For Clerk of Court

Having announced my candidacy for the Republican nomination for Clerk of Superior Court of Wilkes county in the June primary, I wish to say that I will be deeply grateful for any support which you may give me...

THE REPUBLICAN VOTERS OF WILKES

Having previously announced my candidacy for the nomination of Sheriff of Wilkes county on the Republican ticket, and trusting that time will not now permit me to make a personal appeal upon every Republican voter in Wilkes County, I take this method of further acquainting you with my candidacy.

I am a World War Veteran, having seen active service in France, with the 81st Division, and having served for six years as Jailor and Deputy, my supporters point out the fact that I am well qualified by training and experience to make an efficient officer.

I stand for economy in the operation of the county government, and I pledge my wholehearted support to, and co-operation with, the county commissioners in keeping a low tax rate in Wilkes county.

If nominated and elected Sheriff of Wilkes County I pledge myself to accept the office for the salary thereof, and I will not ask for nor accept any other fees for service of process in Wilkes County.

Believing as I do, that my party is made up of the rank and file of the Republican voters in my county, and that its opportunities for service should be open to all, I am unalterably opposed to long terms in office.

Trusting that I may have your vote and your support in the forthcoming primary June the 2nd, I pledge myself, if nomi-

North Wilkesboro, N. C., May 14, 1934. To the Editor of Journal-Patriot, North Wilkesboro, North Carolina. Dear Sir: I was in North Wilkesboro this morning and my attention was called to a political advertisement which was carried in your paper Monday, May 14th, 1934, to the effect that J. C. Reins, chairman of the Democratic executive committee of Wilkes county, J. G. Hackett, F. C. Tomlinson, T. B. Finley, judge, and J. A. Rousseau, mayor, endorsed me in a telegram addressed to Senator J. W. Bailey and others urging that I be appointed as chief deputy marshal for the middle district of North Carolina. After seeing this advertisement, I am compelled, out of fairness to the gentlemen who endorsed my telegram, to state the facts about this endorsement. I did secure the endorsement of these gentlemen for the office of chief deputy marshal and at the time they endorsed me they stated that there was no one in Wilkes county seeking the office of chief deputy marshal, but that the Democratic executive committee of Wilkes county had endorsed Mr. Odell Whittington, of Wilkes county, for the office of deputy marshal and that some other Democrats of Wilkes county had endorsed Mr. W. A. Jones for the office of deputy marshal, and they told me that they would not endorse me for any office where Wilkes county had an applicant for the office, but that there was no one from the county of Wilkes seeking the office of chief deputy marshal. The office of chief deputy marshal and deputy marshal are two separate and distinct offices. The office of chief deputy marshal pays considerable more than the office of deputy marshal and the chief deputy marshal is located in Greensboro. I, at no time, sought the office of deputy marshal and if the office had been tendered me at that time I would not have accepted it. Mr. Jim Rivers, of Boone, was appointed chief deputy marshal, and for some reason did not accept it and a gentleman from Rockingham was appointed and it is my information that he is now serving as chief deputy marshal. I am also reliably informed by the chairman of the Democratic executive committee of Wilkes county, D. J. Brookshire, that the Democratic organization is backing Odell Whittington at this time for the office of deputy marshal. At the time I secured the endorsement of the Wilkes county Democrats who signed my telegram, I had the endorsement of the Democratic organizations of several other counties surrounding and adjoining Wilkes county and I am informed that some of the gentlemen who signed this telegram and other Democrats of Wilkes county had endorsed other candidates for offices outside of Wilkes county where there was no Wilkes county man seeking the office. At the time these gentlemen signed this telegram they told me that there was no candidate in Wilkes county seeking this office but that if anyone in Wilkes county did become a candidate they would endorse and back the Wilkes county man. I have been acquainted with J. C. Reins, J. G. Hackett, F. C. Tomlinson, T. B. Finley and J. A. Rousseau for a number of years and I know that they have at all times had the interest of the Democratic party of Wilkes county at heart and have been active Democrats and loyal to the Democratic organization of Wilkes county. I notice that the name of Mr. C. T. Doughton did not appear as one of the signers of the telegram. Mr. Doughton, cashier of the Deposit & Savings Bank, and son of Hon. R. L. Doughton, congressman of the 9th congressional district of North Carolina, signed the telegram endorsing me and signed this telegram as chairman of the Young Peoples' Democratic Club of Wilkes county. I have known Mr. Doughton for a number of years and know that he has been an active Democrat and is loyal to the Democratic party of Wilkes county, where he has been living for several years. I want to repeat, so that the voters of Wilkes county may know the true facts concerning the political advertisement, that I did not seek the office of deputy marshal and would not have accepted this office had it been tendered to me at that time. I have been reliably informed that the office of deputy marshal is still open and that there has been no appointment made for this county. Respectfully, W. E. McNEILL.

To the Republican Voters of Wilkes County: In asking for the nomination and election to the office of Register of Deeds in our county, I wish to say that I believe in the following principles, and propose to live up to them to the best of my ability: 1. Public office is a public trust. So is the right to vote. 2. Politics, government, and business should be honest. 3. Economy in public affairs is as necessary as it is in private business. 4. Public business should be carried on for the good of ALL the people. 5. Every officer should be well qualified to do the work of the office to which he is elected. 6. Free government must be of the people, for the people, and by the people. 7. The principles that made the Republican party great in the days of Lincoln, McKinley, and Theodore Roosevelt are needed as much now as they were then. The things that make a great party will make a great country. Yours for service, MILLARD F. BUMGARNER
