Miss Marjorie Deans Is Wed To Mr. Kelly

Coming as a surprise to their many friends was the announcement made here Monday of the marriage of Miss Marjorie Deans, of North Wilkesboro, and William Henry Kelly, of Taylorsville. The wedding was solemnized in the Hertford Methodist church, at Hertford, Saturday afternoon at 2 o'clock with the pastor of the church pronouncing the vows, using the impressive ring ritual.

To announce the marriage of Mr. and Mrs. W. H. Kelly, of Taylorsville, Mrs. E. A. Shook, Mrs. James O'Daniel, and Mrs. Shelton Brewer were hostess at a luncheon bridge at the home of Mrs. Shook on F Street Monday. Mrs. Kelly prior to her marriage Saturday at Hertford was Miss Marjorie Deans, of this city. A yellow and green motif was emphasized in the decorations and table appointments. Glowing yellow candles and huge bowls of jonquills in the same shade were placed about the rooms, with shamrock cards marking the guests positions at seven small tables.

A two course luncheon was served at one o'clock after which bridge was in play for some time. In the bridge game Miss Grace Dean Forester won top score prize while the honor prize was held by Mrs. Frank Eller.

Immediately after the luncheon a western union boy arrived with a telegram for Mrs. Jule Deans, which announced the marriage of the popular young couple. QUESTION AND ANSWER

Question: What is the best control for tobacco flea-beetle and how should it be applied?

Answer: The "1 in 6" mixture has given better control for this pest than any other mixture and consists of one pound of paris green and five pounds of arsenate of lead. This may be applied either as a spray or as a dust but the dust method gives better results in the plant beds. When dust is used it should be applied at the rate of one-half pound to each 100 square yards of bed. If used as a spray, dissolve two pounds of the mixture in 50 gallons of water. Applications of the dust should be made when the plants are dry as they are easily burned when damp with dew or rain.
