Luke Grayson Leading In Race For Nomination For District Attorney

Luke Grayson, a brother of J. C. Grayson, of this city, was leading in early returns in the Republican primary for the nomination for district attorney in the extreme eastern district of Tennessee Saturday night. With several precincts not reported the tabulation indicated that the race would be very close. Attorney Grayson is a resident of Mountain City. Republican nomination in that district is equivalent to election, there being no Democrat filed for the office.

Thanks Voters Of Wilkes To The Republican Voters Of Wilkes County:

I want to take this means of thanking the Republican voters for nominating me as their candidate for the office of the Clerk of the Superior Court. I renew my pledge that I will do all in my power for the entire ticket this fall, and for the up-building of the Republican party. And if I am elected I will serve the people in an efficient and courteous manner, Thanking you again for your support. I am faithfully yours,

C. C. HAYES.

"Vanities Of 1934" Is Delayed In Accident

"Vanities of 1934" super-stage attraction scheduled for the Sunday midnight show at the Liberty Theatre, was unavoidably postponed due to the fact that the show troop was delayed in a bus wreck while on its way to this city.

The management of the Liberty Theatre state their regret of the mishap that made it impossible for the show to be given Sunday night and assures the public that it will be scheduled at the earliest possible date.

MRS. NELL HENDREN GRANTED A DIVORCE

Wilkes Superior Court for the trial of civil cases came to an end in Wilkesboro Wednesday afternoon. Judge Wilson Warlick, of Newton, presided over the term, which began on Monday, June 4.

Among the cases disposed of in the latter days of the term was the case of Mrs. Nell Hendren versus Luther Hendren. She was granted a divorce.

USE GOOD SUGAR FOR GOOD JAMS AND JELLIES

Buying in Cotton Bags Assures Purity and Full Weight

In buying their sugar for canning and preserving this summer, Southern women should be particular to buy it in the 5, 10 or 5-pound cotton bags in which it is packed at the refinery.

There are many good reasons for this, the first being that she knows exactly what brand of sugar she is getting, and can tell whether or not it is sugar that has been refined in this country under the strict United States sanitary conditions by American labor under the NRA code—or whether it is foreign refined sugar. The cotton bag also keeps the sugar in the same pure, clean state in which it left the refinery.

In addition, when she buys sugar in a cotton bag, she is stimulating the consumption of cotton—the crop upon which the prosperity of the agricultural South largely depends. The Savannah Sugar Refinery at Savannah, Ga., refiners of Dixie Crystals Sugar, alone uses 10,000,000 yards of cotton cloth a year in packing their sugars.

Put up plenty of fruits this summer for use this winter. The price of canned goods, jellies, etc., has gone up materially in recent months, and it is predicted that their price will be higher. The more you can save this summer, the more you will save on your food bill next winter.

Goodyear Tires Now Guaranteed

The famous Goodyear tires—the All-Weather and Pathfinder brands—are now fully guaranteed against all road hazards for twelve months. Carl F. Colvard, of the C. & C. Service Station, announced today.

Anyone now buying the Goodyear All-Weather or the Pathfinder tire now receives this sweeping guarantee against all road hazards for a period of one year, this advantage being made possible on account of the huge volume of Goodyear sales, and also due to the fact that Goodyear constructs a tire that the company believes will stand hard wear on any kind of roads.

The Goodyear Tire Company recently placed the famous G-3 tire on the market, and this new tire is also guaranteed for twelve months, Mr. Colvard states.

HOUSING BILL PASSED IN FORM DEMANDED BY PRESIDENT TROOSEVELT

Washington, June 14—Liberal Democrats today forced revision of the housing bill and jammed it through the house in the form demanded by President Roosevelt for his projected national campaign to modernize thousands of small homes and clear away disease-breeding slums.

The bill was sent to the senate by a smashing 176-to-19 majority. The final action came after a day-long floor fight in which important sections of the measure stricken out by the Democratic-controlled house banking committee were reinstated by 147 to 90.

The housing bill sets up a federal home credit insurance corporation with \$200,000,000 capital. It will insure partial loans of private agencies for repair and modernization of homes and for construction of new dwellings. With this federal support, the government believes hundreds of millions of private capital will be available for work that will greatly improve living conditions of countless families and at the same time will give work to the unemployed.

The bill also provides for creation of new corporations, backed by capital of the Home Loan corporation, to guarantee existing real estate mortgages and finance construction of low-cost housing and slum clearance projects.

Dr. W. A. Jenkins Talks to Kiwanians

T. W. Ferguson Proposes Inter-Club Meeting With Lenoir At Ferguson

Dr. W. A. Jenkins, pastor of the local Methodist church, entertained members of the North Wilkesboro Kiwanis club in their noon luncheon meeting Friday with an inspiring talk on the subject of "Reading." The program was in charge of J. D. Moore.

The meeting, which was well attended, opened with the singing of "America" and invocation by A. A. Finley.

