Following is the Lions' schedule of conference games:  
Jan. 8, Newton here.

The first games of the season were played here last week against Taylorsville high school with Taylorsville boys winning 29 to 25 and Taylorsville girls getting the big end of a 24 to 14 score.

## THEY ALL GET A LIFT WITH A CAMEL!

TRANSPORT PILOT. Maurice Marrs, United Air Lines pilot, says: "When I notice that 'all in' feeling, I pull out a Camel and light up. My natural energy flows back. Tiredness is quickly relieved. I smoke steadily. Camels never upset my nerves."

HOUSEWIFE. "I never knew how much a cigarette could mean until I smoked Camels," says Mrs. Robert Sayles. "I was attracted to Camels because they have such a mild flavor. And I find that when I smoke a Camel, I have more energy."

FOOTBALL REFEREE. Tom Thorp says: "The lift that you get from a Camel sure is a mighty valuable thing to anyone whose job requires fast action. And I know I can smoke them any time I like... and they will never make me 'edgy' or nervous."
