THE CAMPAIGN.

We learn that HENRY W. MILLER, Esq., Elecfor for the State, will address the People of Chatham, on Tuesday next, the 21st inst.

JIMES BANKS, Esq., the able and indefatigable Assistant Elector for the 7th District, will address the People of Robeson, at Red Springs, on the 24th, and at Floral College, on the 25th

We learn that Mr. MILLER addressed the People of Franklin on Tuesday, in his usual masterly manner, and that he was replied to by Gen. SAUNDERS. The Whigs, as they doubtless had every reason to be, were highly delighted at the result of the discussion, and are animated. we learn, by the finest spirit. We are assured, indeed, that Franklin will poll a better vote for old Chippewa, than she has ever given any Whig Candidate.

It was determined to hold a large Mass Meeting at some point in the County very shortly.

SPIRITED WHIG MEETING.

There was a very large and entinusiastic rally of the Scott and GRAHAM Club, at the Court House, on Tuesday evening last. We have never known a finer spirit to prevail on any occasion. The Club was first addressed by Mr. B. F. Taxt, in an effective manner. He took occasion to reply to some unprovoked and characeristic reflections cast upon him in a recent issue of the locofoco organ here, and administered a severe and well-merited castigation upon the Editor. Mr. T. makes emphatically a good Speech, and is acquiring a reputation in that respect, of which he may well be proud.

The meeting was further addressed by Messrs. J. F. TAYLOR, H. W. HUSTED and GALES,-the former of whom was peculiarly happy in his remarks. The speech of Mr. Husten was just what might have been expected from that gendeman,-convicting, humorous, and well tempered; and marked, here and there, with some

M. W. RANSOM, ESQ.

We are authorized to state that this gentleman, the Whig Elector for this Congressional istrict, will meet the "Pierce and King" Elecor at Nash, Johnston, Wake, Franklin, Warren and Halifax. Mr. R. was prevented, by profesional engagements, which required his presence Franklin, from addressing the People of adgecombe, on Tuesday last. He will, howver, certainly visit that County, before the

The proverbial signification of "SATAN eproving Sin" is well known. We do not recollect have seen, in a long time, an instance of effronry so nearly akin to that implied in the provth aforesaid, as the lecture which the last numer of the Goldsboro' Republican and Patriot atimpts to read the Whig Press (we come in for share of its sanctimonious reprobation,) for hat it is pleased to term its tone of "violent buse!" "THEY KNEW THEIR MAN!"

Some weeks since, we gave a full report of a speech delivered by Colonel Warson G. HAYNES, of Putnam County, New York, to the Free-Soil port of Gen. Pierce. The first of which was that, should the General be elected, the Abolitionists who might aid and assist in bringing Governor, viz: Whig, 15,750, locofoco 9,875, about that result "will take their full share in Free-Soil 4,983. The second reason was that "Gen. SCOTT AND GRAHAM CLUBS.

We would again most respectfully urge upon our Whig friends in every County in the State the great importance of forming "Scott and Graham Clubs." It is decidedly the best mode for organizing and distributing documents amongst the People. They afford opportunities Mr. Rayson is each day acquiring new lau- to persons of all classes in the community to express their opinions freely on political matters and the information imparted by the speakers is spread through the County. Let our friends form such Clubs in every neighborhood where they can find a convenient and suitable place for meeting. Does not this significant fact give color to the reason assigned by John Van Buren,-Pierce's there was no longer any necessity, so far as its sentiment, relative to "Freedom," was concerned, termined to make the most of him? Does it not indicate, beyond the shadow of a doubt, what direction the Free-Soil vote will take,for the man who "LOATHES" the Fugitive Law, and regards it as "opposed to humanity a warning lesson from these facts?

At all events, we shall continue to warn the People of North Carolina, ere it is too late, against this "Yankee Free-Soiler," supported, as he is, by the odds and ends of every faction-by men who have banded together, without respect to former distinctions of creed or classifications We have all along expressed the conviction of sentiment, for the vilest purposes of party that there was more than met the eye in the plunder! HOW IS THIS?

A writer in a late "Standard," signing him self "North Carolinian," (whose effusions appear to please the Editor exceedingly) says, in refer ring to the Whig National Convention :

They may rule artful John out of as many Conventions as they please, but, like Rantoul, despite all the indiguities that may be heaped upon him, he will continue to support Pierce with all his might .-He can't be "ruled" or driven from that. THE FLORIDA WHIGS.

The Whig spirit is aroused in Florida. The canvass has been commenced there in earnest. Col. WARD, the Whig candidate for Governor, discussions are the order of the day, and the Whig Champions hear themselves gallantly. A which appears to have been a splendid affair .-

At a recent missionary meeting in Notting-ham, a Mr. Allen, of Sheffield, told a story of a woman in the latter town who lately astoniseed a neighbor with the intelligence that the Devil was dead!