Secretary T. E. Story read a letter from T. W. Ferguson, prominent farmer and Grange leader of the Ferguson community, proposing that the club arrange an inter-club meeting with Lenoir Kiwanians to be held at Ferguson school building on or about July 13. The proposal was referred to the inter-club relations committee.

The secretary also called attention to a Kiwanian edition of the Hickory Daily Record. He passed a copy of the edition to the members of the club for inspection. The edition was devoted to Kiwanis and its activities.

J. D. Moore called attention to the fact that the triangle at the intersection of highways 60, 16 and 18 between the Wilkesborsos should be made more attractive by the planting of shrubbery and grass.

Mr. Moore then presented Dr. Jenkins, who spoke in a very interesting and convincing manner on the subject of reading. He urged that people read more and better subject matter. He named some of the renowned authors as being idealists and whose writings were worthy of the most careful perusal.

HAYS-DOCKERY NEWS

HAYS, June 15.—Mr. Charles Huggins, of Palmetto, Fla., is spending a few weeks of his summer vacation with his aunt, Mrs. A. C. Billings. Mr. Huggins' father, Sherman Huggins is an automobile dealer in Palmetto and a prominent business man of that city.

The farmers of this section have been very busy the past week owing to the previous rainy weather, which put most everyone behind with their crop work, but the coming week promises to be more rushing on account of the grain harvest. Some of the farmers have already begun cutting grain.

The measles epidemic, which has been very prevalent in this community for some time, seems to be subsiding considerably. So far the disease has been rather mild.

Mrs. Augusta Caudill, of Hays, was a business visitor to North Wilkesboro Friday.

India Has Earthquake

Calcutta, India, June 14.—A terrific earthquake which it is feared may have killed many persons, shook Afghanistan and Baluchistan early today. No detailed reports from the affected area which was reported to extend along the whole northwest Himalaya range, had been received here tonight, and it was recalled that the quake in Bihar province last January so disrupted communications that it was more than a week before details of the disaster were learned. There were indications that Mach near Quetta, which was destroyed by an earthquake in 1931, has again been seriously hit.

HALF HOUR

Pueblo, Colo.—Twins born to Mr. and Mrs. Robert Wood won't celebrate the same birthday. One arrived at 11:32 p. m. and the other at 12:01 Saturday morning.

Seven Burned In Plane

DeBruce, N. Y., June 11.—The charred wreckage of a New York to Chicago "luxury liner," with the bodies of its seven occupants nearby, was found today smashed against the almost inaccessible slope of Last Chance hill, a 2,000 foot peak in the lower Catskills.

The twin-motored biplane, roaring through a fog and thunderstorm late Saturday, had cut a long gash through the thick tree tops and crashed half way up the rugged mountain side.

B. Y. P. U. Worker In Brushy Mountain Baptist Association

Miss Mabel Starnes To Speak At Three Services During The Week

This week is set aside for Baptist Young People rallies in the Brushy Mountain Baptist Association.

Miss Mabel Starnes, who was sent out by the Baptist State Convention, to work among the churches, will attend three meetings in the association during the week.

The first of the meetings will be held at Beaver Creek church on Tuesday night, the second at New Hope church on Wednesday night and the last at Wilkesboro on Thursday night.

Miss Starnes has only one week for work in the association and people from all the churches are asked to attend one or more of the services which will consist of a devotional program, inspirational talks by B. Y. P. U. leaders and an address by Miss Starnes.

FAVORS NEW DEAL

New York, June 15.—Forty-seven states vote in favor of Roosevelt's acts and policies as 875,873 ballots are tabulated in the fifth report of the Literary Digest's New Deal poll.

The President receives 534,804 votes in support of his administration as against 340,569 in opposition. This gives him a majority of 61.09 per cent of the total vote to date, which shows an increase in his popularity of 3.77 per cent over his 1932 election ratio and also an increase in his majority over the previous week's returns of the poll.

Vermont is the only state voting against the Roosevelt policies so far, but the poll vote shows an increased sentiment now for the President over the 1932 election ratios he received there.

Twenty-nine states gave the President a higher percentage of votes in his poll than they did in the 1932 official election while 19 states, most of which are in the agricultural regions, give him a smaller ratio than they did 18 months ago.

Black-Draught Brings Refreshing Relief of Constipation Troubles

Constipation produces many disagreeable sensations, several of which are mentioned by Mr. T. E. Stith, of Boonville, Ind., who writes: "I have used Theodor's Black-Draught many years when needed for biliousness and other minor ills when a laxative was needed. I have a tight feeling in my chest when I get bilious. I get dizzy and feel very tired, just don't feel like doing my work. After taking Black-Draught, I feel much better. This is why I continue to use it when needed." . . . Theodor's Black-Draught is a good, purely vegetable laxative, obtainable for 25¢ a package.

Two Local Girls On College Honor Roll

Miss Jane Whicker, daughter of Attorney and Mrs. J. H. Whicker, of this city, and Miss Mary Sink, daughter of Dr. and Mrs. C. A. Sink, also of this city, were honor students for the last semester at Greensboro College.

Both of the local girls made splendid scholastic records during the past term.
