

T. H. Williams Is Auto Dealer

Oldsmobile Dealer Will Sponsor Safety Campaign Beginning March 1

In step with the growing trend emphasizing the necessity for greater safety in motoring to drivers, passengers and pedestrians, the Williams Motor company, local Oldsmobile dealer, announce that a special safety campaign will be sponsored by that organization starting on March 1st.

"This campaign," according to T. H. Williams, "is being conducted by Oldsmobile dealers throughout the country and has been especially developed with the idea of furthering the safety activities of local, state and national organizations."

"Of paramount importance in motoring safety today is the necessity of maintaining in first class working order, those parts of a motor car which are so vital to its safe operation," said Mr. Williams. "It is generally conceded that the majority of auto accidents could have been avoided if it were not for the faulty operation of some part of the car in an emergency. The foundation upon which the cam-

THREE REASONS FOR NEW STOCK CAR RECORDS

Bring together the world's most famous driver, the most famous straightaway speed course, and a stock car made by the company holding most of the records on the AAA books, and something phenomenal may be expected. Sir Malcolm Campbell, Daytona Beach and a stock Hudson sedan got together—and seven speed records

were broken. The fastest shows little Miss Gene Campbell, Sir Malcolm's motor-enthusiastic daughter, shifting gears with the Electric Hand, which she describes as "a jolly device and much easier to handle than the regular clutch and shift." The Hudson driven by Sir Malcolm in the speed tests was equipped with the Electric Hand.

RONDA ROUTE 1 NEWS

RONDA, Route 1, Feb. 18.—Mr. and Mrs. Johnnie Barker had as their guest last Saturday "The Stork." They are much pleased with their little daughter, whom the generous visitor left.

Mrs. Percy Boyd is critically ill in Hugh Chatham Memorial hospital, her friends regret to learn.

Mr. Dana Sale, who is principal of the school at Joiner, passed through Ronda last Friday evening on his way to spend the week-end with his family at Cycle.

Mrs. S. F. Mastin, who has been in bad health for sometime, is somewhat improved.

Mr. Bradford Luffman, who has a position at Arleen, spent the week-end with his family.

Mr. and Mrs. Marcus Barker and Mr. and Mrs. Ernest Byrd visited their father, Mr. Johnnie Barker and wife and their infant sister last Sunday.

Mr. and Mrs. Coy Durham, of Lomax, were in Elkin last Saturday shopping.

Mr. and Mrs. Worth Sale and

daughter, Miss Mary Kate, spent last Sunday with Mr. and Mrs. Geo. Harvey Sale, at Ronda.

Mrs. Granville Church and his daughter, Miss Delight, of Elkin, are recovering from flu.

Mr. Clay Morrison, of Bethel, community is spending sometime at the home of her daughter, Mrs. Percy Lee Boyd.

Miss Mattie E. Sale spent the week-end with her sister, Miss Armiea and brother, Worth Sale and family. Mrs. Martin Pardue and Mrs. Nancy Walker called on them Saturday night.

Farmers are hustling to get their tobacco beds made early.

Tuesday, Feb. 19th, Mrs. Percy Lee Boyd, of Pleasant Hill community, passed away last night.

Master Kermit Cockerham is recovering from a severe attack of pneumonia.

Mr. Quince Sebastian and family, of Brier Creek, are able to be up again from flu.

Mr. Sam Gray, of Roaring River Route 2, is suffering with badly burned hands caused by extinguishing flames when his residence caught on fire.

The Edgecombe Mutual Livestock association recently shipped 67 head of hogs, weighing a total of 13,835 pounds, to a Richmond market.

W. A. Sparks, 82, Claimed By Death

W. A. Sparks, better known as "Uncle Willie," Sparks' age 81 years, 8 months and 28 days, died on February 8. He was married in 1874 to Elvira Eldridge and to this union were born seven children: Charlie Sparks, Mocksville; Geo. Sparks, Roaring River; Wjll Sparks, Dockery; Frank Sparks, Mrs. Lillie Harris, Mrs. Curtis Harris, Roaring River, and Mrs. Myrtle Shepherd, Charlotte. There are 37 grandchildren and seven great-grandchildren. Also surviving is one brother, Curtis Sparks, of Ivanhoe, Va.

He was a member of a well known family, being a son of the late James Sparks and Dessie Harris Sparks. He united with Swan Creek Baptist church at an early age and throughout his life he was known for his Christian character. For several years preceding his death he was a deacon of Cranberry Baptist church.

Funeral service was held at Cranberry church on February 10 with Revs. N. T. Jarvis and J. B. Ray in charge. A beautiful floral offering was in charge of his granddaughters. Following the Masonic grave service the body was interred in the church cemetery.

Union M. E. Auxiliary In Meeting Tuesday

The Woman's Auxiliary of Union M. E. church met with Mrs. Dewey Turner Tuesday afternoon. In the absence of the president, Mrs. Turner called the meeting to order and led in prayer, after which a playlet was given by the following nine ladies: Mrs. Ezel Crysel, Mrs. R. H. Call, Mrs. Earl Baker, Mrs. W. D. Miller, Mrs. C. W. Mahaffey, Mrs. D. E. Turner, Mrs. R. M. Staley and Misses

Lucy Norris and Sue Crysel. After the Scripture lesson was read and discussed, Mrs. Ezel Crysel held the chair during a short business session. Mrs. C. W. Mahaffey dismissed with prayer. The next meeting will be held with Mrs. Earl Baker March 12 at 2 o'clock.

Soil erosion workers in Franklin county reported that they terraced one farm at a cost of only \$1 an acre.

