DROSPECTUS OF THE OLD NORTH

"The Old North State Forever." THE UNDERSIGNED will commence the publication of a Daily and Weckly Newspaper, bearing the above title, in the city of Salisbury, about the 10th of March next.

The Old North State will be, under our control, a firm and decided Union paper. But while it will be firm and decided in its support of the Union, and of all just and necessary measures tending to its early and complete restoration, it will yet be liberal and conservative. It will oppose radicalism from whatever quarter it may come. Confiding in the loyal intentions of the great body of the people of North Carolina, it will endeavor to soothe the asperities of the past by promoting among them a spirit of reconciliation and harmony.

Rejecting the exploded dogma of paramount State sovereignty, it will cheerfully support the National government in the exercise of every power necessary to the maintainance of its rightful authority, while it will ever contend against any encroachments upon the reserved It will discuss all the various political issues of the day,

but in doing this it will seek to avoid everything like par-tizan bitterness or personal vituperation. It will also strive to avoid that detestable practice, so common among politicians, of pandering to the passions and appealing to the prejudices of the multitude in order to accomplish partizan ends. It will endeavor to enlighten and direct aright public sentiment, by disseminating correct infor-mation, and by arguments addressed to the understand-ing—in short, it will endeavor to erect a high standard of

political morality.
