The Celebrated Race Horse, WASHINGTON,

WASHINGTON, will stand the present season at my stable in Warrenton, and be let to mares at twenty-five dollars for the season, payable on the 1st day of January next.

Washington's Pedigree and Performances are excelled by no other horse; a full description of them cannot now be given, suffice it to say that he was gotten by the celebrated horse Timoleon out of the famous running mare Ariadne, by Citizen, her dam by Wild Air.

Washington was engaged in four Sweepstakes, two mile heats, two hundred dollars entrance, when he was three years old.—Three of them he won, beating in one of them the celebrated Horse Henry; the other he lost, after winning the first heat, he lost the second heat by a bad start, whereby he lost at least eighty yards; being in bad order he was then withdrawn, although he only lost the second heat by a few feet. Last spring he was lame in one of his hind legs, and only run at Newmarket for a Handy-Cap, two mile heats. Three started, and he was beaten by Sir William. Washington won the first heat, Sir William won the second and third. The second heat was run in better time than it was ever run at Newmarket. Sir William had ten pounds taken off his weight in this race. Washington lost sixty yards by a bad start in the second heat, and he only lost the heat by a length. Last fall he won the Proprietor's Purse at Newmarket, three mile heats, three hundred dollars. The first heat in this race, was two seconds faster than it was ever run there before. He was then carried to Baltimore, where he won the Proprietor's Purse of five hundred dollars, three mile heats, beating the celebrated Running Horse Flying Childers; but had the misfortune to get one of his fore legs injured. He was trained this spring, and run at Newmarket and won the Jockey Club Purse of six hundred dollars, four mile heats, beating with ease Mr. Winn's Mare Squirt, and Capt. Harrison's Horse Aratus.

Washington is not withdrawn from the turf; but it is thought necessary to give him rest, as his leg is not supposed to have recovered its full strength. He will stand the next season also, and those putting Mares this season which do not prove with foal, will have the privilege of putting them next season, gratis, provided the property of such Mare is not changed.

Notice

IS hereby given to the public generally, that the Stage Line from Raleigh to Newbern will be continued. I was under the impression, for some time past, that I should be compelled to abandon running my Stage on this route, in consequence of my pay being too inconsiderable to defray the expenses of this establishment, but knowing that it was a desirable thing to the public generally that the Stage should continue to run on this route, I have lately, together with many respectable gentlemen, petitioned the Postmaster-General to give me some additional compensation for conveying the mail in a Stage, and thereby enable me to continue running a Stage for the accommodation of Travellers; and, through the means of my respectable friends, the department has agreed to add some additional compensation, to that of my former contract; therefore I shall continue to run a Stage punctually without doubt. This Stage route intersects with the Fayetteville and Norfolk line of Stages at Waynesborough. I have lately added another team of horses to the route; and my Stage being in good repair, I pledge myself that nothing shall be wanting on my part to render those comfortable who may think proper to travel with me. I have a good careful driver and good horses on the line. The Stage will leave Raleigh and Newbern as heretofore (say, leave Raleigh every Friday at 6 P. M. and arrive in Newbern on Monday by 2 P. M. Leave Newbern every Tuesday at 6 A. M. and arrive at Raleigh on Thursday by 6 P. M.) Any person wishing to send trunks, boxes, or other packages of any kind, shall have them conveyed safely, and at reasonable rate. I therefore hope to merit a portion of encouragement from the public.
