RETAIL MERCHANTS MEET

A meeting of the Newton Retail Merchant's association will be held in the court room Friday night, January 19, at 8 o'clock, to complete the organization and secure an expression from the business men of the town on the sub ject of good roads. At this meeting every business and professional man in town is invited to be present, and to join the association for membership is by no means limited to retail merchants, but men in whatever line of business and the professional men, are all urged to join the associa-tion for the upbuilding of the town. The association will be in the nature of a board of trade, or a chamber of commerce, and all business interests working together in it may accomplish much for Newton during 1917. F. E.
