A POLYCLOT BUSINESS -The wide-spread in fluence of American skill and enterprise has outstripped the comprehensions of the Americans themselves. The fabrics of our mills clothe the savages of both continents. They wrap the loins of Africa, and the tawny skins the Baptist Church last Sabbath afternoon to of South American pampas. But wider still are spread the products of our skill in medicines. A late visit to Dr. J. C. AYER & Co.'s aboratory and office in Lowell, showed us that the whole surface of the habitable globe pays its tribute there; there they cater to and serve the requirements of almost all nations. Their publications are in the many tongues that widely severed peoples use. Their letters must be read from and written in many tongues, for lina by the agency of the Society since the close of the war. Still a fearful destiution exists. These gentlemen will spend a few days in our city, soliciting contributions to aid in pushing forward the work of all of the soliciting than advices. phia, Pa. Gapt., \$100,000; Surplus, \$5,000,000.

ALTHERTY AND UNION, NOW AND FOREVER ONE AND INSEPARABLE."-Daniel Webster.

Parts Jan. 11.

The independence Roge publishes a letter from Count Von Beast in answer to the assertions of Duke de Crammond. The Count shows that Austria tried to dissuade France from going to war with Prussia and explicitly reserved her right to remain neutral France after the war declared that she asked for an alliance

Napoleon left two wills, one of which is The Gaulois of this morning says that the only officers of the French army who are permitted to attend the funeral of Napoleon will be those who were attached to the household of the ex-Emperor during his reign in France.

In the Assembly this afternoon the debate on the Educational Council bill was continued by Bishop Dupanloup, who spake at great length. M. Lamert Pichat, a radical, and M. De Cazes, a conservative. Bitter words were exchanged and there was much bad feeling. After the close of the sitting two friends of the radical called upon DeCaze's and demanded an apology. The result is unknown, but a duel is prob-

President Thiers and the thirty Sub Committee have agreed to the articles permitting the President to address the Assembly on certain specified occasions and giving him a restricted veto power on legislation. Other basis for a

constitution have also been settled. A rupture has taken place in the Left Centre. At a meeting to-day of the deputies belonging to that party Christophe, a radical was elected President, whereupon Cassiner, Perces and his friends immediately withdrew and joined the Right. It is said that Bonspartists deputies

will also unite with the Right.

The Journal officially announces the appointment of Corcellas as French Embassador at the Vatican, in place of Dougoing, who has re-

LONDON, Jan. 11. The remains of Napoleon will probably be buried Tuesday under the seat of the family in the Chancel of the Roman Catholic Chapel at

The time for the funeral of Napoleon bas been definitely decided upon, It will take place next Wednesday morning at eleven o'clock The Royal family of England will be represented on the mournful occasion by the Prince and Princess of Weles and Prince Christian, who will accompany the Empress Eugenie.

The post mortem examination of the En ers remains were concluded at Chiselburst this p. m. and shows that the immediate cause of death was failure of action of the heart. The body will be embalmed and lie in state.

The date and place of the funeral has not yet been appointed. It is probable, however, that the funeral ceremonies will take place in the Roman Catholic Church, near the Imperial res-Prince Murat and Prince Charles Bonaparte

are at Chiselhurst to-day.

The report of the post mortem examination at Chiselhurst says that the failure of circulation was due to the Emperor's general constitutional condition. The bladder was found to be diseased and the kidneys affected, the other organs were sound and healthy, but death was

simply a question of time. The Empress last night was calmer and re ceived several visitors from France. She went several times to the room in which the body

Queen Victoria sent Col. Gardiner to Chiselfurst with an autograph letter, and a telegram of condolence has been received from the Pope. Cardinal Bonaparte is expected to arrive hourly.

Prince Napoleon comes by way of Germany, not being permitted to pass through France.

Beneditti and Madame Canrobert have arrived at Chiselburst.

The Irish journals generally express sorrow

The Bonepartist officers in the French army have asked leave to attend the funeral. Permission will probably be granted if they agree to go in civilian's dress.

NEW YORK MARKETS.

New York, Jan. 11. Money active and closed at 7 per ceut. Exchange weak and lower at the close, when prime bankers offered 9½ per cent. Gold opened at 112½ and closed at 112½ to 112½.

Cotton dull and unchanged—sales of 484 bales—Uplands 20½ cents; Orleans 21½ cents. Flour quiet and firm. Wheat quiet and steady. Corn heavy with a limited demand. Mess Pork dull at \$13 75 to \$14. Lard firmer at 8½

to 81 cents. Naval Stores quiet and firm. Groceries quiet. Freights steady. A Talk About Tonics. The object of a tonic is to increase the clas-ticity and strength of the muscular fibre, and

ticity and strength of the muscolar flore, and to invigorate the general system. As a means of accomplishing these ends, it is expected to improve the appetite and the digestive power of the aromacii. These are certainly important considerations; but to cure dyspensia-billious affections, thrould debility, intermittent fever, and other complaints involving derangments of the liver, the bowels, the prives, and the secretive organs generally norves, and the secretive organs generally something more than a mere tould is required. Hostetter's Stomach Bitters may be safely pronounced the best and most whole-some pronounced the best and most whole-some invigorant extant, but the other special medical properties which belong to this remarkable regetable restorative have as much to do with the worderful results it produces as is tonic virtues. For example, it has certain alterative qualities which literally change the habit or constitution, re-catablishing the healthy functions of the Locy without causing any undue evacuation by perspiration, vomiting or purging. Its entire effect is to put the whole machinery of life in perfect order, to parify all the fluids, including the blood and the bile, and not only to operate as an antidote to disease, where it exists, but so to strengthen, regulate and otherwise imso to strengther, regulate and otherwise im-prove the condition of the system as to render it proof against vicissitudes of temperature, change of water, infected air, and other pre-disposing causes of liver and bowel disturb-ances and epidemic disorders. Hence it is a medicine for all seasons and climes—useful alike to the traveler and the resident in an of the year and at all hand rained from y representation the part of the state of the
