Every intelligent Builder knows the value and importance of good Doors, Sashes and Blinds, well made, of good and thoroughly seasoned stock ; but many are uninformed of the best place to purchase at the lowest prices. John W. Jones, was brought to this City, by Deputy Sheriff Brown on the Seventeeth inst, from Township No. 6, and lodged in pail. His offense was an assault with intent to kill Mrs. Jones, Justice Harris demanded \$200, bail for his appearance to answer at the next term of Court, for his conjugal attention to his wife, and he failing to find a party willing to invest in that kind of bonds, secured a free boarding place.

At Lenoir Superior Court, Judge Clark presiding, on yesterday Dr. Samuel A. Bartleston the "gentleman" (?) who was indicted in 1867 for stealing a mule from Eli Collie, colored, was found guilty and sentenced to five years hard labor in the State penitentiary. An appeal was taken and granted, provided the defendant gave bond for \$1,000 for appearance, and \$250 for costs, which he failed to do and consequently he will find his boarding place and labor furnished where mules are scarce. It is perhaps unnecessary to add that Bartleson is not and never was a Republican.

Probate Judge West was yesterday engaged in receiving depositions, on an appointment from the Court of Common Pleas of the city of New York, in the case of Messrs. We hope that the facts elicited on this occasion will have the effect of causing this Company to pay to ulant and alterative, and you will be fore-Messis. Baer & Eppler the full amount of insurance claimed and due. Every day this amount is withheld is injurious to the city of New-Berns as we have no doubt that on the receipt of the amount due them these gentlemen would at once to the people of all other lands. Exhaustion. Invalids, broken down in health and spirts by Chronic Dyspepsia, or suffering from the terrible exhaustion which follows the attacks of acute disease, the testimony of thousands who have been raised as by a miracle from a similar state of prostration by Hostetters Stomach Bitter's, is a sure guarantee that by the same means you too may be restored. But to those who stand in peril of epidemics, to all who, by reason of exposure, privations. and uncongenial climate or unhealthy pursuits may at any moment be stricken down, this paragraph is most particularly and emphatically addressed. You, who are thus situated are proffered an absolute safeguard against the danger that menaces you. Tone and regulate the system with this barmless medicinal stimaround you in the air unseen. Hosteter's Stomach Bitters are not only a standard tonic and alterative throughout the United States. but they are accredited by the certificates of the most istinguished citizens of the Union Australia, and the West Indies, they are gradually taking the place of all other stomachies, whether native or foreign, and as surely as truth is progressive and demonstration overthrows doubt, they will eventually supersede every other invigorant and restorative now
