Miss Sue Lyon, who has held a position in the office of the clerk of Superior court for several months, was called to Washington the first of the week where she has secured a position with the Sweet Personnel Veterans administration. She took the civil service examination two years ago.

Nursery School To Open At High School Building
(Continued from page one)

charts will be kept on the weights of the children and other conditions that are indicative of good health.

Immediately after lunch, the children will be required to take a rest period. Cots and sufficient bed covering will be available for each child to have individual resting or sleeping quarters.

"The chief aim of the nursery school is to aid the child in adjusting himself to the school room," Prof. Halfacre stated last night. "The great majority of repeaters are forced to remain in the first grade two years largely because they are unable to adjust themselves in the early part of their first year. The average cost of teaching a child in the North Wilkesboro elementary school is \$30.00 per year. If by conducting the nursery school and aiding the children in getting ready for school work, we are able to eliminate some of the repeaters, many dollars will be saved the taxpayers. Not only will cost be saved, but the child will be able to finish school a year earlier and have an extra year as a producer rather than an added year as a consumer."

Many toys and pieces of play apparatus have been provided for the entertainment of the children during their leisure moments.

Hundreds Attend Furniture Show

Model Home At The Rhodes-Day Store Attracting Much Attention

Several hundred persons have visited the new model home at the Rhodes-Day Furniture company store, it was estimated last night at the close of the third day of the big furniture show now in progress.

In each of the six rooms of the model home on the second floor, furniture harmonizing with the wall paper, window curtains, etc. is displayed in a most effective manner.

The model home is something unique for this section. Every room is completely furnished from the Rhodes-Day stock of furniture and visitors are able to see just how a particular piece of furniture will look in the home.

Visitors have been heard to express high praise of the show and before the two weeks are gone, several thousand people will have attended the show if the present average is maintained daily.

The large living room which is being decorated every other day by one of the six church organizations in the Wilkesboros is of much interest. Furniture in this room is changed on Monday, Wednesday and Friday and on these days, the Rhodes-Day store will remain open until 9 p. m. in order to accommodate the public.

Judges are grading each organization on its work in this room and prizes will be awarded for best selection and arrangement of furniture.

The model home is really an outstanding achievement for the local furniture company and the management cordially invites the people of this section to visit the store while the big show is under way.

Birthday Dinner Given For Mr. J. C. Rash

The children and relatives of J. C. Rash, of Millers Creek, gave him a surprise birthday dinner Sunday, Feb. 11, Saturday, February 10th being his 88th birthday. All of his living children were present to take dinner with him. The party was composed of children and grandchildren and families, and friends of Mr. Rash.

About 10:30 the children began to gather. As some of the party came in sight of the home they saw Mr. Rash making his way to the church for services as he has done all of these years. Upon returning home he was very much surprised to find all of his children with him once more, but was very much delighted. At this time dinner was announced and all gathered in the old log kitchen where they had partaken of many meals. (The weather was too cold, prohibiting a table being spread outdoors). There being a bountiful dinner spread on the old family table with additions of other tables. Grandpa was seated at the end of the table at his accustomed place and the children gathered close by. Rev. A. W. Eller, being a special guest, asked God's blessings on the home and children and returned thanks for the bountiful dinner that was spread.

After all the dinner things were cleared, the party gathered in a large room for a short service of worship after some old time songs with Grandpa helping as he has always been fond of vocal music. Rev. A. W. Eller read a scripture lesson, after which Mr. J. H. Kilby vocalized prayer. Then a song "What a Friend we have in Jesus." Brother Eller announced his subject "Using Our Own." He preached a wonderful sermon and was very appropriate for the occasion bringing to bear on the mind that all who used what God had given them had the promise of a long life. He also stressed on the minds of his hearers to first seek God and his Righteousness and all things will be added. Brother Eller requested a song and asked all to take Grandpa by the hand as a token and appreciation of his long life. After prayer by the preacher the congregation sang a song, "God be with you till we meet again."

