J. Ruff Henderson
Chairman of Wilkes County Board of Elections.

Primary Election June 2nd, 1934.

To the Republican Voters of Wilkes County:

From every corner of Wilkes County comes the pleasant news that I shall be the next Republican candidate for Clerk of the Superior Court. On account of the fact that I have been unable to see all the Republican voters, I want to assure each and every one of them that I will try to hold their banner in the next election and carry it to the front rank of the enemy lines.

I again promise the people that after my election as Clerk of the Superior Court of Wilkes County that I will in every way endeavor to serve the people of Wilkes County in a satisfactory manner and carry on the duties of the Clerk's office in a way acceptable to the voters of my party who are giving me this nomination. The duties that will devolve on me as Clerk of the Superior Court of Wilkes County will be performed without fear or favor, and I will at all times perform the duties of the office without regard to clique, clan or party.

I am indeed sincerely regretful that I have not been able to see all the Republican voters, both men and women, who live in Wilkes County, but I wish to now thank them in advance for their support. I have not been actively engaged in factional politics in Wilkes County and have not been so fortunate as some of my opponents who have held public jobs, and therefore secured a wide acquaintance.

However, the overwhelming support that has been accorded my candidacy by the people will forever be a source of gratification and pleasure to me. I wish that I could have seen every man and woman voter in the county face to face and talked to them about the issues of this campaign, but since I cannot, I want all of you to know that I want to see you at a later date and that your support is sincerely appreciated by me.

Respectfully,
J. Ruff Henderson.

Lady Says She Took CARDUI for Cramps; Was Soon Relieved

Women who suffer as she did will be interested in the experience of Mrs. Maude Crafton, of Belleville, Ill., who writes: "For several years, I suffered from irregular trouble and cramping. There would be days when I would have to stay in bed. I would get so nervous, I was miserable. My aunt told me to try Cardui. She believed it would build me up, regulate me and help the nervous trouble. I knew after taking half a bottle of Cardui that I was better. I kept on taking Cardui and found it was doing me a world of good. I am in good health, which means a lot to me." Thousands of women testify Cardui benefited them.
