Grayson Marker Is Unveiled In Impressive Way

Mayor J. A. Rousseau Delivers Talk In Tribute To Late Policeman

UNVEILED ON SUNDAY

Attorney J. L. Grayson Expresses Appreciation Of The Grayson Family

The memorial marker to the late James R. Grayson, North Wilkesboro policeman who was shot and fatally wounded on the streets of the city on the last day of May, was unveiled with impressive ceremony at the family plot in the Baptist cemetery yesterday afternoon.

A host of friends were present for the beautiful service and eloquent tribute was paid to the memory of the brave officer who lost his life in the service of the city.

The slain policeman was the son of Mr. and Mrs. J. C. Grayson, of this city.

The program opened with the song, "America" and the scripture lesson was read by Rev. Eugene Olive, pastor of the First Baptist church. Prayer was led by Rev. J. H. Armbrust, pastor of North Wilkesboro Methodist church, at whose suggestion The Journal-Patriot sponsored the memorial fund.

Attorney J. L. Grayson, of Mountain City, Tenn., a brother of Mr. J. C. Grayson, in a few, well chosen words expressed the appreciation of the Grayson family to all those who made the memorial tablet possible.

Mayor J. A. Rousseau paid tribute to the fine record made by the late policeman while he served as night officer.

A silent tribute of 30 seconds was most impressive and this was followed by the unveiling by Little Miss Margaret Wood Anderson, daughter of former police chief, James M. Anderson. The service was closed with the reading of "Crossing the Bar" by Rev. Mr. Armbrust.

The grave was decorated with beautiful fall flowers and a flag, which had been placed there at sunrise by Sergeant I. E. Valentine, waved in the breeze.

ILLINOIS MAN HEADS LEGION

Edward Hayes Elected By Acclamation As Commander At Chicago Meeting

Chicago, Oct. 5. — Edward Hayes, 42-year-old attorney, of Decatur, Ill., tonight was vested with leadership in carrying out the American legion's intensive program combatting communism, supporting the NRA, strengthening national defense and "otherwise watching out for the republic."

Hayes was elected national commander by acclamation today at the close of the legion's 15th annual convention. The first duty assigned him by his comrades was to work for fulfillment of the legion's four-point program for veterans' relief.

An about face from the bonus demands of other years, the program seeks to guard the interests of only those veterans who were injured or contracted disease in military service, and the dependents of those who died.

A request that they be given free federal hospitalization if unable to pay was the only clause dealing with veterans beset by ailments or economic troubles since the end of the war. The bonus, although favored in six state conventions recently, was not mentioned.

UNVEIL D. A. R. TABLET

Rendezvous Mountain Was Donated As State Park In Year Of 1926

Rendezvous Mountain will be formally accepted by North Carolina as a state park Saturday when Governor J. C. B. Ehringhaus delivers the address of acceptance at the unveiling of the D. A. R. tablet which will take place on the Boone Trail highway near Purlear.

Although the historic mountain was donated by Judge and Mrs. T. B. Finley as a state park in 1926, North Carolina has never formally accepted it and the unveiling of the tablet will be the occasion for the governor to take time off from his arduous duties in Raleigh and visit the spot where Ben Cleveland sounded the call to arms in the days of the American Revolution.

The local chapter of the Daughters of the American Revolution extends a special invitation to all the people of Wilkes county to attend and hear Governor Ehringhaus and others as they take part in this impressive unveiling ceremony.

P.-T. A. Drive Is Going Over

Governor Ehringhaus Strong For P.-T. A. Movement; Drive Ends 14th

Efforts of the Parent-Teacher Association to secure a sufficient number of parents to raise the standard of the association are meeting with gratifying results, it was learned this morning.

The first week of the two-week drive was a success in every way and this week will complete the drive. When the drive ends Saturday, the association hopes to have a sufficient membership to meet the requirements of a standard association, 50 per cent of the parents who have children in school as paid members being necessary.

Governor Ehringhaus in speaking of the state-wide P.-T. A. enrollment campaign last week said:

"I invite the sympathetic attention of the people to this activity and effort. It concerns itself with improvement of opportunity for our children and the membership involves advance endorsement of no particular policy, but only as an organized effort to promote child opportunity."

"It is a worthy cause and I ask at the hands of our people sympathetic and interested cooperation."

The address of Governor W. C. Newland, of Lenoir, who spoke of the great men Wilkes county has given to the state and nation, was enthusiastically received by the North Wilkesboro Kiwanis Club at the weekly luncheon Friday at Hotel Wilkes.

The former lieutenant governor, commonly known to his many friends as "governor," was introduced by L. M. Nelson who had charge of the program.

Mr. Newland spoke of Wilkes county's great natural resources and called attention particularly to the long list of native-born Wilkes citizens who have gone out into the world and distinguished themselves.