All departed wishing Grandpa many more birthdays.—Reported.

Deputy Collector Helping Taxpayers

Glenn Dancy, deputy collector of internal revenue for the federal government, will spend today and tomorrow at Hotel Wilkes, assisting taxpayers in filing their returns.

Would Ban Drug Addicts

Chicago, Feb. 13.—Revocation of the licenses of physicians who are drug addicts was urged today by H. J. Anslinger, U. S. commissioner of narcotics, in an address before the annual conference of state medical boards.

Watauga Bar In Favor Of Burke

Lawyers Pass Resolution Endorsing Alexander Man For Superior Court Judge

(Watauga Democrat, Feb. 8.)
The Watauga County Bar Association has gone on record as being heartily in favor of the nomination and election of J. Hayden Burke, of Taylorsville, as judge of the Seventeenth Judicial District, to succeed Hon. T. B. Finley, who retires at the end of his present term. Although Watauga county is not in the Seventeenth District, local barristers felt so strongly in favor of Mr. Burke's candidacy that a resolution was adopted, as has been done in many counties both inside and outside the district. The resolution says:

"We, the undersigned members of the Watauga County Bar Association, while not being residents of the Seventeenth Judicial District, but being interested in the selection of a man well qualified in every respect to succeed the Honorable T. B. Finley, present judge of the said district, and who has declined to submit his name for re-election to said office, do hereby most heartily endorse the candidacy of Honorable J. Hayden Burke of Taylorsville, N. C., for Judge of the Seventeenth Judicial District.

"We know Mr. Burke to be a man of high legal attainments, of good moral character and one who possesses integrity, who is learned of the law, and a man of fine judicial temperament, and if he is elevated to the bench of North Carolina, we believe he will make a record that both his friends and the State of North Carolina will be proud of in the years to come."

The resolution, which was unanimously adopted, bears the signatures of: William R. Lovill, Charles T. Zimmerman, J. E. Holsouser, T. E. Bingham, John E. Brown, John H. Bingham, R. L. Ballou, Robert W. Pulliam, G. M. Sudderth and Wade E. Brown.

EVIDENCE OF ELECTION YEAR BEGINS TO APPEAR

(Continued from page one)

Judge Johnson J. Hayes became a federal jurist, has not made any announcement, but is expected to be a candidate to succeed himself. Another local man in the person of A. H. Casey, a well known member of the Wilkes bar and chairman of the Republican county executive committee, is being talked on the streets as a possible candidate. Mr. Casey stated over the telephone yesterday that he did not have any statement to make at the present, but may consider entering the campaign.

It is very probable that other counties in the district may offer candidates before the time for filing expires.

Most of the street gossip about candidates for county offices has centered around the Republican aspirants. The Democrats as yet have given no inkling of any slate of candidates.

While Sheriff W. B. Somers and Clerk of Superior Court W. A. Stroud have made no public statement as to whether they will seek re-nomination in the June primary, several names have been mentioned in connection with the offices they now hold. Among those who are talked for sheriff on the Republican ticket are H. C. Kilby, Chief Deputy Sheriff Old Wiles, C. C. Hayes and Sherman Anderson. This list is by no means reliable and several more names may be suggested if Sheriff Somers should decide not to seek office again.

Potential candidates for Mr. Stroud's office include Prof. T. E. Story, Dave Mink, J. B. Norris, C. C. Hayes, Ed Dancy and a host of others. These names were suggested by political observers who admit that the list may be altogether incorrect when the time comes to dig up one per cent of annual salary and hand it over to the county board of elections before the names are added to the primary list. That is the situation this year and those who muddy the waters must pay a fee for permission to do so.

As to the other offices, including those mentioned above, your guess is as good as anyone's. The only safe prediction is that the next three months will find many a candidate traveling hither and yon into the corners and nooks looking for votes—votes which are necessary when knocking at the door of public office.

