TO ARMS! TO ARMS!! A WHIG CANDIDATE IN THE FIELD!

It gives us great pleasure to publish the subjoined Letter, which we have just received from Mr. Hauguon, of Chatham. Unable, longer, to resist the imectanities of his friends, he has come out, like a man, under his own signature, and, in the true spirit of a Freeman, announces himself as the Whig Candidate for Congress in this District. If any thing can rend he fetters of ! oco Focoism that clauk around the mbs of deluded Democracy in this District, it will the earnest, straight-forward, convincing argugents of a practical man like Mr. Haughton. All hat we desire is, that he should be met in debate by his opponent, and the people, ever prompt to judge aright, will decide between them with a just dis-

The issue is, therefore, now fairly made up, and we call upon every man in the District, who is dissatisfied with the present condition of National affairs, to rally to the support of the Whig Candidate. who, besides being orthodox in his political creed, is perfectly unexceptionable in every other respect. A long pull, then, and a strong pull, and we shall put the Doblin" to the Loco Fore nominee:

Notwithstanding the heat of the weather, which must have operated badly on the stringed instruments, and contributed much to the discomfiture of a crowded auditory, there was no fault perceptible in the execution of the concerted pieces, and certainly no complaint from the lips of the Louiss, which, however just, would in our judgment be angrateful, considering the continued breeze that poured in thre' the open windows, and the assid tous and gallant attention of our excellent frie. I. W. A. Strifa, Est. who was one of the Officers of Reception on the occasion, and supplied them with coppour and timely draughts of Ice water.
