All Banks In N. C. Get No. 1 Rating

North Carolina Financial Institutions Lead Nation; Head FDIC List

Raleigh, Jan. 4.—Governor J. C. B. Ehringhaus and Gurney P. Hood, state bank commissioner, were notified today that every bank in North Carolina is now on the "No. 1" list of the Federal Deposit Insurance corporation, which gives this state the top rung on the ladder of 48 states in so far as bank ratings go.

"That's a mighty good record and one of which I am mighty proud," said Governor Ehringhaus, as he complimented Commissioner Hood and his force of co-workers. "It is a situation that is far different from the one that existed in not only the banks of our state, but of the nation, two years ago."

Mr. Hood explained the meaning of the "No. 1" list. He said the FDIC divides banks into four groups. A year ago there were 42 of the state's 276 banks and their branches which were on the No. 2 list, six were on the No. 3 list and 13 were in the No. 4 grouping. Now each is rated "No. 1."

W. Kenneth Hayes, special assistant to Leo T. Crowley, chairman of the board of FDIC, conferred with the governor and Hood today respecting proposed bank legislation for the 1935 legislature, which meets Wednesday. Hayes recommended enactment of laws to allow state banks to own stock in the FDIC, clarifying of the laws on double liability of stockholders, and to enact the sale of assets of closed banks to the FDIC without having to resort to court action.

CHEVROLET PRICES

Chevrolet's prices for the 1935 New Standard and Master De Luxe models were announced by William E. Holler, general sales manager of the Chevrolet Motor Co., just before the opening of the New York automobile show. The prices are as follows:

New Standard models—Coupe, \$475; coach, \$485; sedan, \$550; phaeton, \$495; sport roadster, \$465; sedan delivery, \$515. Master De Luxe models—Coupe, \$560; coach, \$580; sedan, \$640; sport coupe, \$600; town sedan, \$615; sport sedan, \$675; commercial panel, \$560; de luxe panel, \$580.

The prices on the New Standard coupe, coach and phaeton are \$10 under those of the corresponding 1934 models. On the Master De Luxe, prices are exactly the same as in 1934.

Knee-action continues as one of the outstanding features of the Master De Luxe cars, Mr. Holler stated, and is available to any customer on order at slight additional cost. Master De Luxe cars also feature the new Fisher turret top all steel roof construction, and a much larger body with corresponding increase in interior dimensions.

"Chevrolet was able to reduce its Standard model prices and to maintain its price levels on the Master De Luxe series in the face of substantially increased material and manufacturing costs because of the greatly increased volume scheduled for 1935, as indicated by the thousands of orders we now have on hand for the immediate delivery of the 1935 lines of cars from our organization of 10,000 dealers," Mr. Holler said in announcing the prices. "Last year Chevrolet built 870,000 passenger cars and trucks, which made it the leading manufacturer of motor cars in the world for the sixth time in the last eight years. With the establishing of our 1935 prices, we are in a position to secure our share of the low-priced car business this year."

"Both lines of cars are greatly improved. The New Standard is now powered with the Master motor, and has an entirely new X-type frame which is 15 times more rigid than its predecessor. The Master De Luxe is a completely new and much larger car than the 1934 Master. To increase the comfort of passengers, and procure more body room, the wheelbase has been increased to 113 inches. This line now features, in addition to the new Fisher turret top all steel roof construction, the latest in 'tear drop' design, with dual windshield, no-draft ventilation, and all the comfort and convenience features found in much higher priced cars."

Public Works Plan Is Expected To Provide Labor For Seven Million

Washington, Jan. 4.—Significant lines pointing tentatively to an 18-month expenditure of \$5,000,000,000 were already well defined tonight upon President Roosevelt's "national chart for giving work," not a dole, to the jobless.

A long list of public works projects on which those now receiving direct cash payments may earn a more liberal stipend has been chosen from the ambitious \$100,000,000,000 program of the national resources board.

A new and greater centralized agency combining the functions of the present relief and public works administrations, and possibly other agencies, will be established. Harry Hopkins, relief

Marcus Moore Is Held Up And Robbed Of Auto

(Continued from page one)

two holdups was reported at that time.

It was learned today that the two men holding up Mr. Moore were Wade Blackburn and Tam Parsons, both of Wilkes County. After they abandoned Mr. Moore's car near Gastonia they worked their way to Maiden in a stolen model T Ford and there they held up a policeman at the point of a gun, taking his money, gun and overcoat.

They continued their banditry early this morning by calling another taxi from Hickory and at that time they had a girl accomplice, who stuck up the driver with a pistol. The men are still at large according to last reports this afternoon. Sheriff W. B. Somers and Police Chief James M. Anderson, spent several hours today in Alexander County helping officers search for the two men, who have been outlawed by Catawba County officers.

Knoxville College Quartet To Sing at Lincoln Heights

As the first in a series of recitals to be given at the Lincoln Heights School, the Knoxville College Quartet is to appear there on Thursday, February 14. This outstanding group of singers has made many personal tours of the South, but this is the first time in years that it has appeared in this section. The group is composed of two male and two female voices, which have won high praise, both from their radio broadcasts and their personal appearances.

The group specializes in the singing of spirituals in a fashion that is both pleasing and different.

Every effort is being made to make this an outstanding event and it is to be hoped that a large number of our patrons and friends will attend. A special section will be reserved for our write friends.
