is a candidate for the Republican nomination for legislature member and has filed with the board of elections.

Friends of Mr. Bryan point to his career as an official as fitting him for a representative of the county in the next legislature. He was private secretary to the late Congressman R. Z. Linney, representative from Wilkes county in the 1915 legislature, district deputy collector and master of the Traphill lodge A. F. and A. M. for 20 years. He has taken an active part in civic and community affairs and is widely known throughout the county and this part of the state.

The statement issued by Mr. Bryan this morning follows:

Traphill, N. C. Apr. 30, 1934.  
To the Republicans of Wilkes County:

"At the request of Republicans from various sections of the county, I have filed with the board of elections for Wilkes county the required fee and sincerely request your support in the coming primary, June 2, 1934, in procuring the nomination as your candidate, on the Republican ticket, to represent Wilkes county in the next legislature. If nominated and elected I will represent our grand old county to the very best of my ability. I am the same Sherman Bryan that you nominated and elected in 1914 and I have been loyal to the Republican party ever since I cast my first vote. I am in good health and hope to receive the nomination."

**T. H. SETTLE**

T. H. Settle, register of deeds for Wilkes county since he was first elected in 1928, today announced that he is a candidate to succeed himself and is seeking the support of Republicans in the primary to be held on June 2.

Mr. Settle has issued the following announcement:

"Since giving the matter due consideration, having been asked by many of my friends to do so, I have decided to offer myself as a candidate for Register of Deeds to succeed myself. I have done my very best to serve the public as courteously and efficiently as possible. I promise if nominated and elected to continue to the best of my ability to render every service humanly possible to the desires and wishes of the taxpayers and citizens of Wilkes county. I wish also to state that certain defamatory and unfounded remarks have been circulated with a view of defeating me as Register of Deeds, which also will be further discussed at a later date.

"Thanking every Republican in advance for their support, I am as ever, a Republican, wishing the party success and advancement."
