### The Beautiful Arabian Stallion, Syphax,

Will Stand the  
next season, (be-  
ing his first in A-  
merica) at my Sta-  
ble, three miles

from Warrenton, on the Stage road to Raleigh,  
and will be let to mares at the moderate sum  
of Ten Dollars the season, if paid within  
the season; or Twelve Dollars, if paid after  
the season expires; Sixteen Dollars to insure  
a mare in foal; or Seven Dollars the single  
leap; and 50 cents to the groom in every in-  
stance. The season will commence the first  
day of March, and end the last day of August.  
SYPHAX is a handsome sorrel, and most  
beautifully marked, red mane and tail; he is  
upwards of fifteen hands high; eight years  
old, healthy and vigorous, and not inferior in  
point of form or muscular power, to any horse  
on the continent; and the most docile animal  
I have ever seen.

SYPHAX was brought to America in the  
United States' frigate Constitution, and safely  
landed at New York in May 1824. Syphax  
was obtained by Maj. Townsend Stith, late  
American Consul, at the Regency of Tunis,  
and was purchased from an Arab of high dis-  
tinction, who valued him above any horse in  
the actual possession of the Bey or King of  
Tunis.

SYPHAX was foaled near Mecca, in the  
Kingdom of Yeaman, Arabia Felix, crossed  
the Red Sea to Derra, in Nubia—from thence  
through a part of the Desert, to Taoula, in  
Terra—thence, through the regency of Tri-  
poli, to Beledgerid and from thence to  
the American Consulate in the city of Tunis  
—as is certified by Mr. Samuel C. Potter, a  
gentleman of honor and respectability.

To those who wish to raise from this des-  
cended stock of horses, the genuine Arab-  
ian, the present will be a favorable oppor-  
tunity; for experience has long shewn us  
the advantages to be derived from the im-  
provement of our stock crossed with the Ara-  
bian.

SYPHAX's high form, muscular powers,  
and beautiful marks, I think constitute him a  
constellation among Stud Horses.

Good pasturage will be provided for mares  
left with the horse, or they will be fed with  
grain if required; but no liability for acci-  
dents or escapes. ROBERT RANSOM.  
Greenwood Warren, Jan. 14. 22-1stA.

### TAKEN UP,

AND committed to the Jail of this county,  
on the 21st inst. a Negro Fellow, sup-  
posed to be a runaway slave, who says his  
name is Cornelius Jones, and that he has lived  
in New-York four or five years last past, but  
cannot, or will not name the state, county or  
town in which he was raised. He is about  
five feet seven inches high, black complex-  
ion, with a small scar over his right eye, and  
one near the corner of the same. His  
dress is a drab pea-jacket, blue round ditto,  
and duck trousers. He was brought to this  
place in the schooner Hetty, Wright, last  
from Charleston.—The owner is requested to  
come forward, prove property, pay charges  
and take him away, or he will be dealt with  
as the law directs.

### The Subscriber's elegant young Horse

HAMBLETONIAN,  
a colt of the noted and fa-  
mous Old Sir Archie—will  
Stand the present season,

which will end the 1st of July, at his own  
Stable at Trades Hill in Chatham county,  
six miles east of Pittsborough, where the  
Stage Road from Raleigh to Salisbury crosses  
the road from Hillsborough and Chapel Hill  
to Fayetteville; at 12 dollars the season,  
which may be discharged by the payment of  
10 dolls. if paid within the season; 6 dollars  
cash in hand for a single leap; those who  
pay the money for a leap may take the season  
if they choose by paying the difference  
between the leap and the season. A class  
of six mares being put and one (my choice)  
man being responsible for the payment of  
the whole, a discount of the price of one mare  
will be given. Fifty cents to the Groom in  
all cases. Lots well enclosed and well wa-  
tered are provided for mares that may be left  
with the horse; and they will be fed with  
grain at a moderate price if required. Great  
care will be taken to prevent accidents of  
any kind, and I will hold myself liable for  
any that may occur by reason of the horse,  
and also liable for escapes, but not liable for  
any other kind of accidents.

Hambletonian is a beautiful dark dapple  
bay; will be four years old this spring; full  
5 feet 4 inches high, and whose symmetry of  
form and majestic appearance entitle him to  
rank amongst the best horses in the United  
States.

Hambletonian's dam is a large well formed  
mare, and raised by Thomas Snipes, Esquire,  
of this county, from the choice blood of this  
State, viz. Jolly-Air, Pontine, &c.

From a few trials made in a private way I  
have no doubt but young Hambletonian  
would distinguish himself with great success  
on the turf, and under that belief I intend to  
put him in training at the end of the season.
