An Appeal To Democrats

To the Democrats of Mitchell, Avery, Wilkes, Alexander, Davie and Yadkin Counties:

You will soon be called upon in a Democratic Primary to select a successor to Judge Finley who has made known his intention to retire at the end of his term and, will thereupon become an Emergency Judge with all the powers and jurisdiction that he now has, except that he will not thereafter have to hold courts on schedule.

Believing that party gratitude to one who astounded the State by his wonderful campaign for Solicitor of this district four years ago when he reduced the normal republican majority of six thousand to the small majority of four hundred and twelve, and that Democrats should nominate a man who has fine judicial temperament, splendid ability and is honest to the core, I appeal to the Democrats of the district to vote for John W. Ragland, of Mitchell County, for the nomination for Judge of the district.

John Ragland is a Mitchell county Democrat and everyone knows what that means for to live in Mitchell county as a Democrat and to have made the fight John Ragland has made means that he is of the Simon-pure variety, and to have reduced the Republican majority in the district as he did, shows the esteem with which he is held even by his political enemies.

John Ragland will, as Judge, command the admiration of everyone for his splendid judicial poise and ability, and Democrats will be proud of him. Vote for him in the primary and get your friends to do the same.

We feel that he should be compensated by our party for the wonderful fight he made for Solicitor your years ago. The eternal fairness of things demand it. Yours for party success,

C. F. LAMBERT,
Chairman Democratic Executive Committee, Mitchell County.

HOW WOMEN CAN WIN MEN AND MEN WIN

The Favor of Other Men

Unless two pints of bile juice flow daily from your liver into your bowels, your food decays in your bowels. This poisons your whole body. Movements get hard and constipated. You get yellow, tongue, yellow skin, pimples, dull eyes, bad breath, bad taste, gas, distention, headache. You have become an ugly-looking, foul-smelling, sour-thinking person. You have lost your personal charm. Everybody wants to run from you.

But don't take salts, mineral waters, oils, laxative pills, laxative candies or chewing gums and expect them to get rid of this poison that destroys your personal charm. They can't do it, for they only move out the tail end of your bowels and that doesn't take away enough of the decayed poison. Cosmetics won't help at all.

Only a free flow of your bile juice will stop this decay poison in your bowels. The one mild vegetable medicine which starts a free flow of your bile juice is Carter's Little Liver Pills. No calomel (mercury) in Carter's. Only fine, mild vegetable extracts. If you would bring back your personal charm to its own, start taking Carter's Little Liver Pills according to directions today. 25¢ at drug stores.

Refuse "something just as good", for it may grip, lower leg or scalp sections. Ask for Carter's Little Liver Pills by name and get what you ask for. ©1934, C.M. Co.
