WAKE UP YOUR LIVER BILE—WITHOUT CALOMEL

And You'll Jump Out of Bed in the Morning Rarin' to Go

If you feel sour and sick and the world looks pink, don't swallow a lot of salts, mineral water, oil, laxative candy or chewing gum, and expect them to make your bowels move and brighten and full of sunshine.

For they can't do it. They only move the bowels and a mere movement doesn't get at the cause. The reason for your unwellness and feeling in your liver, is should pour out two pounds of liquid bile into your bowels daily.

If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels, thick, bad taste and your breath is foul, skin often breaks out in blotches. Your head aches and you feel down and out. Your whole system is poisoned.

To make those good, old CARTER'S LITTLE LIVER PILLS to get these two pounds of bile flowing freely and make you feel "up and up." They contain wonderful herbals, gentle vegetable extracts, amounting to a mass of liquid bile flow freely.

But don't ask for liver pills. Ask for Carter's Little Liver Pills. Look for the name Carter's Little Liver Pills on the box label. 25¢ a bottle. 50¢ a dozen. © 1934, W. C. Carter.

Why Can't We Allow More For Your Car Than the Price Set by the Code Official Used Car Guide?

WHY CAN'T WE, OR, ONE OF OUR SALESMEN, SELL YOUR CAR—BUY YOUR CAR OR WORK A "TRICK" FOR YOU?

We Can It is quite possible, by subterfuge, to allow any price we choose and perhaps, "get away with it."

But . . . If we do this,

We Make Ourselves Liable to heavy fines and imprisonment. A United States law provides ". . . that no dealer shall, directly or indirectly, or by SUBTERFUGE, accept in trade any used vehicle at an allowance price of more than its value as ascertained."

We Lose any claim we may have to good citizenship. Law breakers are not good citizens.

We Lose your confidence and your future patronage, for, having pledged ourselves to obey the letter and spirit of the code of fair competition, if we violate our pledge we cannot expect you to trust us in any future transaction.

We Lose the respect and confidence of our fellow dealers, and become outcasts and renegades among them. They have built the code at tremendous cost of time and money. They depend upon us to support it, and we have given our word of honor to do so.

We Lose our self respect.
