MEMORIAL DAY SERVICE HELD IN THIS CITY

Sacrificed Lives of Four Wars Honored in Service Here Yesterday

DR. JENKINS SPEAKER Says War May Be Ended By Teaching Principles of Righteousness

Teaching the principles of righteousness will end wars in the world, was the thought expressed by Dr. W. A. Jenkins, pastor of the Methodist church here, in an address at the Memorial service held yesterday evening at the Memorial marker in this city.

Line of march from Hotel Wilkes to the marker preceding the service was as follows: color bearers, firing squad of Company A 105th Engineers, Wilkes Post of the American Legion, Wilkes unit of the Legion Auxiliary and Boy Scouts of the three local troops.

The service was opened by the singing of "America" by the assembly and prayer led by Rev. C. W. Robinson. Ladies of the Legion Auxiliary sang "Lest We Forget."

Dr. Jenkins lay particular stress upon honoring the World War dead who fell on the fields of battle and the thousands who died in hospitals in the terrible influenza epidemic while they were in the service. He added that people can keep faith with those who sacrificed their lives by honoring them on Memorial Day and by honoring the mothers and fathers who gave their sons.

In his prediction of the day and age when war will be outlawed the speaker called attention to the multitude of people who are becoming more and more discontent with war as a means of settling differences between nations.

Wreaths were placed on the marker honoring the dead of the American Revolution, the War Between the States, the Spanish-American War and the World War by Mrs. W. C. Grier, regent of the Rendezvous Mountain Chapter of the Daughters of the American Revolution, Mrs. B. R. Underwood, representing the Wilkes Valley Guards chapter of the United Daughters of the Confederacy, Mrs. A. E. Spainhour for the Spanish-American War, and Miss Toby Turner, representing the local unit of the American Legion Auxiliary.

The firing squad fired a salute over the marker and the assembly disbanded after singing "Star Spangled Banner."

Mr. Harry Miller, of Washington, D. C., was a visitor in this city Tuesday.

M. S. Phillips Still In Critical Condition From Burns In Hot Mash

Later Report
Claude Tague, alleged to have been one of the men at the still where M. S. Phillips was thrown into boiling mash, was arrested by federal men in Blowing Rock Tuesday evening. He will be given a hearing with the others on June 9.

Morris Matherly and Turner Laws, captured at still at which M. S. Phillips was alleged to have been thrown into a vat of boiling mash Sunday night, will be given a preliminary hearing before U. S. Commissioner J. W. Dula on Saturday, June 9.

Meanwhile practically all deputy marshals in the middle district have been summoned here to aid in the search for the three men who escaped from the federal officers at the still, one of whom is thought to have been the one who pushed Mr. Phillips into the mash, causing him to be severely burned.

Condition of Mr. Phillips remains critical and it is learned that he has only a slight chance to recover. He is being treated at the hospital here.

So far the officers have been unable to identify or locate the three men who escaped. It was intimated yesterday, however, that the officers have information that may lead to their capture.

Eighth Month Teachers' Pay Expected Soon

Checks Being Mailed Out From Office of State Relief Director

TO NOTIFY TEACHERS
Will Not Be Necessary For Teachers To Inquire About Checks

Eighth month pay for teachers in Wilkes county is expected within the next few days, Superintendent of Schools C. B. Eller stated.

The greater part of the teachers are to receive the last month's salary from the Emergency Relief Administration instead of the state, the federal government having come to the aid of the state in furnishing the money for the last month's pay.

Only the teachers who are eligible to be placed on the relief list will be paid from the office of Mrs. Thomas O'Berry, state relief administrator. Principals and teachers receiving over \$100 per month will receive their pay from the state in the usual way. This class of teachers will get their checks within a short while, is the opinion of school authorities.

The eighth month salary checks will be sent from the office of Mrs. O'Berry to Supt. Eller, who will either notify the teachers upon the arrival of the checks or mail them out as soon as possible after the proper entries can be made on the books. It will not be necessary for the teachers to call for their checks until after they have been notified.

Miss Zenna Wyatt Died Last Night

Girl Who Shot Self With Pistol Friday Night Passes Away Here

Miss Zenna Wyatt died at The Wilkes Hospital at twelve o'clock last night from a self-inflicted bullet wound. She shot herself at the home of her parents, Mr. and Mrs. Lon Wyatt, who live near this city, on Friday night. No hope had been held for her recovery.

According to an account of the affair given by her father Zenna and a girl friend were at his home on Friday night. The girl who was with Zenna told her father that Zenna was playing with a revolver and had taken three of the cartridges out of the cylinder. She then told her girl friend that it would take four snaps of the gun for it to fire and stuck the end of the barrel in her mouth. She pulled the trigger and the gun fired, lodging the .38 calibre bullet at the base of her skull. Her father is of the opinion that the cylinder of the gun revolved in the direction opposite what the girl expected.

She was 19 years of age and leaves her father and mother and the following brothers and sisters: Mrs. Edna Woodie, of Laurel Springs, Boyd, Ray, Tracy, Juanita, Bonnie, Chessie and Anna Lee Wyatt, of North Wilkesboro route 2.

The funeral service will be held at Peak Creek Presbyterian church late tomorrow afternoon.

Schenck Sworn In
Raleigh, May 28. — Judge Michael Schenck, successor to Justice William J. Adams, of the Supreme court, today took the oath of office and went immediately into conference to work out with his four associates the law involved in the appeals.

A few of these cases have come down from Judge Schenck's own courts in which instances of course he will not sit. But the great bulk of appeals over which he must work will be decided on briefs submitted and the new justice will read these. The date for the final opinions has not yet been set.

Much Interest Being Shown In Coming Primary By Both Parties

Wilkes county's electorate will march to the polls Saturday to nominate officers for the election in November. The polls will open at sunrise and close at sunset.

Both political parties will participate in the primary, which will be conducted in the same manner as an election. Voters will vote by the Australian ballot system, a separate ticket being provided for the two parties because of the fact that a voter can vote in the primary only for the candidates of the party with which he or she is affiliated.

Interest in the primary in Wilkes has reached a high pitch, there being contests for positions in both the Republican and Democratic parties.

In addition to county officers the voters will face the duty of naming a candidate for the Democratic ticket and a candidate for solicitor and publican ticket.

With close contests for various nominations in the primary expected in the primary Saturday.

The Journal-Patriot is publishing on pages four and five the sample ballots for the primary, both Democrat and Republican. The reader's attention is called to the ballots for information as to who is on the ballot and for what offices. Voters should cast their votes.