YADKIN COUNTY CASE WILL BE HEARD HERE

Judge T. B. Finley will hear arguments on a petition to restrain the county of Yadkin from obtaining a loan of \$140,000 for the construction of school buildings Saturday afternoon here. The county commissioners are seeking an injunction against the school board which applied for the loan. The case was scheduled to be heard last Saturday, but was continued.

Yale Football Coach

NEW HAVEN: ... To Raymond "Ducky" Pond (above) former star athlete for Old Eli, goes the job as head football coach at Yale this year. The appointment of a new football coach this year brought forth great enthusiasm among Yale men.

T. J. Robertson Rites Held Here

Former North Wilkesboro Publisher Dies; He Resided At Madison

Last rites for T. J. Robertson, former North Wilkesboro publisher, who died in Wesley Long Hospital in Greensboro Monday morning, were conducted from the Presbyterian church here yesterday afternoon at 2:30 o'clock. The service was in charge of Rev. C. W. Robinson, pastor, who was assisted by Rev. W. H. Willis, Rev. E. E. Williamson and Rev. E. O. Ward, of Madison.

The funeral party was composed of a large number of citizens of Madison where Mr. Robertson was located the last 16 years of his life. Following the service at the church, the Masons took charge and conducted the Masonic service at the grave in the Presbyterian cemetery.

Joe Robertson, as he was known in Wilkes when he resided here, was 70 years of age. He had been in declining health for more than a year and had been confined to his room the greater part of the past three months. Muscular atrophy was the cause of death.

Mr. Robertson came to North Wilkesboro from Kernersville almost 40 years ago and started the North Wilkesboro Hustler. He disposed of his business here several years later and moved to South Hill, Va. He later returned and resumed newspaper work here. About 16 years ago, he moved to Madison where he edited and published The Messenger, a weekly newspaper. He was a Presbyterian, having first joined the church here in 1897.

Wherever he resided, Mr. Robertson always took an active part in the social, civic and religious life of the community. He had served as mayor of Madison and as president of the Madison Rotary Club. He was a member of the Masonic order.

Surviving are the wife, who before marriage was Miss Minnie

TRANSYLVANIA MEN GET HEARING HERE

(Continued from page one)

Some time ago the defendants announced they had made the stipulated restitution, and appealed to Governor Ehringhaus for clemency. Judge Townsend joined in the appeal. After an investigation, the governor declined to use his executive power of clemency.

Court Improperly Constituted
In their petition last night, the defendants alleged that they had been tried by an improperly constituted court, and also took the position that they had returned the \$30,000, and that this action on their part was equivalent to the payment of a fine.

In setting the date for the hearing on the writ of habeas corpus for February 22, Judge Finley remarked that he desired to give Solicitor J. Will Pleas, who prosecuted the cases, ample time to prepare the state's reply to the petition.

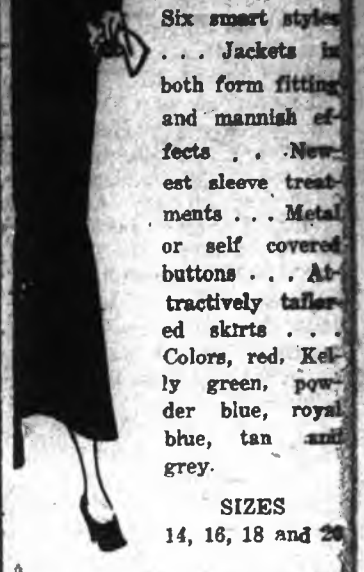

J. E. Shipman (no relation of the defendant) and M. M. Redding, both of Hendersonville, and Lewis P. Hamlin, of Brevard, were attorneys representing the quartet in the hearing here.

The allegation as to the incompetency of the court was based on a contention that some of the jurors were not properly qualified, and that the indictments were defective. Details of the alleged defects were not available.

The quartet remained in custody of Sheriff Wood. They had supper here after the hearing and left on their 140-mile return trip to Brevard by automobile shortly after 10 o'clock.

McMillan, of Marion, Va., and one sister, Mrs. G. A. Bodenheimer, of New York City.
