Medicines.

A compound remedy, designed to be the most effectual Alterative that can be made. It is a concentrated extract of Para Sarsaparilla, so combined with other substances of still greater alterative power as to afford an effective antidote for the diseases Sarsaparilla is reputed to cure. It is believed that such a remedy is wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove of immense service to this large class of our afflicted fellow-citizens. How completely this compound will do it has been proven by experiment on many of the worst cases to be found of the following complaints : -

SCROPULA AND SCROPULOUS COMPLAINTS, ERUPTIONS AND ERUPTIVE DISEASES, ULCERS, PIMPLES, BLOTCHES, TUMORS, SALT RHEUM, SCALD HEAD, SYPHILIS AND SYPHILITIC AF-FECTIONS, MERCURIAL DISEASE, DROPSY, NEU-RALGIA OR TIC DOULOURBUX, DEBILITY, DYS-PEPSIA AND INDIGESTION, ERYSIPELAS, ROSE OR ST. ANTHONY'S FIRE, and indeed the whole class of complaints arising from IMPURITY OF THE BLOOD.

This compound will be found a great promoter of health, when taken in the spring, to expel the foul humors which fester in the blood at that season of the year. By the timely expulsion of them many rankling disorders are nipped in the bud. Multitudes can, by the aid of this remedy, spare themselves from the endurance of foul eruptions and ulcerous sores, through which the system will strive to rid itself of corruptions, if not assisted to do this through the natural channels of the body by an alterative medicine. Cleanse out the vitiated blood whenever you find its impurities bursting through the skin in pimples, eruptions, or sores; cleanse it when you find it is obstructed and sluggish in the veins; cleanse it whenever it is foul, and your feelings will tell you when. Even where no particular disorder is felt, people enjoy better health, and live longer, for cleansing the blood. Keep the blood healthy, and all is well; but with this pabulum of life disordered, there can be no lasting health. Sooner or later something must go wrong, and the great machinery of

life is disordered or overthrown. Sarsaparilla has, and deserves much, the reputation of accomplishing these ends. But the world has been egregiously deceived by preparations of it, partly because the drug alone has not all the virtue that is claimed for it, but more because many preparations, pretending to be concentrated extracts of it, contain but little of the virtue of Sarsaparilla,

or any thing else. During late years the public have been misled by large bottles, pretending to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been frauds upon the sick, for they not only contain little, if any, Sarsaparilla, but often no curative properties whatever. Hence, bitter and painful disappointment has followed the use of the various extracts of Sarsaparilla which flood the market, until the name itself is justly despised, and has become synonymous with imposition and cheat. Still to supply such a remedy as shall rescue the name from the load of obloquy which rests upon it. And we think we have ground for believing it has virtues which are irresistible by the ordinary run of the diseases it is intended to cure. In order to secure their complete eradication from the system, the remedy should be judiciously taken according to directions on the bottle.

PREPARED BY DR. J. C. AYER & CO. LOWELL, MASS.
Price, \$1 per Bottle; Six Bottles for \$5. Ayer's Cherry Pectoral

has won for itself such a renown for the cure of every variety of Throat and Lung Complaint, that it is entirely unnecessary for us to recount the evidence of its virtues, wherever it has been employed. As it has long been in constant use throughout this section, we need not do more than assure the people its quality is kept up to the best it ever has been, and that it may be relied on to do for their relief all it has ever been found to do.

Ayer's Cathartic Pills,

Costiveness, Jaundice, Dyspepsia, Indigestion, Dysentery, Foul Stomach, Erysipelas, Headache, Piles, Rheumatism, Eruptions and Skin Diseases, Liver Complaint, Dropsy, Tetter, Tumors and Salt Rheum, Worms, Gont, Neuralgia, as a Dinner Pill, and for Purifying the Blood. They are sugar-coated, so that the most sensitive can take them pleasantly, and they are the best aperient in the world for all the purposes of a family physic.

Price 25 cents per Box; Five boxes for \$1.00. Great numbers of Clergymen, Physicians, Statesmen, and eminent personages, have lent their names to certify the unparalleled usefulness of these remedies, but our space here will not permit the insertion of them. The Agents below named furnish gratis our AMERICAN ALMANAC in which they are given; with also full descriptions of the above

complaints, and the treatment that should be followed for their cure. Do not be put off by unprincipled dealers with other preparations they make more profit on. Demand AYER's, and take no others. The sick want the best aid there is for them, and they should

I had a little daughter, And she was given to me To lead me gently backward To the Heavenly Father's knee, That I, by the force of pature. Might in some wise divine The depth of his infinite patience To this wayward soul of mine.

I know not how others saw her. But to me she was wholly fair, And the light of the heaven she came from Still lingered and gleamed in her hair ; For it was as wavy and golden, And as many changes took, As the shadows of sun-gilt ripples On the yellow bed of a brook.

To what can I liken her smiling Upon me, her kneeling lover? How it leaped from her lips to her eyelids, And dimpled her wholly over, Till her outstretched hands smiled also. And I almost seemed to see The very heart of her mother Sending sun through her veins to me!

She had been with us scarce a twelvemonth, And it hardly seemed a day, When a troop of wandering angels Stole my little daughter away; Or perhaps those he ven'y Zingar And when they hadropened her cage-door My little bird used her wings.

But they left in her stead a changeling. A little angel child. That seems like her bud in full blossom, And smiles as she never smiled. When I wake in the morning I see it, Where she always used to lie, And I feel as weak as a violet Alone 'neath the awful sky. As weak, yet as trustful, also,

For the whole year long I see All the wonders of faithful Nature Still worked for the love of me. Winds wander, and dews drip earthward. Rain falls, suns rises and set, Earth whirls, and all but to prosper A poor little violet.

This child is not mine as the first was.

I cannot sing it to rest,

cannot lift it up fatherly And bless it upon my breast, Yet it lies in my little one's cradle, And sits in my little ne's chair, And the light of the heaven she's gone to Transfigures its golden hair.
