More Aid For Memphis. As will be seen by the ann xed correspondence the Hon. A. M. Waddell will deliver his popular lecture on the Early History of North Carolina in this City on Wednesday evening next in aid of the Memphis sufferers. The subject is one of unusual interest to every North Carolinian, while the object must com-

mend itself to every heart not wholly bereft of sympathy. Wherever Mr. W. has been introduced he-has

been greeted by large and appreciative audiances and as his visit to us is made in the interest of suffering humanity, we feel that it is unnecessary for us to say more than to bespeak for him a warm reception and crowded house, Although there are conflicting rumors from Memphis of an abatement of the fatal malady, yet we must remember that the awful results are now being seen among the thousands of wid was and orphans who crowd the streets of that unhappy city asking for bread, raiment and shel-

NEW BERNE N. C. Oct. 23 1873. Hon. A. M. Waddell Raleigh N. C.

Dear Sir: The undersigned in behalf of the citizens of New Berne respectfully request that you will deliver your address on the Early History of North Carolina, in this city on some day that will best suit your convenience, in aid of the suffering people of Memphis Tenn. Should your engagements be such as to enable you to respond favorably to our request please name the particular day. We would suggest Wednesday next 29th inst. W. M. WATSON.

D. T. CARRAWAY, | Com. JULIUS ASH,

GOLDSBORO N. C. Oct. 25th 1873. Gentlemen : Your favor of the 23d inst; inviting me to lecture in New Berne for the benefit of the Memphis sufferers, was received in Raleigh last night.

I will afford me pleasure to comply with th

Meeting. The Missionary Baptist State Convention will hold their seventh annual session, D. V., at the

Elder E. Eagels, President.

- B. B. Spicer, 2nd Vice President. S. C. Ragland, Recording Secretary.

  - S. W. Boon, Auditor.

## STATE.

- The Weldon Fair begins to-day. The fare on the W. & W. R. R. will be greatly reduced, and articles for exhibition will be carried free.

-The U. S. Circuit Court in Raleigh will commence on the 24th of November. Of 44 Ku Kinx cases ordered to be struck from the docket on payment of costs all but ten have paid. If these do not pay by the first of the term judgment may be prayed against them. On the Criminal Docket there are 119, Civil Docket 70, Equity 23, Libel 17, S. B. G.

-If any of our colored friends have had serious thoughts of throwing themselves into the arms of the Democracy, we commend to their attention the following choice extracts from the Richmond Enquirer, printed in small

capitals, in that paper, on Sunday last : "The white man wlo loves his wife, may subject her and her children to social negro equality, by failing to vote" Again :

"Every white skin native and adopted citizens of Virginia who respects his wife, mothers, daughter or sister, should vote to prevent the negroes being made their social equals." These and other extracts, are printed, from day to day, in the Enquirer to prejudice the whites against the negroes. Virginia seems determined to force the issue of race upon the people ; whereas the colored folks,, themselves. have no wish for "social equality," only claiming equality before the law .- New North State.

burg Index Appeal, dated 22nd gives these particulars. Eight counterfeiters were brought in to-day by the officers of Colonel. Whiteley, chief of the United States Secret Service, and will be tried to-morrow before the United States Commissioners, P. R. Harden. They are said to be men of character and prominence, but I withhold their names for the present by request of the officers, as there are more arrests to be made. The officers inform me that about fifty more will arrive at Asheville to-night en route to Greensboro.' These men were picked up

and was arrested at Salisbury yesterday while

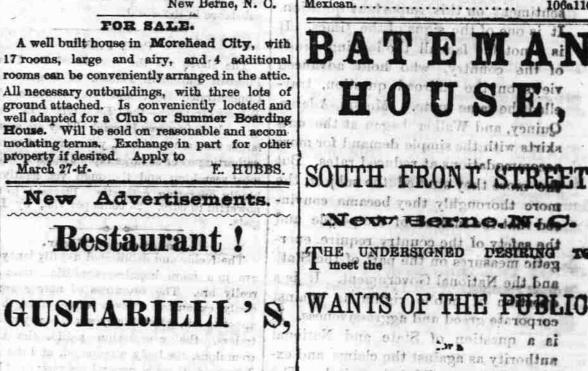

parts of the country as "tonics" and "restoratives," are recommended by their dishonest proprietors and venders as superior to the famous national specific, Hostetters Stomach Bit-First Baptist Church, in this city, near Gedar ters. Desperate attempts are made to thrust Grove Cemetery, beginning on Wednesday, the these pernicious compounds into the hands and down the throats of life-long patrons of the great vegetable stimulant and stomachic; and although these conspiracies against health and life very rarely succeed, it nevertheless seems to be a duty occasionally to warn the credulous against them. Hotetter's Bitters, the unequaled remedy for casual indigestion, confirmed dyspepsia, biliousness, liver complaint, malarious fevers, constipation, constitutional weakness, and the functional derangement of the weaker sex, has for twenty years stood at the head of all medicines of its class—so far above them as to render competition futile. It has not yet reached the meredian of its popularity, its sale being larger now than at any period since its introduction. Its utility as a preventive of disorders engendered by an insalubrious atmosphere or unwholesome water is admitted by physicians prac ticing in unhealtey districts, and it is recomended as a stimulant by many practitioners who will not take the responsibility of prescrib. ing the adulterated liquors of commerce. Symptoms of Liver Complaint, and of some of the Diseases Produced by it. A sallow or yellow color of skin, or yellowish rown spots on face and other parts of body; dullness and drowsiness with dizziness, bitter or bad taste in mouth, dryness of throat and internal heat; palpitation; in many cases a dry teasing cough. with sore throat; unsteady appetite, raising of food, choking sensation in throat ; distress, heaviness, bloated or full feeling about the stomach and sides, pain in sides, back, or breast, and about shoulders ; colic, pain and soreness through bowels, with heat; constipation alternating with frequent attacks of diarrhœa; piles, flatula nce, nervousness. coldness of extremities ; rush of blood to head, with symptoms of apoplexy, numbress of limbs, especially at night; cold chills alter-nating with hot flashes, kidney and urinary difficulties; female weakness, dullness, low

spirits. unsociability and gloomy forebodings, Only few of above symptoms likely to be present at one time. All who use Dr. Pierce's Alt. Ext. or Golden Medical Discovery for Liver Complaint and its complications are loud in its praise. Sold by all first-class druggists.

NOTICE.

to the Holders of Ulaims against Carteret County: I have been appointed a special Commis-sioner for the purpose of compromising what is denominated the floating debt contracted prior to 1868; there is or will be nearly three thousand dollars in the treasury appropriated to this object, in the which I am limited to 50 cents on the dollar. Any persons holding claims for the deficiencies of 1868, 1869-'70 and '71 which have been passed upon by proper anthority, can if they elect to do so, have them settled under this provision. Upon presentation to me I will credit the same and give an order to the Sheriff to pay taxes of this year or to the treasurer to pay the money as soon as collected. I will attend at several places in the County about the time the Sheriff is collecting taxes; will also be at Beaufort every first Monday and Aug. 13th 1873.
