Stop the Villain.
ON Tuesday night last, NATHAN G. BRAZIL of Edgecomb county, eloped from his neighborhood, and as I have sufficient reason to believe, enticed away my daughter, one of my negroes and four other negroes from an orphan child. This fiend in human form, has left a destitute wife and four helpless children, and repaid the many benefits I had conferred upon him by deceiving my child.

The negro belonging to me, is named ANCHIBALD; he is a low thick-set fellow, about 24 years of age, and will weight about 160 lbs. The wife and three children of the negro, lived with Mr. Thomas Boon of Edgecombe County, and was no doubt coaxed away by said Brazil. The woman's name is Nicey, and her children are called Jarman, Clarissa, and Henry. The oldest boy Jarman, has a mark on the left side of his neck occasioned by a burn, which may lead to a detection. All three of the children are yellow complexioned, as is the case with the mother.

BRAZIL is nearly 30 years of age, with grey eyes, sandy hair inclined to curl, speaks in a fierce tone of voice, and is of slender stature. It is the interest as well as duty, of every virtuous member of society to aid in the apprehension of this consummate villain. To those who themselves have children, I need urge no stimulus to assist in restoring an innocent though deluded young creature to the bosom of her family.

I will give a reward of ONE HUNDRED DOLLARS for the apprehension or confinement in jail of said Brazil and negroes. Letters to me, may be sent to Rocky Mount Post Office, Nash County.

American Cough Drops,
For Colds, obstinate Coughs, Asthma, Catarrh, Hooping Cough and Consumption in their early stages.
WHOLLY disbelieving the common doctrine of *Specifics*, or that any medicine will always, without regard to circumstances, cure any one disease; yet it must, in justice to the medicine now given to the public, be confidently asserted, that it comes nearer to a *Specific* in the above diseases, than any thing hitherto known.

As yet, where it has had a fair trial, it has seldom failed of curing, or at least materially alleviating, the above distressing and dangerous complaints.

This is a medicine that may be used for any length of time, without in the least injuring the constitution.

It does not, like many others, relieve for a time, or merely while using, but its effects are permanent. It promotes digestion, gives tone and vigor to the stomach, and restores the lungs, which are generally the seat of the above complaints, to the healthy discharge of their functions.

The above medicine is for sale at RAN-DOLPH WEBB'S Apothecary store.