Get a LIET with a Camel!

(Below) "I SMOKE A GREAT DEAL," this secretary says. "I prefer Camels. They do not make my nerves jumpy. I like their flavor." (Signed) ELIZABETH HARRIS

(Above) "SPEED SKATING calls for an abundant supply of energy. After the last hard sprint, Camels restore my pep." (Signed) JACK SHEA

Harmony G. A.'s In Interesting Meeting

The G. A.'s of Harmony Baptist church met with Mozelle and Marie Turner in their February meeting with 13 members and three visitors present. Mozelle Turner presided in the absence of the president, reading the Scripture lesson. Miss Dare Barnard, the leader, discussed the lesson and gave a quiz on "The Flag of Our Country." Nell Gant, Mozelle Turner, Ethel Staley and Francis Brookshire had parts on the program. Maie McLean led in prayer.

Valentine games and contests were enjoyed. Those winning prizes were Marie Turner, Nell Gant and Mae McLean.

Marie and Mozelle Turner served refreshments, consisting of Valentine candies and fruits.

The next meeting will be held with Thelma Waddell on March 2.

Western North Carolina farmers are showing a great deal of interest in the land used and conservation program sponsored by the TVA and the agricultural extension service of State college. The program is designed to improve farming practices and, in the end, raise the standard of living in the mountain counties.

Tablets of sunshine for growing children

SLUSH and snow keep children inactive on many winter days. What sunshine they get is weak in the rays that produce vitamin D. No wonder youngsters lose their pep, become victims of winter ills.

It is tremendously important that your children get their share of vitamin D in winter. It prevents rickets, and builds strong bones and teeth. They also need vitamin A to resist infection.

For children especially, we suggest MCKESSON'S VITAMIN CONCENTRATE TABLETS OF COD LIVER OIL. Children love their tempting taste. Each delicious chocolate-coated tablet brings all the vitamins in one teaspoonful of U. S. P. X. (revised 1934) Cod Liver Oil. And in addition it supplies calcium and phosphorus.

Give them to your children regularly—and note the results; fewer "colds" and greater resistance to other respiratory diseases, lustier appetites, more pep.

MCKESSON'S VITAMIN CONCENTRATE TABLETS OF COD LIVER OIL are just as good for grown-ups. They help protect you against illness and add to your vitality.

Protect health the vitamin way. Take these tablets regularly. Give them to your children to help them grow sound bones and teeth. Buy them at any good drug store. A dollar bottle brings you 100 MCKESSON'S VITAMIN CONCENTRATE TABLETS.

IT'S New! IT'S Safer!
IT'S Magically Easier!
the **ELECTRIC HAND**

Everybody's trying it—Everybody's liking it!

AND LOOK AT THE PRICES!
Hudson-Built TERRAPLANE Special and DeLuxe 88 or 100 H.P. **\$585**
HUDSON SIX Special Series 93 or 100 H.P. **\$695**
HUDSON EIGHT Special, DeLuxe, Custom, 113 or 124 H.P. **\$760**

and up at factory for closed models Electric Hand standard on Hudson Custom Eight; optional (for small amount extra) on all other Hudsons and Terraplanes.

And the longer motorists drive with the Electric Hand, the better they like it! Faster, easier, smoother shifting, without taking a hand from the wheel! Nothing new to learn!

FIRST ROOFS OF STEEL!—Second "hit feature" of the year! Again Hudson and Terraplane score—with the first steel roof, and the only bodies all of steel.

EASIER RIDING!—Third in point of 1935 interest. With the other things that make cars ride easier, Hudson and Terraplane combine an exclusive method of springing—to give you the balanced ride.

AND THAT ISN'T ALL!—Greater performance than ever, from "the world's finest and smoothest performing stock cars." Ruggedness—proved in the recent 175,000-mile Ruggedness Runs. And Bendix Rotary-Equalized Brakes—quicker, safer, straight-line stopping.

Before you buy, look at all the new cars—compare them—and let the best car win.

HY-MARK FERTILIZERS

Information by the Press Service of the U. S. DEPARTMENT OF AGRICULTURE Washington, D. C. (Released October 14, 1934)

Friendly Fertilizers

Some fertilizers, like some people, just don't get along together.

Chemists of the United States Department of Agriculture have been making careful studies of chemical reactions in fertilizer mixtures to be able to warn farmers and manufacturers against undesirable combinations of materials. Some combinations cause loss of plant food while others render plant food unavailable to crops.

Knowledge of such reactions has become particularly desirable because of the increasing use of ammonium salts as sources of nitrogen in fertilizers in place of more expensive nitrates and organic ammoniates. Because these ammonium salts have a greater tendency to cause acidity in soils than the materials they have displaced, liming materials are being added to fertilizers containing these salts to overcome the acidifying action.

When ordinary limestone is used for this purpose, only a limited quantity can be added; otherwise reaction between it and superphosphate in the fertilizer will render some of the phosphoric acid unavailable as plant food. Similarly the use of ordinary limestone in considerable quantity in fertilizer mixtures containing ammonium phosphate is likely to cause loss of ammonia if superphosphate is not present. But if dolomite, a kind of limestone in which half the lime is replaced by magnesium, is used, neither of these undesirable reactions take place.

The desirability of dolomite as a liming material for mixing with fertilizer is enhanced by the fact that it also supplies magnesium to soils, some of which are deficient in this plant food.

HY-MARK FERTILIZERS contain no dirt. Where filler is needed only finely ground MASCOT DOLOMITIC AGRICULTURAL LIMESTONE is used.

They will be glad for their many friends to call and discuss their fertilizer problems and needs with them.
