fire was discovered that there was little, or no, chance of saving the home. However, much of the house goods was saved.

This loss is all the more severe on Dick as he has been in poor health for several months, and is not able to work.

He was taken over the Exline, where his long-time friend, Mrs. Norwood, gave him shelter.