Prof. C. B. Eller, county superintendent of schools, was initiated into the club as a new member.

A report of the inter-club meeting at Winston-Salem Monday evening was given by J. B. McCoy, who told of the delightful visit several local members to the Twin City.

Features of the program Friday were the vocal solo numbers by Miss Ellen Robinson, who sang "Pale Moon" and "Home on the Range," and John Kermit Blackburn, popular local vocalist, who gave "The Hills of Home" and "My Wild Irish Rose."

Dollar Days Are Huge Success As Buying Is Brisk

Practically All Merchants Note Big Increase In Business Volume

SATURDAY IS BIG DAY

Fall Dollar Days, staged by merchants of the city Friday and Saturday, were an unqualified success, hundreds of people coming from the remote sections of Wilkes and adjoining counties to take advantage of the low prices which were in effect.

Practically every merchant enjoyed a brisk business and clerks were kept busy, especially on Saturday.

Merchants reported better than normal business all day Friday and Saturday was the biggest day they have experienced this fall.

Many visitors were seen in the city from various communities over the county. Customers expressed their satisfaction at the great opportunity offered through Fall Dollar Days and purchased as liberally as could be expected.

"North Wilkesboro merchants have not staged a special event with greater success in many years," are the words used by one merchant in expressing his satisfaction at the manner in which the Fall Dollar Days were received by the public.

Judge Sink Will Hear Tax Matter

Hearing On Restraining Order To Be Held Saturday At Lexington, N. C.

The anticipated postponement of the hearing on the order restraining North Wilkesboro from collection of the school tax supplement was promptly ordered Friday when the matter came up before Judge T. B. Finley at Wilkesboro and the Wilkes jurist signed an order setting Saturday, October 14, as the date for the final hearing.

Although the hearing was scheduled to be held before Judge Finley, in view of the fact that he is a taxpayer in the city, the Wilkes jurist desired that it be held before another judge.

The hearing will be held before Judge Hoyle Sink at Lexington Saturday at 1 o'clock.

A number of local citizens are seeking to restrain the city from collection of the ten-cent levy for school purposes on the grounds that the special election was not held according to law. They obtained a temporary restraining order three weeks ago and the hearing Saturday will determine whether the order is to be made permanent.

Judge Tam C. Bowle, of West Jefferson, is representing the plaintiffs, while Solicitor John R. Jones is representing the city board of commissioners.

J. L. HEMPHILL RECOVERS CAR

Someone Takes Free Ride and Then Leaves Auto Near Hemphill Home

The Dodge touring car, owned by Mr. J. L. Hemphill, which was driven away from courthouse square in Wilkesboro Wednesday morning, was found parked on the road between Buck and Congo Thursday morning shortly before noon.

Apparently all the person wanted was a free ride, for the automobile was undamaged and a lap-robe, a pair of shoes and a pair of gloves which Mr. Hemphill left in the car were still there.

Since the party who borrowed the car was so polite as to leave it within a mile or so of the owner's home, Mr. Hemphill's greatest regret is that he didn't leave it close enough for him to find and drive to Wilkesboro Thursday morning so he could have avoided a long walk.

Mr. Hemphill, who is secretary to the county board of education, resides near Buck.

Taylorville Attorney Is Understood To Be Considering The Race

HERE ATTENDING COURT

States That He Does Not Have Any Statement To Make At This Time

J. Hayden Burke, well known attorney of Taylorville, when questioned Friday regarding a report that he will be a candidate for Superior court judge next year, said he had no statement to make at this time and declined to say whether he is seriously considering the matter.

Mr. Burke, who is attending Wilkes Superior court now in session at Wilkesboro, is understood, however, to have promised his friends a definite announcement within a short time.

Whether he will find it desirable to give up his large law practice for the bench is problematical, according to those close to him.

The Taylorville attorney has been practicing in the courts of Wilkes for many years and frequently appears in important cases in the different counties of this section of the state.

Mr. Burke has never been a candidate for public office and his friends declare that he has no political ambitions. According to reports he will base his decision as to whether he will enter the race for the place on the bench, from which it is understood, Judge T. B. Finley will retire next December, on the opinions of his friends as to their interpretations of what the will of the people is.

Sales Tax Should Not Be Charged on Any Relief Orders

Merchants Have Misunderstood Law On This Point, Says Welfare Officer

Through a misunderstanding, many merchants in the county have continued to charge the sales tax on relief orders, Charles McNeill, county welfare officer, stated this morning.

"I hope every merchant will instruct his clerks not to do this as relief purchases are tax free," Mr. McNeill said. "The state does not charge a sales tax on the orders for relief purchases and I am anxious for all the merchants who receive these orders to see to it that the relief cases do not have to pay this tax."
