WAKE UP YOUR LIVER BILE-WITHOUT CALOMEL

ind You'll Jump Out of Bed in the Morning Rarin' to Go

if you feel sour and sunk and the world moke punk, don't swallow a lot of salts, min-smal water, oil, lazative candy or chewing gum and expect them to make you suddenly sweet and buoyant and full of sunshine.

For they can't do it. They only move the fewels and a mere movement doesn't get at the cause. The reason for your down-and-out beslieg is your liver. It should pour out two means of liquid bile into your boweis daily. Member and the life is not flowing freely, your food shown't digest. It just decays in the bowels. Same bloats up your stomach. You have a chick, bad taste and your breath is foul, this efter breaks out in blemishes. Your head when and you feel down and out. Your whole suches and you feel down and out.
