CITY AND STATE ITEMS.

We cannot comment on the glorious news which we publish this morning. Gant is elected President. Every Northe n State, and a majority of the Southern, have voted for him. We have met the L berals and the States Righters, the Peace D mocrats and War Democrats, the Protectionists and Free Traders, the ultra Democrats and ultra Republicans: all who are dissatisfied-the whole body of Spreheads, and have beaten them.

The people have spoken! Once more it has been proved that plain, common sense carries the day when the prople vote. A thousand slanders were not sufficient to obscure the brilliant record of the adminis ration which has reduced both the public debt and the public burdens; has preserved peace at the same time that it has upheld the dignity of the nation in its foreign relations, and that has given four years of unexampled prosperity.

All hail U. S. Grant conqueror both in war and peace-a second time the choice of the American people.

The juior visited the c ll about sunrise, and Baynard dressed up in the clothes of his wife, with a handker hief to his face and sobbing as if his heart wou d break, passed out and made his escape.

Some two hours or more after this occurrence, the jailor carried Baynard his breakfast. and discover d that the compant of the call was-Mrs. Baynard. She had on on her night clothing. The Sheriff raised hue and ory and started in pursuit, but to latest accounts the condemned hal not been seen or heard of. How true the old saying-" There's many a -lin between the cap and lip." Baynard's wife clung to him from the time he was a rested, and now enjoys the satisfaction of saving him from an ignominious death.

There were five thousand people in Hender sonville to wit less the hanging. Great was their consternation when learned they that the bird had flown .- Era.

MIDNIGHT DISPATCHES. ELECTION RETURNS.

NORTH CAROLINA. RALEIGH, Nov. 5 .- Grant gets 620 majority,

a gain on Caldwell's vote. WILMINGTON, Nov. 5 .- Grant's majority shows a gain of 46.

Goldsboro, Nov. 5.—Republican gain 83. One hundred whites who were registered failed to vote In Nahunta Toanship, Wayne county, the Republican gain is 32.

NEW YORK.

NEW YORK, Nov. 5 .- Up to 1 o'clock the election proceeded quietly, and in down town districts more than half of the registered votes were polled, at 11 A. M. in the 1st, 2ad, 3rd, 4th and 5th Wards, O'Brien was doing well, and many Greeley tickets were dropped. In the negro Ward, the 8th, O'Brien is a favorite and scarce any one else was voted for in the 17th District. Greeley is ahead, being run out of O'Brien boxes. In the 15th District O'Brien, has beaten Lawrence out of the field and Havemeyer has no change. In the 7th District Lawrence is beating O Br en, and Havemeyer gets but few votes, and Greeley is the favorite on the Presidential ticket. In the 18th District O'Brien is a shead and running Grant and Greeley tickets. Lawrence developed great strength in the 17th Ward; counterfeit tickets, scratching and selling out is the order of the day. In one District in the 17th Ward O'Brien tickets are run fr m Tammany boxes.

The Commercial, a Republican paper, concedes the election of Havemeyer, though O'Bries's friends are still confident. Scratching has been general except on the Presidential ticket

declared for Grant, leaving 113 electoral votes, all from the Southern States, for Greeley. Grant will have at least 40,000 majority in this State. Greeley is running behind Kernan and the State ticket by at leeast 15,000 votes. Liberal gains in the Rural districts of Republican counties are more than compensated by Grant gains in the towns of the State. Havemeyer at the time of writing seems to be elected Mayor. The local officers elected, excepting the Mayor, are generally Tammany Democrats. The Republicans have the Legislature of this State by a working majority.
